EAMCET CODE: GPRP

PGCET CODE: GPRP1

PHARMACY COURSE

Pharmacy is a professional course which gives an overall and in depth knowledge of drugs. This course imparts the knowledge of preparation of drugs, their actions, side effects, toxicity, formulation of the drugs into suitable dosage forms such as tablets, injections, syrups etc., and monitoring their actions in patients.

B. Pharm is a four year course, which is pharmaceutical technology oriented and encompasses the knowledge and training on synthesis, analysis, pharmacology and formulation development of various dosage forms.

M. Pharm is a two year post graduate course in various specializations. This course gives an advanced knowledge and research methodology for the drug discovery and development.

Pharm. D (Doctor of Pharmacy) is a six year course, which is equivalent to post graduation in pharmacy. This course is more clinical / hospital, patient and pharmacotherapeutic outcome oriented. It encompasses the knowledge and training on therapeutic uses of drugs, adverse reactions, clinical research and best therapeutic outcomes.
