Innovations/Contributions in Teaching

- a) **Teaching methods** : Power point presentations and teaching through audio visual aids. Teaching through You tube videos
- b) **Laboratory experiments**: Demonstrations and collection of newer experimental methods from literatures. Providing hands on experience to students by allowing them use all the lab equipments such as UV spectrometers, sonicators, viscometers, and rotary flash evaporator etc.,
- c) **Evaluation methods**:- Group discussions with students, surprise tests, students counselling, viva voce and tutorials conducted to below average students.
- d) **Preparation of resource material**
Preparation includes books, reading materials, Laboratory manuals etc.- Laboratory manuals are prepared according to ISO requirement. Up to date advancements in latest happenings in novel drug delivery systems are taught.
- e) **Remedial Teaching / Student Counseling (academic)**: Students are counselling on importance of attendance, securing good marks in internals and university examinations. Students who are provided counselling are documented.
- g) **Any Other**- Journal clubs are conducted for the students. Students present latest article in the field to enhance their knowledge.
 - **Community work Such as values of National Integration, secularism, democracy, socialism, humanism, peace,**

Scientific temper, flood or drought relief, small family norms etc.

Donations in the form of cash and kind are given to social service organisations, orphanages.

Orphanages who take care of old age people and HIV children.

Participated in blood donation camp, tree plantation, and health camps organized by the college. Breakfast distribution

to patients of Nilofer hospital and Kotimaternity hospital through “Humanity first foundation”.Prepared patient leaflet informations and distributed to common public and patients on TB, Anemia, Communicable diseases.

- **Positions held/Leadership role played in organizations linked with Extension**

Provided leadership role in organizing workshops

- Organized an international workshop on “Drug Information training” sponsored by WHO, SEARO in May 2007 for SAARC countries.
- Organized a national workshop on “Drug Information training” sponsored by WHO India country office, Delhi in Dec 2006 for 5 states in India.
- Organized more than 50 workshops for pharmacists and doctors, on rational use of drugs (RUD) for H&FW department of Karnataka.
- Organised HIV-AIDS training program for ART pharmacists of Karnataka and Andhra Pradesh sponsored by NACO, India in Jan 2011 & June 2011.
- As a coordinator for the continuing pharmaceutical education for Karnataka health system development project trained 192 pharmacists organized by Karnataka state pharmacy council, Bangalore from Dec 1999 to Feb 2000.
- **College: 2007-till date:**As a resource person and co-ordinator, trained 20 B.Pharm students of Omdurman Islamic University, Sudan held from 24th February to 1st march 2014.Trained students presenting oral poster presentations.
- Trained in ISO to conduct Internal auditing of the college departments
- Actively participated in various teaching learning methods.
- Coordinated personality development course conducted at college for the students of M.Pharm
- As an external examiner to various other government and private autonomous colleges and university in conducting end examinations, paper setting etc.,
- As a consultant of drug information center, Karnataka state pharmacy council, DI queries being processed and book for community pharmacists were prepared. These books are used for the pharm D students.

Drug information center, Karnataka state pharmacy council: 1998-2007

- As a consultant & project co-ordinator obtained funding from WHO-India country office to setup five (5) drug information centers in India. The centers are successfully running in Rajasthan, Goa, Chhattisgarh, Assam and Haryana. (Dec 2006)
- Organised International workshop on Drug information for WHO SEARO for SAARC countries. (May 2007)
- Obtained international accreditation and membership from ISDB (International Society of Drug Bulletins) for Drug Information center’s bulletin.
- Instrumental in “Setting up of Clinical Pharmacy Department at Victoria Hospital” (a tertiary care government hospital), Bangalore India.
- Instrumental in “Setting up of Clinical Pharmacy Department at Victoria Hospital” (a tertiary care government hospital), Bangalore India.
- **Co-curricular Activities:** Teaching meditation and Yoga for the students and common public
- **Enrichment of Campus Life:** Organised college day celebrations for our students for the year 2013 and encouraged students in participating sports, games, cultural activities.
- **Students Welfare and Discipline:** Active member of anti-ragging committee, women welfare committee and IPR cell to take care of students welfare and inculcate discipline
- **Membership/Participation in Bodies/Committees**

- **Education and National Development:** Active member Indian pharmaceutical association, Member, Womenforum, APTI (All India Pharmacy Teacher's association), India, advisory member of women's forum bulletin
- **Professional Organization of Teachers :**Life member of All India Pharmacy Teachers Association (**APTI**)
- **Membership of Professional Bodies, Societies etc.**
 - Indian pharmaceutical association: Life member: KTK./ BAN/LM/0337
 - Member, Womenforum, APTI (All India Pharmacy Teacher's association), India (2016)
 - Professional organization of teachers- Life member- KA/LM/437-APTI
 - Advisory board member women's forum,APTI bulletin (www.aptiindia.org)

Editorship of Journals and News letters:

- Editor, newsletter (Women to women-a tete-a tete)) of women's forum, APTI, India (2016)
- Editor, Newsletter, newsletter of Drug information research center, Karnataka state pharmacy council, Bangalore, India.(2003 to 2007)
- Editorial board member of newsletter of Drug information research center, Karnataka state pharmacy council, Bangalore, India. 2007-tilldate
- Editorial board member of newsletter of "POWER", from Indian pharmaceutical association, India

G. Any other information:

- As a reviewer for journals of Wiley, Bentham sciences, science domain and Elsevier publications.
- "Search for web based information", a talk by Dr. P.K.Lakshmi, visit <http://www.pharmainfo.net/talks>
Presented many topics on clinical pharmacy for the benefit of PharmD students through "Teach global". For recorded videos, visit <https://www.youtube.com/channel/UCWiWYy5p3sauqOZG01W-COG>& www.teachglobal.com
