PRAVALLIKA PALUCHANI

Experience

Clinical Pharmacist intern at AIG Hospital , Hyderabad- August 2022-2023

As a part of internship I have attended ward rounds with the Doctor and participated in case discussions and auditing all the patient case sheets in various departments and doing daily appropriateness review.

Clinical Pharmacy Clerkship and project at AIG Hospitals, Hyderabad- January 2022-August 2022-

Collected more than 25 cases of different diagnosis and presented cases at our college with detailed assessment and interventions.

Clinical Pharmacy trainee at Care Hospitals, Hyderabad- September 2019-December 2021

Project

Determination of safety and efficacy of terlipressin in patients with cirrhosis- An observational study: This study is to determine the safety and efficacy of terlipressin and safety is measured by monitoring adverse drug reactions and efficacy is measured by sodium, serum creatinine, mean arterial pressure, and urine output. It is a prospective observational study conducted at AIG Hospitals, Hyderabad-January 2022-July 2022.
