Library Orientation Programme

Library at the Institute offers an orientation program to the students and others in the beginning of every academic year. Through this program, an effort is made to familiarize every new member with the resources, services, facilities, library rules & regulations etc. offered by the Library and its use policies. .

Objectives: The main objective of the user orientation is to introduce the library facilities, resources, services and library techniques to the users. The orientation programme makes the users to familiarize to the resources and increases the use of library. Spending thousands of rupees on purchasing books, print and online journals will not fulfill the aim of an educational institution, unless it should be utilized properly.
