

G Pulla Reddy College of Pharmacy

Decennial Year 1995 - 2005

PHARMA FAIR NEWS LETTER

Volume I

ISSUE - 1

October 2005

The year 2005 is memorable in the history of GPRCP. A decade of splendid experience and visionary growth has taken place during the past ten years (1995-2005). The year 2005 has seen the successful completion of first M.Pharm (Ph.Chem) batch and also welcoming one more PG course, M. Pharm (Pharmacognosy), the joy and efforts of the small achievements has been befittingly celebrated as "Decennial Celebration on 12th March, 2005. It is thought that these continuous developments, achievements, awards, activities and events shall be known to all our well wishers and fellow professionals. This is the beginning such an activity in bringing out this first News Letter of our college. I hope that this will further bestow responsibility and drive us towards the progress and given an opportunity for all those interested people to know about us.

Secretary
