Pharma Flair News Letter

Volume 2

ISSUE - 2

February, 2006

I feel elated in presenting the second issue of the News letter of our college "Pharma Flair". As the name indicates we are always untiring and enthusiastic to further our aims and objectives. This news letter stands between us & you to know a little more about us. The beginning of this new year has doubled our encouragement as few of our young & dynamic staff members have got the opportunity of Registration for Ph. D. We have launched the website of our college www.gprcp.ac.in. Now there is a great responsibility on our staff & students to constantly progress and to be found in the newsletter. I hope each and everybody try to achieve and make news. This news letter shall not become a mere news presentation, but in future it shall become a paper of worth to keep with us and to reckon with the past remembrances & achievements. I hope that future "Pharma Flair" will become a most awaited paper for all the concerned. I take this opportunity to sincerely acknowledge the support, encouragement & help rendered to us.

Principal

M. Pharm Ph. Cog. Course Inauguration

Inauguration of M. Pharm Pharmacognosy branch :

One more specialisation course in M. Pharmacy i.e., M. Pharmacy Pharmacognosy was inaugurated on 17-10-2005. Prof. **Dr. M. N. A.
