

G.PULLA REDDY COLLEGE OF PHARMACY

ONE DAY SEMINAR AND TECHNICAL PAPER PRESENTATIONS ON

“INNOVATIONS IN PHARMACEUTICAL RESEARCH”

One day seminar on Innovations in Pharmaceutical Research and Technical Papers Presentations was organized in G.Pulla Reddy College of Pharmacy on 27th December 2013. Two eminent scientists Dr.R.S Prasad and Dr. V.Venkateshwarlu have delivered the seminar lectures on the topic. Dr. R.Prasad, Senior most technocrat, having more than 40 years of experience in design and establishment of pharmaceutical formulations facility, has spoken on “ The challenges and tasks in the development of pharmaceutical formulations and Indian scenario.” Dr. V.Venkateshwarlu, eminent scientist having excellent academic experience has delivered a lecture on “Generic Product Development”. His lecture has made the students and faculty to understand the process from the inception level. The seminar was attended by about 400 students and 40 faculty from various pharmacy colleges.

Students oral technical paper presentations were conducted in the afternoon in various pharmaceutical fields. About 120 technical papers were presented by the students from 15 colleges. In each subject field, two best paper presentations were selected and prizes were given in the valedictory programme in the evening.
