## “STUDENTS RESEARCH CLUB”

Date: 24-06-2022

**TITLE OF THE ACTIVITY:** “*ExpoHerb Contest 2022*”

### **DETAILS OF THE ACTIVITY:**

The contest was based on two topics i.e., “*Experiments- using household materials*” and “*Herbariums of plants surrounded by you every day*”. Participants performed many interesting and creative experiments and presented very beautiful herbariums. The contest was judged by the faculty i.e., Dr. R. Padmavathi, Mr. P. Ravi Kumar, and Mrs. Ch. Rajeswari. The contest was conducted in college premises. The main motive for conducting the contest was to develop presentation skills, improve the ability of creativity, and confidence, and encourage the students to gain more diverse knowledge. The students of B.Pharm, Pharm.D, and M.Pharm participated in the contest. The prize certificates and mementos were awarded to the winners on the occasion of World Pharmacist Day ie., 25<sup>th</sup> September 2022.
