COURSES

B.Pharm M.Pharm Pharm.D

G. Pulla Reddy College of Pharmacy is established in the year 1994-95, sponsored by G. Pulla Reddy Charities Trust, under the chairmanship of Late Sri G. Pulla Reddy Garu, a philanthropist, social reformer, well known as sweet Pulla Reddy, who has promoted several educational institutions under the Trust.

The College is centrally located in a beautiful campus at Mehdiapatnam, Hyderabad. The campus is spread over in 5 acres of land in a calm & quiet natural habitat. Mehdiapatnam is well connected to all corners of the expanding city by local bus services & Metro Rail. In this campus G. Pulla Reddy High School, G. Pulla Reddy Degree & P.G. College are also located.

VISION

G. Pulla Reddy College of Pharmacy envisages to become the centre of excellence for research in Pharmacy. It aims to contribute significantly to drug development and drug discovery.

MISSION

G. Pulla Reddy College of Pharmacy aims to be on forefront in imparting the disciplined and quality Pharmacy education. The Graduate and Postgraduate students shall be groomed as responsible & highly acclaimed professionals in the Pharmaceutical Arena.

PHARMACY COURSE

Pharmacy is a professional course which gives an overall and in depth knowledge of drugs. This course imparts the knowledge of preparation of drugs, their actions, side effects, toxicity, formulation of the drugs into various dosage forms such as tablets, injections, syrups etc., and monitoring their actions in patients.

B. Pharm is a four year degree course, which is pharmaceutical technology oriented and encompasses the knowledge and training for synthesis, analysis, pharmacology of drugs and formulation development of various dosage forms.

M. Pharm is a two year post graduate course in various specializations. This course gives an advanced knowledge and research methodology for the drug discovery and development.

Pharm. D is a six year Doctor of pharmacy course, which is equivalent to post graduation in pharmacy. This course is clinical and hospital oriented. It encompasses the knowledge and training on drugs uses, actions, adverse reactions, clinical research and pharmacotherapeutic outcome.

College Building Inauguration 1999

Parliamentary Sub Committee visit- 2000

INFRASTRUCTURE

◆ The college building is very spacious, four storied building, exclusively for Pharmacy with WI-FI facility. All the facilities like Office, Principal's chamber, Library, Laboratories, Classrooms, Seminar Hall, auditorium, Faculty rooms, Girls common room, Animal house, Medicinal plant garden, Power backup 125 KV, Parking and other facilities etc., are well planned.

◆ Library is a centre for enrichment of knowledge and for creative ideas & thoughts. The library is a spacious big hall with neat furniture. Good number of text & reference books are provided. Scientific journals, magazines & e- resources (e-books, e-journals & e-database) are also provided. However it is a continuous process of adding new books every year.

◆ 50 KW. solar power unit has been established in the year 2015 on the roof top of the building.

◆ Teaching faculty is the key for the success of any institution. Teaching faculty include Professors, Associate Professors & Assistant Professors who are well experienced & highly qualified. Seventeen are doctorates & four are pursuing their Ph. D and all others are experienced post graduates. The average experience of teachers is above 10 years.

Extra Curricular Activities :

◆ In spite of the regular academic activity some extracurricular activities are the regular feature. The College day, Pharmacists day, Teachers day, Yoga day, Traditional day, Graduation day National science day, Pharma anvehsan day etc., are celebrated every year. Community health programs and a number of Intra & Inter College Sports & Cultural events are also conducted every year.

◆ Seminars and Guest lectures by eminent personalities from Industry & Academics are arranged to keep the students abreast of the recent developments in the profession. Every year National level seminar/s on "Innovations in Pharmaceutical Research and Oral/ Poster Presentations" are conducted to improve the student's communication, presentation skills and research attitude.

◆ Industrial visits, training and internships are arranged every year. The students will get direct exposure and experience about the principles and working of various pharmaceutical technological processes and documentation.

RESULTS

	2021	2022	2023	2024
M. Pharm	100%	100%	100%	
B. Pharm	92%	91%	89.2%	92.9%
Pharm.D	92.3%	100%	92.3%	96.5%
