PHARMA ANVESHAN – 2026

Sponsored by

Pharmacy Council of India

THEME: FUTURE PHARMA ECOSYSTEM: FOSTERING SYNERGY AMONG ACADEMIA, INDUSTRY, RESEARCH, REGULATION AND PRACTICE

Organized by: G. Pulla Reddy College of Pharmacy, Hyderabad

07th March 2026

Pharma Anveshan Program 2026, organized with the theme “Future Pharma Ecosystem: Fostering Synergy among Academia, Industry, Research, Regulation and Practice,” was sponsored by the Pharmacy Council of India (PCI) and hosted by G. Pulla Reddy College of Pharmacy, Hyderabad, Telangana on 07th March 2026. The program served as an important platform to encourage **innovation, research, and scientific thinking** among pharmacy students, researchers, and professionals across the country. It motivated participants to share new ideas, present their research work, and take part in scientific discussions related to pharmaceutical sciences. The event brought together **academicians, industry experts, regulatory professionals, and students**, creating a space for collaboration and exchange of knowledge. Various activities such as **scientific paper presentations, poster presentations, expert lectures, and panel discussions** were organized to help participants improve their research skills and learn about the latest developments in the pharmaceutical field. Overall, *Pharma Anveshan Program 2026* reflected the efforts of the Pharmacy Council of India to **strengthen pharmacy education, promote research and innovation, and prepare skilled pharmacy professionals** to meet the future healthcare needs of the country.

The inspiring journey of **Prof. Mahadeva Lal Schroff** was presented through a video prepared by B. Pharm Students, highlighting the importance of innovation, education and dedication in the field of pharmaceutical sciences.

The seminar was inaugurated by **Sri P. Subba Reddy**, Chairman, G. Pulla Reddy College of Pharmacy, **Shri J.H Chaudhari**, Vice President, Pharmacy Council of India, **Prof. V. Balakista Reddy**, Chairman, Telangana Council of Higher Education, **Dr. M. Niranjan Babu**, South Zone Coordinator, **Dr. Venkat Ramana**, Telangana State Coordinator, **Dr. V. Prabhakar Reddy**, Telangana State, Coordinator and **Dr. B. Madhav Reddy**, Convener, Pharma Anveshan 2026, Telangana.

Dr. B. Madhava Reddy, Convener, Pharma Anveshan 2026, Telangana, conveyed a warm welcome to the gathering and highlighted the inspiration drawn from the life and contributions of **Prof. Mahadeva Lal Schroff**. He stated that the programme was very apt in remembering the legacy of such a visionary leader who laid the foundation for pharmacy education in India. He also mentioned a few memorable

incidents about Prof. Schroff's simplicity which continues to inspire the present generation to remain humble and committed to service. He further narrated the courage and patriotic spirit of M. L. Schroff, recalling an incident when he attended a conference despite the risk of arrest by the British authorities, highlighting his fearless dedication to the nation and to the development of pharmacy. Dr. Madhava Reddy also noted that the event witnessed enthusiastic participation from 60 colleges, with 110 scientific presentations and 08 members contributing to the panel discussion. He thanked all the participants, organizers and volunteers for their active involvement and for making the programme a grand success.

The proceedings and **Abstract Book** of Pharma Anveshan 2026, was released highlighting **dignitaries, keynote speeches, panel discussion, the patents, research work and innovative ideas** contributed by the participants.

Sri. Montu Kumar Patel, conveyed his message through a special video address and explained that this day serves as an important occasion to recognize the contributions of pioneers in pharmacy education and to inspire the younger generation to pursue excellence in pharmaceutical sciences and research. He noted that the observance of this day across the country reflects the collective commitment of academic institutions, regulatory bodies, and professionals to strengthen pharmacy education in India.

The Chief Guest, Prof. V.Balakista Reddy, Chairman, Telangana Council of Higher Education, in his address conveyed his heartfelt congratulations to the organizers and participants for conducting a meaningful scientific event that promotes research and innovation among students. He further stressed the **five pillars of higher education — affordability, accessibility, quality, equity, and inclusiveness**. He urged members of the **Pharmacy Council of India** to ensure that regulatory bodies adapt to changing national and global contexts. Concluding his address, he remarked that India has long been regarded as a **“Vishwa Guru”** and is now transforming into **“Vishwa Bandhu” — a global friend supporting nations across the world** referring to the vision of **Viksit Bharat 2047**.

Sri. J. H. Choudhari, Vice President, Pharmacy Council of India, New Delhi, in his address, congratulated the students for preparing an excellent video on the life and legacy of Prof. M. L. Schroff. He appreciated the organizing committee for successfully conducting Pharma Anveshan 2026 within a short period of time and commended the efforts of G. Pulla Reddy College of Pharmacy for their active participation and outstanding organization of the programme. He further emphasized the vision of the Pharmacy Council of India in creating a strong future ecosystem for pharmacy through collaboration among industry, academia, research, regulatory authorities and professional practice. In addition, he announced the upcoming launch of a job portal on the PCI website that will connect employers with pharmacy graduates, expected to be implemented from the coming month.

Dr. M. Niranjan Babu, South Zone Coordinator for Pharma Anveshan 2026, in his address expressed his sincere gratitude to the Hon'ble Vice President for gracing the occasion despite his busy schedule. The conduct of Pharma Anveshan 2026, ensuring that the message and objectives of the program reach institutions throughout the country.

Dr. Venkat Ramana, Telangana State Coordinator for Pharma Anveshan 2026, in his address, explained that the **Pharmacy Council of India**, under the leadership of its President, initiated the **Pharma Anveshan** program in commemoration of the birth anniversary of Prof. M. L. Schroff in the year 2022.

Dr. V. Prabhakar Reddy, Telangana State, Coordinator for Pharma Anveshan 2026, emphasized the various initiatives planned by the Pharmacy Council of India to strengthen pharmacy education and professional development.

As part of **Pharma Anveshan 2026**, keynote speeches were delivered by eminent experts from pharmaceutical industry. These sessions provided valuable insights into the latest developments, challenges, and opportunities in pharmaceutical sciences and medical devices.

Dr. S. S. Apte delivered the keynote address on “**Research Innovations – Academia & Industry Collaboration.**” He highlighted the importance of strong collaboration between academic institutions and the pharmaceutical industry to promote innovation and transform research ideas into practical healthcare solutions. Drawing from his experience at NATCO Pharma, he emphasized the need for **industry-oriented research, internships, patent generation, and technology transfer** to bridge the gap between theoretical knowledge and industrial practice. He encouraged students and researchers to focus on innovative and problem-solving research to address emerging healthcare challenges.

Mr. N. G. Badari Narayana, Chairman of S3V Vascular Technologies, Mysuru, delivered a lecture on the topic “**Medical Devices – Innovative Opportunities in India.**” In his talk, he highlighted the growing importance of **medical devices in modern healthcare** and explained how innovation in this field is creating new opportunities for researchers, entrepreneurs, and pharmacy professionals. He discussed the increasing demand for **affordable and high-quality medical devices in India**, emphasizing the need for indigenous development and technological advancement. He also encouraged students and researchers to explore opportunities in **medical device design, research and entrepreneurship.**

The Guests - **Prof. V. Balakista Reddy, Shri. J.H. Chaudhari, Dr. M. Niranjan Babu, Dr. M. Venkata Ramana** and **Dr. V. Prabhakar Reddy**, are felicitated by **Sri. P. Subba Reddy**, Chairman, G. Pulla Reddy College of Pharmacy.

Mementos were presented to the **Keynote Speakers (Dr. SS Apte, Mr. NG Badari Narayana)**, **Panel members (Dr. K. Satyanarayana, Dr. Swathi Biswas, Mr. KV Mohana Rao, Dr. Venkata Ramana Gogula, Mr. B. Yoganandam, Dr. B. Lakshmi Narayana, Mr. Vamsee Krishna Kodali and Mr. P. Deepak)** and **State Level Organizing Committee members (Dr. A. Venkateswara Reddy, Principal, Anwarul Uloom College of Pharmacy, Hyderabad; Dr. A. Ramesh, Principal, Vishnu Institute of Pharmaceutical Education and Research, Narsapur; Dr. J. Venkateswara Rao, Principal, Talla Padmavathi College of Pharmacy, Warangal; Dr. SY. Manjunath, Principal, Sri Krupa Institute of Pharmaceutical Sciences, Siddipet)**, as a token of sincere gratitude and appreciation for their valuable time, insightful thoughts, and gracious presence.

Panel discussion was conducted on the theme of Pharma Anveshan Program 2026 - Future Pharma Ecosystem: Fostering Synergy among Academia, Industry, Research, Regulation and Practice. The experts were from different fields of pharmacy.

Panel discussion subject experts

- 1. Dr. K. Satyanarayana**, Vice President, I CUBE Nanotec, LLP India Ltd. Former Vice President, Peptide Research, NATCO Pharma Ltd. Dr. Satyanarayana discussed about the recent development in the research

of peptide drugs and challenges in development of small peptides. Dr. Satyanarayana answered various questions by the audience.

2. **Dr. Swathi Biswas**, Professor, BITS Pilani, Hyderabad Campus. Shri B. Birla & Smt. Sarala Birla Chair Professor. Dr. Swathi discussed about the important problems and methods to overcome the problems in academic research of formulation development. QBD and its importance.
3. **Mr. Deepak Paturi**, Associate Director, Global Regulatory Sciences, Bristol Myers Squibb India, Hyderabad. Mr. Deepak discussed about various global regulations for various projects and how to meet the regulations and the importance regulatory affairs in academics.
4. **Dr. K. V. Mohana Rao**, GMO-HR, Dr. Reddy's Laboratories Ltd., Hyderabad. Dr. Mohana Rao discussed about the attitude, aptitude and interpersonal skills required for students to work in industry in addition to the technical skills and knowledge.
5. **Mr. B. Yoganandam**, Registrar, Telangana Pharmacy Council, Former Deputy Director, Drugs Control Administration, Government of Telangana. Mr. Yoganandam gave a brief about pharmacist registration and care to be taken while registering as pharmacist after obtaining a pharmacy qualifications. He also discussed about the pharmacy practice regulations.
6. **Dr. B. Lakshmi Narayana**, Assistant Director, Drugs Control Administration, Government of Telangana. Dr. Lakshmi Narayana discussed about the various challenges in Drug Control Administration duties. He explained about how to prepare for competitive exams for government Jobs. He answered various questions from the students.
7. **Dr. Venkata Ramana Gogula**, Vice President, Drug Development & Clinical Research, NATCO Pharma, Hyderabad. Dr. Venkata Ramana discussed about various challenges in clinical research and also the job opportunities in clinical trials of clinical research and other to be acquired.
8. **Mr. Vamsee Krishna Kodali**, Vice President & Global Quality Head, Accenture Life Sciences, Hyderabad. Mr. Vamsee Krishna explained about the application of AI tools in Pharmacovigilance and told the students to become acquainted with basic AI tools and Pharmacovigilance applications. He also explained about upcoming job opportunities in this field. He has answered various queries from students and faculty.

In the **afternoon session, oral and e-poster presentations** were conducted, showcasing the innovative ideas and research contributions of the participants. A **total of more than 120 abstracts** were accepted for presentation. Among them, **55 abstracts** were presented as **e-poster presentations** under the theme of **Innovative Research**, while **65 abstracts** were presented as **oral presentations** focusing on **Patents and Ideathon**. These sessions provided participants with an opportunity to present their work, exchange ideas, and receive valuable feedback from experts and evaluators.

In valedictory program, Guest of Honour, **Mr. Sarvesh Singh**, CEO & Director, **Telangana Life Sciences, Government of Telangana**, explained the theme and vision for building a strong future pharmaceutical ecosystem. He emphasized the importance of collaboration among different sectors and highlighted that future discoveries will be interdisciplinary, especially through the combination of biology, chemistry, and engineering. He noted that Telangana has emerged as a major life sciences hub, with nearly one-third of vaccines produced in the state and exported globally.

EVALUATORS OF e- POSTER PRESENTATIONS

- **Dr. C. Aparna**, Professor, Sri Venkateshwara College of Pharmacy.
- **Dr. Induru Jagadeesh**, Associate Professor, Gokaraju Rangaraju College of Pharmacy.
- **Dr. Somnath De**, Professor and HOD, Department of Pharmacology, St.Pauls College of Pharmacy.

- **Dr. V. Padmaja**, Associate Professor, RBVRR Women's College of Pharmacy.
- **Dr. V. Ravi Kumar**, Professor, MNR College of Pharmacy

EVALUATORS OF ORAL PRESENTATIONS

- **Dr. K. Satyanarayana**, Vice President, I CUBE Nanotec, LLP India Ltd.
- **Dr. Venkateswara Reddy**, Principal, Anwarul Uloom College of Pharmacy
- **Dr. Ashwini Deshpandey**, Dean, NMIM School of Pharmacy, Jadcherla.
- **Dr. P. Veeresh Babu**, Associate Professor, Gokaraju Rangaraju College of Pharmacy.
- **Dr. Gampa Vijay Kumar**, Principal, KGR College of Pharmacy.
- **Dr. Subhash Chandra Bose**, Professor, MNR College of Pharmacy.
- **Dr. D. V. Kishore**, Professor, Shaadan College of Pharmacy.
- **Dr. Sirish Deshpandey**, Professor, NMIM School of Pharmacy, Jadcherla.
- **Dr. A. Madhukar**, Principal, Sri Dattha Institute of Pharmacy.
- **Dr. S. Y. Majunath**, Principal, Sri Krupa Institute of Pharmaceutical Sciences.

The **evaluators** shared their views and feedback on **Pharma Anveshan 2026**, appreciating the innovative ideas, quality of research presentations, and the enthusiastic participation of students. They encouraged the participants to continue developing their research skills and contribute to future advancements in pharmaceutical sciences. Mementoes were presented to the Evaluators, as a token of appreciation, in recognition of their valuable support and valuable evaluation.

Later, the **Best Presentation Awards** were presented to the students in recognition of their innovative ideas, research quality, and effective presentations during **Pharma Anveshan 2026**. The winners were appreciated for their creativity, scientific approach, and contribution to pharmaceutical research.

BEST e- POSTER PRESENTATIONS

S. No	Poster Code	Name of the Participant	Name of the College	Title
1	PCH- 03	S. Apoorva	G. Pulla Reddy College of Pharmacy	Molecular design, ADMET screening, in-silico prediction, synthesis and biological evaluation of novel imidazolone fused Chalcone derivatives.
2	PCOL- 05	Suhasini Boddu	St. Pauls College of Pharmacy	Integrated phytochemical, pharmacological and computational investigation of selected medicinal plants targeting multi drug- resistant UTI pathogens.
3	PQA- 02	B. Mounika and K. Shruthi	Sri Venkateswara College of Pharmacy	Analytical method development and validation of Bicalutamide and Enzalutamide using RP- HPLC method.
4	PCU- 06	R. Prasanthi	Sree Dattha Institute of Pharmacy	Design, formulation and evaluation of gastroretentive microspheres of Selegiline Hydrochloride for Parkinson's disease by design expert.
5	PCU- 15	Bodige Mounika	Vignan Institute of Pharmaceutical Science	Spanlastics for nose-to-brain delivery of Kynurenic acid for migraine: Design, development and preclinical assessment.

6	PP- 07	Pragathi Reddy Gunnam	Joginpally B.R. Pharmacy College	Multidimensional evaluation of Alcohol Withdrawal Syndrome severity using clinical and psychometric predictors- A cross-sectional pilot analysis.
---	--------	-----------------------	----------------------------------	---

BEST ORAL PRESENTATIONS

1. Category – Patents

S. No	Code	Name of The Participant	College	Title
1	PP – 02	Abbaraju Krishna Sailaja	RBVRR Women's College of Pharmacy, Hyderabad.	Development of Cefuroxime Axetil Liposomal Formulation
2	PP – 06	C.Soujanya, K. T. Sunil Kumar	Vishnu Institute of Pharmaceutical Education and Research, Narsapur, Medak,	Development and Formulation of Herbal Medicated Chocolate for The Effective Management of Primary Dysmenorrhea: A Natural Therapeutic Approach

2. Category – Ideathon (Applications of Artificial Intelligence in Pharma)

S. No	Code	Name of The Participant	Title	College
3	OID-01	Saistutee Panda1, Ujwala Pawar	G. Pulla Reddy College of Pharmacy, Hyderabad	AI Enabled Voice Navigation System For Medication Adherence And Remote Health care For Visually Impaired Individuals.
4	OID-04	M Sai Geethasree, Bandaru Aashritha	G Pulla Reddy College of Pharmacy, Hyderabad	Fem-Link AI: Smart Digital Care For Women.
5	OID-07	B. Naga Jyothi	Bojjam Narasimhulu Pharmacy College for Women, Hyderabad.	AI-Assisted Formulation Optimization Of Novel Microgreen-Based Fast Dissolving Oral Strips For Iron Supplementation.
6	OID – 15	Ms. Sakshi Mishra, Dr. Sachin Puri	Narsee Monjee Institute of Management Studies (NMIMS), Jadcherla	Billing-Integrated Smart Alert System For Medication Lifecycle Tracking.
7	OID – 17	Vadapalli Ekshitha Abhinaya Pallavi, A. Srija	Anurag University, PJS colony, Venkatapur, Hyderabad.	AI-Powered Neurosensor Biodetector-Real-Time Sweat Biomarker Insights For Stress-Adaptive Learning.
8	OID – 20	Juwairiyah Fathima	Shadan College of Pharmacy, Hyderabad.	OTLY: An AI-Based Clinical Decision Support System For Prescription Safety And Pharmaceutical Care.

The program concluded with the **Vote of Thanks**, where gratitude was expressed to the chief guests, speakers, evaluators, organizing committee members, faculty, and student volunteers for their valuable

support in making the event successful. The event ended on a respectful note with all participants standing for the **National Anthem**.
