‘Pariksha Pe Charcha’ 2.0**

As part of the second edition of "Pariksha Pe Charcha 2.0" Prime Minister Shri Narendra Modi interacted with a total of 2,000 students, parents and teachers at the Talkatora Stadium in New Delhi on 29-01-2019. The live program was displayed in the computer lab. The students of B. Pharm, Pharm D and M. Pharm have attended the live program.

Modi spoke about studies and examination-related issues. He also spoke on depression and suggested ways to combat the menace. He asked parents not to expect their children to fulfil their unfulfilled dreams and celebrate even little achievements of their wards. He said technology should lead to expansion of the mind and be seen as a means to innovate. It was motivating and very useful for the students.
