SVKM's Dr. Bhanuben Nanavati College of Pharmacy, Mumbai, Maharashtra, India

5th Student Research Congress themed "Innovations for Better Health."

SVKM's Dr. Bhanuben Nanavati College of Pharmacy organized the 5th Student Research Congress, themed "Innovations for Better Health," in collaboration with the University of Mumbai, ACG Worldwide, and Scitech Center. The event, held on December 20th and 21st, 2024, provided a platform for students to present their research in healthcare. The Congress, initiated in 2020 during the COVID-19 pandemic as a virtual event, has grown into an annual tradition under the leadership of Dr. Munira Momin. Keynote speeches by Dr. Parizad Elchidana, Dr. Deepak Modi, and Dr. Shrinivas Savale offered valuable insights into quality research. With over 800 registrations, 249 abstracts, and participation from 200 institutions across 25 states, the Congress continues to foster innovation and research, driving forward the pursuit of a healthier tomorrow.

Awards galore at Maharashtra State Inter University Aavishkar Research Convention

SVKM's Dr. Bhanuben Nanavati College of Pharmacy (BNCP), Mumbai, celebrated a remarkable achievement at the 17th Maharashtra State Inter-University Aavishkar Research Convention held at Dr. Babasaheb Ambedkar Technological University from 12th - 15th January, 2025. Under the guidance of Principal Dr. Munira Momin and the support of SVKM management, BNCP students demonstrated exceptional research and innovation. In the Agriculture and Animal Husbandry category, final-year B. Pharmacy students Mr. Ankit Gohil and Ms. Krishna Gandhi secured the Gold Medal under the mentorship of Dr. Sankalp Gharat. In the Medicine and Pharmacy category, M. Pharmacy student Ms. Mansi Jha earned the Silver Medal under the mentorship of Dr. Lokesh Kumar Bhatt, and Ms. Shreya Garge won the Bronze Medal under the guidance of Dr. Vasanti Suvarna. These achievements highlight BNCP's dedication to fostering academic excellence and research innovation. The college's unique platform, "SCINTELLECT," has been instrumental in nurturing scientific inquiry and creativity among students, shaping the next generation of researchers. BNCP extends heartfelt congratulations to the students and mentors for their outstanding accomplishments, further solidifying its reputation as a leading institution in pharmaceutical education and research in Maharashtra.

H. K. College of Pharmacy, Mumbai, Maharashtra, India

Hosts Zonal Round of 19th Aavishkar Research Convention

H. K. College of Pharmacy, in collaboration with the University of Mumbai and MES, hosted the zonal round of the 19th Aavishkar Inter-Collegiate Research Convention at its Jogeshwari campus. The event saw participation from pharmacy students across the

University of Mumbai. It was inaugurated by Dr. Tushar Lokhande, Principal of H. K. College of Pharmacy, and Mr. Waseem Javed Khan, General Secretary of the Maharashtra Educational Society, with the presence of Dr. Sunil Patil, Director of the Students Welfare Department, University of Mumbai, and over 30 jury members. The zonal round featured approximately 300 projects from pharmacy students across various categories. The projects were evaluated by a panel of 30 jury members from different disciplines, who provided constructive feedback to enhance the participants' ideas and presentation skills. This event not only improved students' research capabilities but also encouraged collaboration and innovation within the field of pharmaceutical sciences. The convention served as a vibrant platform for aspiring pharmacists to showcase their work and contribute to the future of the profession.

G. Pulla Reddy College of Pharmacy, Hyderabad, Telangana, India

One Day Seminar On "Innovations In Pharmaceutical Research-2024"

G. Pulla Reddy College of Pharmacy, Hyderabad, organized a national seminar on "Innovations in Pharmaceutical Research – 2024: Oral & Poster Presentations" on 21st December, 2024, with 580 participants from 27 colleges. The seminar aimed to share the latest pharmaceutical research developments and enhance students' research and communication skills. Notable dignitaries included Sri P. Subba Reddy, Prof. K. Janardhan Reddy, Dr. Aravind Penmatsa, and Dr. Pallu Reddanna. The event featured sessions on neurotransmitter transport and the importance of industry-academia collaboration in pharmaceutical innovation. In the afternoon, 137 oral and 110 poster presentations were made, evaluated by senior academicians. The best presentations were awarded certificates and mementos. The seminar successfully provided participants with valuable insights into pharmaceutical research and opportunities to improve their presentation skills.

We invite authors, researchers, and industry professionals to submit articles for publication in **Pharma Times**, the official publication of the Indian Pharmaceutical Association.

Share your insights, research findings, and expertise on topics relevant to the pharmaceutical industry and healthcare sectors, Medical device, AI, Nanotechnology, automation Point of care diagnostics etc., This is an excellent opportunity to contribute to our community and engage with a wider audience.

Please take note of the forthcoming topics of focused issues. Send focused articles as per your expertise and experience.

Send Articles to email: pharmatimes@gmail.com

We welcome your questions and feedback! Please reach out to us at pharmatimes@gmail.com.

Author instructions will be provided in upcoming issues of Pharma Times. Stay tuned for details on submission guidelines!

WORLD PHARMACIST DAY CELEBRATION

G.Pulla Reddy College of Pharmacy celebrated World Pharmacist Day on 25th September 2024. Mr Mohith S, Proprietor, GP Medicals and who is also alumni of this college, was the Chief Guest to the function. Dr.B.Madhava Reddy, Principal in his welcome address told the importance of the Pharmacists in meeting the global health needs.

He urged the Pharmacy students to follow the morals & ethics in their Pharmacist duties. Mr. Mohith S signified the role of community & retail Pharmacist in promoting the pharmacy services. He said that the community pharmacists play major role in meeting the global health needs and there are lot of opportunities in retail pharmacy.

The faculty also spoke on this occasion. Mr Mohith S, distinguished alumni, who is running the retail pharmacies, is felicitated on the occasion. The program was attended by about 100 participants including faculty, B.Pharm, Pharm.D & M.Pharm students. The program was co-ordinated by Dr.N.Raghavendra babu, Assoc. Professor.

Smriti College of Pharmaceutical Education Celebrates 63rd National Pharmacy Week

Indore, November 23, 2024: Smriti College of Pharmaceutical Education, Indore, celebrated the 63rd National Pharmacy Week (NPW) from November 17 to 23, 2024, with the theme "Think Health, Think Pharmacy." The week featured a variety of events aimed at fostering learning, creativity, and teamwork.

Technical events such as PowerPoint presentations, treasure hunts, and instrument demonstrations showcased students' innovation and academic excellence. Sports activities like cricket, kabaddi, chess, and tug-of-war promoted physical fitness and sportsmanship.

The cultural segment included Pharma Tattoo, Pharma Painting, and a fun fair, adding vibrancy to the campus. Professional events, including a flash mob, skit, and Pharmacist's Oath Ceremony, highlighted the critical role of pharmacists in healthcare.

The celebrations concluded with a valedictory ceremony where winners were felicitated with certificates and medals, making the event a grand success under the leadership of Principal Dr. Neelesh Malviya.

A survey was conducted to assess the general health of villagers, providing valuable insights for illness preventive health measures. Another survey was conducted to assess vaccine-related awareness among villagers, highlighting the need for increased awareness and knowledge and also to assess woman's menstrual health and hygiene practices, providing valuable insights for future initiatives. The 7-day residential NSS camp was a resounding success, demonstrating the commitment of student volunteers and organizers towards community service and health awareness. The camp's various initiatives and activities have made a significant impact on the village, promoting health, hygiene, and empowerment. Apart from these, volunteers also performed street plays on various issues like tobacco consumption, family planning and gender equality. As the volunteers return to their daily lives, they carry with them valuable experiences, new skills and a renewed commitment to serving their communities. The camp was successfully conducted under the able guidance of **Dr. Milind Umekar**, Principal SKBCOP and NSS officers **Dr. Mayur Kale** and **Ms. Supriya Shidhaye**. Student coordinators Muzammil Khan, Shrawani Khule and camp coordinators Kumkum Perke, Vaishnavi Pawar, Sankalp Verma and Virajnath Nanvatkar coordinated the camp well.

National Pharmacy Week Celebration at G. Pulla Reddy College of Pharmacy

G. Pulla Reddy College of Pharmacy, celebrated National Pharmacy Week from 18 November to 23rd November 2024. During the week-long celebrations, the students of GPRCP participated in various cultural & sports events conducted by IPA-Telangana in association with other pharmacy colleges. Prabhaskar**, President, IPA-Telangana presided over the function. **Dr. Kalyan Chakaravarthy**, Senior Vice President, Dr. Reddy's Laboratories, Chief Guest to the function, addressed the gathering and said that pharmacy students play a crucial role in drug discovery. **Mr. B. Ramesh**, Director, Amnean therapeutics, USA, Guest of Honour, informed the students that there are a lot of opportunities for Indian Pharmacy students in USA. Certificates & prizes are presented to the winners and best performers in various competitions such as essay writing, dance, rangoli, painting, quiz, elocution, debate, volleyball, throw ball, basketball etc. conducted in different colleges by the dignitaries on the dias. **Dr. B. Madhava Reddy**, Principal, GPRCP & other colleges principals, faculty & students also participated in the program. **Dr. K. Ramprasad Reddy**, Secretary, IPA-Telangana proposed the vote of thanks.

Constitution Day (Samvidhan Divas) celebrated at G. Pulla Reddy College of Pharmacy

G. Pulla Reddy College of Pharmacy celebrated the Constitution Day (Samvidhan Divas) on 26th November 2024. **Dr. B. Madhava Reddy**, Principal highlighted the importance of constitution day. **Dr. D. Radhika Yadav**, Professor and former Principal, University college of law, Osmania University was invited as chief guest to the event. Dr Radhika explained about the significance of the constitution day and she highlighted about the history of constitution, how constitution came into the existence. She also explained about the code of ethics that should be followed by the pharmacy professionals. A Total 120 students of B.Pharm, M.Pharm and Pharm.D participated in the program. The program was organized by **Dr. N. Raghavendra Babu**, Associate Professor, **Mr. K. Naveen Kumar**, Assistant Professor in association with students council of GPRCP. The event was an insightful and enriching experience for all attendees, fostering a deeper understanding of the Constitution and its relevance in today's society. It also served as a platform to encourage students to contribute positively to the community, upholding the values enshrined in the Constitution. The celebration was a reminder of the enduring importance of constitutional principles in shaping a fair and just society.

Regulatory Affairs Department of SKBCOP, Kamptee Visits Parle Manufacturing Unit in Khamgaon

On December 4, 2024, the Regulatory Affairs Department of **Smt. Kishoritai Bhoyar Collage of Pharmacy**, visited Parle's manufacturing unit, Shivangi Bakers Pvt. Ltd., in Khamgaon. The visit aimed to provide access within the production processes, quality control measures, and regulatory compliance at Parle's confectionery and biscuit products. The team observed automated machinery, stringent quality checks, and hygiene standards on the production lines.

Parle adheres to FSSAI regulations and international food safety standards, ensuring product quality at every stage. A video presentation provided insight into the production process, highlighting innovation, teamwork, and quality control. The department expressed their gratitude to **Dr. Vinita Kale** and **Mr. Suankit Harne** for their efforts in organising this successful visit. The visit confirmed that Parle's operations align with the highest regulatory standards, emphasizing safety, consistency, and continuous improvement in delivering quality products to consumers.

Health Checkup Camp at G. Pulla Reddy College of Pharmacy: A Community Initiative on World Diabetes Day

In association with Vijaya Diagnostic Center, **G. Pulla Reddy College of Pharmacy** also organized a health check-up camp on 14th November 2024, on the occasion of 'World Diabetes Day' from 10:00 AM to 4:00 PM as an outreach program. The camp included estimation of the following parameters such as blood pressure, random blood sugar, heart rate, oxygen saturation, body fat%, muscle mass, bone mass, body mass index, basal metabolic rate, metabolic age, body water %, visceral fat and bone mineral density. Counselling regarding the test results was also provided. Patient information leaflets related to diabetes and its management were also distributed. Around 70 people from in and around Mehdiapatnam utilized the health check-up facilities. The event was co-ordinated by Ms. Gouhar Sultana, Ms. K Archana Reddy and Mr. K Naveen Kumar, Assistant Professors, Department of pharmacy Practice.

SKBCOP Kamptee's IIC Host's Dr. Abhay Jere for a Transformative Session on Innovation and Entrepreneurship

The Institution Innovation Council (IIC) of **Smt. Kishoritai Bhoyar College of Pharmacy, Kamptee**, Nagpur, organized a transformative and inspiring session on November 27, 2024, featuring **Dr. Abhay Jere**, Chief Innovation Officer, Ministry of HRD, Government of India. The session, aimed at nurturing the spirit of innovation and entrepreneurship among students and faculty, was part of the Monitoring and Implementation Committee (MIC) activities of the IIC. **Dr. Jere**, a prominent figure in the field of innovation, shared invaluable insights on how to foster a culture of innovation and entrepreneurship within educational institutions.

This session witnessed enthusiastic participation from both faculty members and students, underscoring the institution's ongoing commitment to promoting innovation-driven initiatives and activities. The event was made possible through the relentless efforts and strategic leadership of several key individuals. **Prof. Milind Umekar**, Principal and President of IIC, played an instrumental role in guiding the institution's efforts towards fostering innovation. **Dr. Vinita Kale**, IIC Convenor, along with **Dr. Swati Lade** and **Ms. Neha Nistane**, Program Coordinators, ensured the seamless organization of this impactful session. Their hard work and dedication were evident in the success of the event.

(17th-23rd November, 2024) with enthusiasm and impactful events, emphasizing the theme “Think Health, Think Pharmacy” promoting health and pharmaceutical awareness. The week-long celebrations witnessed the active participation of students, faculty and healthcare professionals, fostering knowledge-sharing and community service.

Day 1: Inauguration and Competitions

The event commenced with an inaugural ceremony graced by the Chief Guest, Mrs. P. Kalyani, Drug Inspector, Rajahmundry Rural. Following the inauguration, students enthusiastically participated in a series of creative and intellectual competitions including leaflet making, model making, essay writing and an idea hackathon.

Day 2: Debate and Art Competitions

The second day featured vibrant debates on current pharmaceutical and healthcare issues as well as art competitions that displayed student’s inventiveness in depicting the theme of “Think Health, Think Pharmacy”.

Day 3: Spell Bee, Pharma Quiz and Medical Camp

The third day focused on intellectual enrichment with a spell bee competition and a pharma quiz. Additionally, a medical camp for local residents was conducted in collaboration with Delta Hospitals providing free health check-ups and consultations.

Day 4: Blood Donation and Health Evaluation Camps

A blood donation camp and a health evaluation camp were organized for staff and students, reinforcing the spirit of community service. The day also featured an elocution competition that encouraged participants to express their insights on healthcare and pharmaceutical topics.

Day 5: Medical Camps and Cultural Events

The fifth day extended the reach of healthcare services to the Madhurapudi village with a dedicated medical camp. On-campus students enjoyed a variety of cultural activities including western dance competitions and a treasure hunt, which added a fun and engaging dimension to the celebrations.

Day 6: Valedictory

The week concluded with a grand valedictory ceremony attended by esteemed Chief Guests Dr. N.S. Rama Rao, Chief Interventional Cardiologist, Delta Hospitals, Rajahmundry and Dr. G. Sumalatha, IPA National Education Division President. The winners of the several competitions that took place throughout the span of the week-long celebrations were declared and presented with certificates and medals.

The National Pharmacy Week celebrations of 2024 were a resounding success, combining academic, cultural and service-oriented activities. The collaborative efforts of IPA Rajahmundry and the associated pharmacy colleges along with the support of Delta Hospitals not only enhanced the skills and knowledge of pharmacy students but also contributed significantly to community welfare.

Smriti College of Pharmaceutical Education, Indore, M.P., India

A glimpse from the event

The 63rd National Pharmacy Week (NPW) was celebrated with great enthusiasm and participation at Smriti College of Pharmaceutical Education, Indore from 17th to 23rd November, 2024. This week-long event was a blend of technical, cultural, professional and sports activities aimed at fostering learning, creativity and camaraderie among students. The event was organized under the leadership of Principal, Dr. Neelesh Malviya.

Technical events: The NPW celebrations commenced with various technical events that showcased the academic excellence of

students. Events like powerpoint presentations, treasure hunts and instrument demonstrations attracted significant participation.

Sports Activities: The sports arena was buzzing with energy as students competed in cricket, volleyball, kabaddi, chess, carrom and the ever-thrilling tug of war. The events were organized to encourage physical fitness and sportsmanship among participants with each match drawing an enthusiastic audience.

Cultural Activities: The cultural segment of NPW brought out the artistic side of students. Activities like Pharma Tattoo, Pharma Painting and Pharma One-Minute Games added a unique pharmaceutical twist to traditional art forms. A fun fair was also organized, which became a crowd-puller creating a vibrant atmosphere on campus.

Professional Activities: Professional events like a flash mob, skit and the Pharmacist's Oath Ceremony highlighted the importance of the pharmacy profession in healthcare. The flash mob and skit held at 'The Hub,' captivated the audience with their engaging performances, delivering powerful messages about the role of pharmacists in society.

Valedictory Ceremony: The week-long celebrations culminated in a grand valedictory ceremony also held at 'The Hub.' Winners and runners-up of all events were recognized and felicitated with certificates and medals. The ceremony was a tribute to the hard work and dedication of the participants, coordinators and faculty members who made the event a grand success.

Kalyani Thombre Shines at BCADD 2024, Moscow, Selected as One of the Best 12 Young Scientists

Ms. Kalyani Thombre, a Research Scholar and Assistant Professor at Smt. Kishoritai Bhoyar College of Pharmacy (SKBCOP), showcased her work from the Pharmaceutical Chemistry Lab at the BCADD 2024: Symposium on Bioinformatics and Computer-Aided Drug Discovery. The event, held online from Moscow, saw Ms. Kalyani recognized as one of the Best 12 Young Scientists, selected from over 200 participants worldwide for her exceptional flash presentation.

The competition took place in two stages. In Stage-1, participants sub-

-mitted e-posters of their research, which were carefully evaluated by a jury, followed by a Q&A session. Ms. Kalyani performed exceptionally well in this round and moved on to Stage-2, where she delivered a concise 5-minute flash presentation. Her presentation received praise as she was the youngest among the selected researchers.

Ms. Kalyani expressed her heartfelt gratitude to Dr. Krishna - Gupta, Head of the Pharmaceutical Chemistry Department at SKBCOP, for his invaluable guidance throughout her research. She also thanked Prof. Milind J. Umekar, Principal of SKBCOP, for providing her with the opportunity to present her work on such a prestigious international platform. Their support and encouragement played a significant role in her success at BCADD 2024.

Dr. B. Madhava Reddy Honoured as Best Academic Pharmacist by IPA Telangana

The Indian Pharmaceutical Association (IPA) Telangana State Branch, in association with SN Vanitha Pharmacy Mahavidyalaya, Hyderabad, celebrated Pharmacist Day on September 25, 2024, with a grand event. Dr. B. Prabhashankar, President of IPA Telangana State Branch, addressed the gathering, highlighting the crucial role of pharmacists in meeting global health needs.

On this occasion, Dr. B. Madhava Reddy, Principal of G. Pulla Reddy College of Pharmacy, was recognized as the Best Academic Pharmacist for his long-standing contributions to academia and was felicitated at the event. Dr. C. Gopala Krishna Murty, former Director of Drug Control Administration (DCA), Andhra Pradesh. He reflected on the efforts made by the DCA during his tenure to advance the pharmaceutical industry in Andhra Pradesh. As a senior pharmacist in Telangana and Andhra Pradesh, he was honoured by all attendees for his long-standing service as the DCA Director.

Expert Lecture on "Basics of Pharmacovigilance" Enlightens Students at Jai Narain College of Pharmacy, Bhopal

Jai Narain College of Pharmacy, Bhopal, organized an expert lecture on "Basics of Pharmacovigilance" on September 23, 2024, for students and faculty members. The session aimed to highlight the importance of pharmacovigilance in ensuring patient safety and public health. The program began with a welcome address by Dr. Dileep Kumar Bharti, Principal of the college, who emphasized the significance of pharmacovigilance

in the pharmaceutical industry. Dr. Diplesh Jain, an expert in the field, delivered an insightful lecture, focusing on the fundamentals of pharmacovigilance and its role in monitoring and preventing adverse effects of medications. He explained the critical need for responsible medication use and highlighted how regular monitoring and reporting can lead to safer drug formulations and reduced risks. Dr. Bharti further stressed the importance of pharmacovigilance in improving patient care and minimizing medication-related harm.

The session concluded with a vote of thanks by Mr. Keshav Das Sahu, who expressed gratitude to Dr. Jain for his valuable insights and the management for supporting the event. Approximately 50 students and faculty members attended the lecture, gaining a deeper understanding of the crucial role of pharmacovigilance in healthcare. The event was a testament to Jai Narain College of Pharmacy's dedication to promoting excellence in pharmaceutical education and fostering awareness about critical healthcare practices.

World Pharmacist Day celebrated at G. Pulla Reddy College of Pharmacy

G. Pulla Reddy College of Pharmacy celebrated the World Pharmacist Day on 25th September 2024. Mr Mohith S, Proprietor, GP Medicals and is also an alumni of this college was the chief guest of this function. Dr. B. Madhava Reddy, Principal, in his welcome address told the importance of pharmacists in meeting the global health needs. He urged the students to follow the morals & ethics in their career as a pharmacist. Mr. Mohith S signified the role of community & retail pharmacist in promoting the pharmacy services. He said that the community pharmacists play a major role in meeting global health needs and there are a lot of opportunities in retail pharmacy. The faculty also spoke on this occasion. Mr. Mohith S, distinguished alumni, who is running the retail pharmacies was felicitated on this occasion. The program was attended by about 100 participants of B. Pharm, Pharm. D & M. Pharm and respected faculty members. The program was coordinated by Dr. N. R. Babu.

International Conference on Genetic Diversity and Genome Sequencing

Shri Vishnu College of Pharmacy

Shri Vishnu College of Pharmacy, Bhimavaram hosted a two-day International Conference on Genetic Diversity and Genome Sequencing on July 25th and 26th, 2024. The conference featured lectures by Dr. Yukio Nagano, Associate Professor at the Centre for Analytical Research and Development, Saga University, Japan, and Dr. Raju Aedla, Dean of SVES, focusing on genetic diversity and genome sequencing.

Dr. Yukio Nagano explained the distinctions between DNA, genes, and genomes and explored various sequencing technologies such as Illumina and Nanopore. He also elaborated on the concept of genetic diversity using data from various edible and medicinal plants. Additionally, he discussed the importance of taxonomic relationships among medicinal and useful plants in pharmaceutical and biomedical sciences. Dr. Raju Aedla discussed the role of satellite imaging and other AI tools in enhancing our understanding of plant characteristics.

Hands-on Training on Experimental Techniques in Herbal Drugs Evaluation

G. Pulla Reddy College of Pharmacy

G. Pulla Reddy College of Pharmacy organized a five-day training program for second-year students of Dr. BRKR

Govt. Ayurvedic College from 30th July to 3rd August 2024, on the topic "Experimental Techniques in Herbal Drugs Evaluation". In this program, experiments required for them are demonstrated by teaching staff of the Department of Pharmacognosy, Department of Pharmaceutics, and Department of Pharmacology. The students were exposed to different techniques of evaluation of crude drugs and herbal formulations, different process parameters of tablet manufacturing & evaluation, and procedures involved in ~~animal studies on rats & mice. Fifty students along with two~~ staff members (Dr. Vishwanath & Dr. Gayathri, Department of Dravyaguna) attended the program. Dr. B. Veeresh, Dr. K. Latha, Dr. R. Padmavathi, Dr. D. Prasanthi, Dr. A. Lalitha Devi, Dr. Naseeb Basha Shaik, Dr. P. Ravi Kumar and Mr. Y. Srihari demonstrated the experiments as resource persons. Dr. B. Veeresh, Professor, Department of Pharmacology coordinated the program. In the valedictory session, the Principal highlighted the importance of the Ayurvedic system of medicine in treating various ailments and the need of proper evaluation of the herbal drugs for required efficacy and safety. All the students appreciated the program in their feedback. Chairman of the college Sri. P. Subbareddy distributed certificates to all resource persons and the principal & staff members distributed the participation certificates to students. Prof. Veeresh B concluded the program with a vote of thanks.

Celebration of World Hepatitis Day

Amar Shaheed Baba Ajit Singh Jujhar Singh Memorial College of Pharmacy

The Amar Shaheed Baba Ajit Singh Jujhar Singh Memorial College of Pharmacy (Autonomous), celebrated World Hepatitis Day on July 29, to mark the birth anniversary of Dr. Blumberg Baruch, a Nobel-prize winning scientist who discovered the disease and Hepatitis B virus in 1967. He developed a blood test for the disease and a vaccine for the virus in 1969 with his team. The event was organized by the Care 'n' Cure Club under the guidance of Dr. Satnam Singh, the club coordinator. The Hepatitis Day event not only highlighted the importance of hepatitis awareness but also fostered a sense of community collaboration among students and faculty.

A highlight of the event was the poster presentation competition, where students of Pharmacy and Paramedical showcased their knowledge and creativity about hepatitis awareness and prevention. More than 80 students participated

HPLC P-Series Training Program at DY Patil Deemed to be University, Navi Mumbai

The School of Pharmacy at DY Patil Deemed to be University, Navi Mumbai, organized a specialized training program for its staff members, focusing on the HPLC P-Series. The training was conducted by Mrs. Manashi Dutta, a Work Flow Specialist from SPINCO BIOTECH, and saw active participation from 21 staff members.

The session provided comprehensive training on the HPLC P-Series model, covering both hardware and software aspects. Mrs. Dutta addressed various questions raised by the participants, offering valuable insights and clarifications. The interactive nature of the program enhanced the staff's understanding, ensuring they are well-prepared to apply this knowledge in their respective roles.

This event not only contributed to the professional development of the staff but also fostered a collaborative learning environment, thereby strengthening the expertise within the School of Pharmacy at DY Patil Deemed to be University.

10th International Yoga Day Celebrated at G. Pulla Reddy College of Pharmacy, Hyderabad

G. Pulla Reddy College of Pharmacy, Hyderabad, marked the 10th International Yoga Day on June 21, 2024, with the theme "Yoga for Self and Society." Dr. B. Veeresh, a college professor, introduced yoga instructor Mr. K. Ramesh, an IT professional from Cognizant Technology Solutions and yoga practitioner from Sahaja Yoga Dhyan Kendra.

Mr. Ramesh emphasized the benefits of daily yoga for health and well-being and led practical demonstrations of meditation techniques. All 150 participants, including students and staff, actively engaged in the session.

The event was coordinated by Dr. P. Ravikumar and Mrs. K. Archana Reddy, ensuring a successful celebration of International Yoga Day.

Training program on "Experimental Techniques in Herbal Drug Evaluation" conducted by G. Pulla Reddy College of Pharmacy

G.Pulla Reddy College of Pharmacy organised a five day training program for second year students of Dr. BRKR Govt. Ayurvedic College from 30th July to 3rd August, 2024, on the topic "Experimental Techniques in Herbal Drugs Evaluation". In this program, the experiments required for the students were demonstrated by the teaching staff of Department of Pharmacognosy, Department of Pharmaceutics and Pharmacology. The students were exposed to techniques

of evaluation of crude drugs and herbal formulations, different process parameters of tablet manufacturing along with their evaluation and procedures involved in animal studies on rats & mice. Dr.B.Veeresh, Dr. K.Latha, Dr. R.Padmavathi, Dr. D.Prasanthi, Dr.A.Lalitha Devi, Dr. Naseeb Basha Shaik, Dr.P.Ravi Kumar and Mr.Y.Srihari demonstrated the experiments as resource persons. Dr. B.Veeresh, Professor, Department of Pharmacology coordinated the program. In the valedictory session, the principal of the college highlighted the importance of Ayurvedic system of medicine in treating various ailments and the need of proper evaluation of the herbal drugs for required efficacy and safety. The students appreciated the program in their feedback. Chairman of the college Sri.P.Subbareddy distributed certificates to the resource people. The principal & staff members distributed the participation certificates to students. Prof. Veeresh B, concluded the programme by proposing a vote of thanks.

COPBELA and PGIMER, Chandigarh Join Hands to Promote Pharmacovigilance and ADR Reporting Awareness

From September 17th to 23rd, 2024, Bela college of pharmacy in collaboration with PGIMER, Chandigarh, successfully observed the 4th National Pharmacovigilance Week. The initiative, under the theme 'Building ADR Reporting Culture for Patient Safety', aimed to boost awareness among healthcare professionals and the public about the importance of Pharmacovigilance and Adverse Drug Reaction (ADR) reporting. On September 23, 2024, an online seminar

was conducted, where PGIMER's experts Prof. Bikash Medhi and Dr. Ajay Prakash highlighted the significance of monitoring drug and medical device safety under the 'Pharmacovigilance and Materiovigilance Programs of India'. Dr. A.S. Kushwah, Professor and Head of Pharmacology, along with Dr. Rahul Kumar Sharma and the faculty team, led the event, emphasizing the necessity of fostering a strong ADR reporting culture within the healthcare sector. Prof. (Dr.) Shailesh Sharma, Director of Bela College of Pharmacy and Convener of the seminar, appreciated the collaboration with PGIMER.

COPBELA Celebrated World Hepatitis Day

The Amar Shaheed Baba Ajit Singh Jujhar Singh Memorial College of Pharmacy (Autonomous) celebrated World Hepatitis Day on July 29, marking the birth anniversary of Dr. Baruch Blumberg, the Nobel Prize-winning scientist who discovered the Hepatitis B virus in 1967. Dr. Blumberg also developed a blood test for the disease and created a vaccine in 1969 with his team. The event was organized by the

Care 'n' Cure Club under the guidance of Dr. Satnam Singh, the club's coordinator. It emphasized the importance of hepatitis awareness and promoted community collaboration among students and faculty. One of the key highlights was poster presentation competition, where students from Pharmacy and Paramedical departments showcased their knowledge and creativity on hepatitis awareness and prevention where over 80 students participated. The winners were

Ishwarpreet Kaur (B. Pharmacy, 7th Sem) in first place, Rajwinder Kaur (5th Sem) in second, and Parneet Kaur (B.Sc. MLS) in third. The event was well-organized by Dr. Navjot Kaur, Ms. Navjit Kaur, Ms. Ramandeep Kaur, Harpreet Kaur (MLS), Ms. Jaspreet Kaur, and Ms. Ravleen Kaur. Dr. Shailesh Sharma, Director of the college, congratulated the winners and highlighted the importance of raising global awareness about hepatitis, which affects millions worldwide. He emphasized the college's role in educating and empowering future healthcare professionals to address global health challenges. He also praised the members and participants for their hard work in making the event a success. Ms. Ravinder Kaur, a club member, thanked the participants, faculty, volunteers and all club members for their efforts in ensuring the event's success.

Independence Day Celebrated at G. Pulla Reddy College of Pharmacy

G. Pulla Reddy College of Pharmacy organised 78 th Independence Day celebration on 15th August, 2024 in the college campus with a great patriotic sprit. The principal Dr. B. Madhava Reddy, hoisted the national flag and addressed the gathering. He highlighted the sacrifices of the freedom fighters, the developments of the country after

independence in different fields like Technology, Pharmaceutical sciences etc. The other staff remembered the contribution of freedom fighters in their message. As a part of Independence Day various competitions like Essay writing, Theme painting and Story telling were organised and prizes were presented to all the winners. Certificates were distributed to all the participants. The program was coordinated by Dr. N. Raghavendra Babu, Associate Professor.

Students of G. Pulla Reddy College of Pharmacy secured third place in National Quiz Competition held at Panipat

Indian Pharmaceutical Association's Education Division conducted the National Quiz competition in association with IPA-Andhra Pradesh state branch. The preliminary round was conducted online on 30 th March 2024. A team of three students of G. Pulla Reddy College of Pharmacy, **Mr. Sharath Kumar Goud**, **Mr. Govindaraju Sairam Aakarsh** (B.Pharm VIII sem) and **Ms. Hruthika Gangadhar** (Pharm D V year) participated and they got selected for the semifinal round. The semifinal round was conducted on 3rd of April 2024 through an online meeting platform zoom and the college team was selected for the final round. The team bagged third place in the final round conducted in an offline mode, at Panipat Institute of Engineering & Technology, Haryana on 12th of April 2024. The team's selection and participation were coordinated by functions and events in-charges **Dr. P. Ravi Kumar**, Associate Professor and **Mrs. K. Archana Reddy**, Assistant Professor. The management & staff appreciated the efforts of the team members in winning the prize.

Smt. Kishoritai Bhoyar College of Pharmacy Secures Prestigious Research Grant from RTM Nagpur University

Smt. Kishoritai Bhoyar College of Pharmacy, Kamptee, is delighted to announce a significant achievement in pharmaceutical research. The college's principal, **Prof. Milind Umekar**, along with esteemed faculty members **Dr. Krishna Gupta**, **Dr. Jayshree Taksande**, Co-investigator **Brijesh Taksande**, and **Dr. Sushil Burle**, has been awarded a research grant from **Rashtrasant Tukadoji Maharaj (RTM) Nagpur University**. This prestigious grant is a testament to the college's dedication to advancing pharmaceutical sciences and fostering a strong research environment.

Their dedication and hard work continue to inspire and elevate the institution to new heights. As the college embarks on this new research endeavour, it look forward to the innovative findings and contributions that will emerge, further solidifying its position as a leader in pharmaceutical education and research. Team SKB congratulates all the research grant receivers.

Farewell to B. Pharm (Practice) First Batch at NETES Institute of Pharmaceutical Science, Mirza, Assam

NETES Institute of Pharmaceutical Science has started Bachelor of Pharmacy (Practice) course from the academic session 2022-2023 with an intake capacity of 40 students. B.Pharm (Practice) curriculum is approved by the Pharmacy Council of India and affiliated with Assam Science and Technology University, Guwahati.

The farewell for the first batch of B.Pharm (Practice) was held on 29th June, 2024 at NEMCARE Group of Institutions campus which marked the successful completion of the course for the first batch. The Farewell program was commenced with an Introductory speech by **Dr. Bhargab Jyoti Sahariah**, Principal of the institution followed by the speech from **Mrs. Sukirti Das**, Professor at NEMCARE Group of Institutions and Central Council member at Pharmacy Council of India. The outgoing students also shared their experiences of two years of learning from the course curriculum. The student experience featured the explanation for the importance of benefits from the case study presentation and the need for this course for pharmacists by **Mr. Dilip Kumar Mali**, a 58 years student (former student from 1st Batch of D.Pharm from Institute of Pharmacy, Guwahati Medical College). The farewell program was concluded with a vote of thanks from Mr. Muslek Uddin Mazumder, Assistant Professor at NEMCARE Group of Institutions followed by Lunch. The teaching fraternity of NEMCARE Group of Institutions feels proud of the inclusion of these pharmacists as a part of its family.

International Yoga Day Celebrated at G. Pulla Reddy College of Pharmacy, Hyderabad

G. Pulla Reddy College of Pharmacy, Hyderabad celebrated the 10th International Yoga Day on 21st June, 2024. The theme of the event was "Yoga for Self and Society". The program was initiated by **Dr. B. Veeresh**, Professor, G. Pulla Reddy College of Pharmacy by introducing the yoga instructor **Mr. K. Ramesh**, IT professional, Cognizant Technology Solutions and Yoga Practitioner in Sahaja Yoga Dhyana Kendra, Hyderabad. He spoke about the importance of yoga in daily life for good health and instructed meditation techniques. Various methods of meditation were performed by all the participants. About 150 students and teaching staff members actively participated in the Yoga Day celebration. **Dr. P. Ravikumar**, Associate Professor and **Mrs. K Archana Reddy**, Asst. Professor co-ordinated the Yoga Day celebrations.

World Environment Day Celebration

Amar Shaheed Baba Ajit Singh Jujhar Singh Memorial (AUTONOMOUS) College of Pharmacy, Bela commemorated World Environment Day in a collaborative effort with Red Ribbon Club and Rotaract Club. The faculty members and club students actively participated in planting saplings. Principal, Dr Satwant Kaur Shahi highlighted the significance of tree plantation. The initiative aimed to instill a sense of environmental consciousness and collective action among the college community toward fostering a sustainable future.

Bharati Vidyapeeth College of Pharmacy Campus Drive by Unichem Laboratories

National Science Day 2024 Celebration

G.Pulla Reddy College of Pharmacy

G.Pulla Reddy College of Pharmacy celebrated National Science Day on 27th and 28th February, 2024 with the theme 'Indigenous Technologies for Viksit Bharat'. On the first day of celebrations, video presentation competitions were conducted in the college. Students of various pharmacy colleges around Hyderabad participated in the competition enthusiastically and presented different indigenous technological developments not only in the field of health but also in other fields. On the second day of the programme, experimental demonstrations of different subjects were conducted. About 450 students of secondary standard from nearby schools visited the demonstrations and learnt about principles and technology of pharmaceutical products. The programme was coordinated by the Principal, staff and Institutional Innovation Council of the college. Undergraduate, postgraduate and research students demonstrated the experiments and extended their participation as volunteers.

Hands-On Training Session for Animal Handling

Annamacharya College of Pharmacy

Hands-on training session on Laboratory Animals Handling for both third year B.Pharm and Pharm.D students in Annamacharya College of Pharmacy, New Boyanapalli, Rajampet, Annamaya Dist., A.P., India was conducted by the faculty of Pharmacology Department. The students were trained on handling rats during experimental procedures concerning routes of administration. Around 120 students were trained for good handling of animals. The Secretary, Dr. C. Gangi Reddy, Sri C. Yella Reddy, Vice Chairman, Annamacharya Educational Trust, Treasurer Sri. C. Abhishek Reddy and Chairman, Dr. C Ramachandra Reddy, Dr. D. Swarnalatha, Principal, ANCP appreciated the above program.

Industrial Visit at Indian Institute of Science Education and Research

Annamacharya College of Pharmacy

The undergraduate students of Annamacharya College of Pharmacy visited the Indian Institute of Science Education And Research, Tirupati for an integral exposure on science tour and visit. The students were well exposed to physics and biology laboratories for DNA and RNA isolation experiments. The students visited the scientific expo and gained knowledge of new research on development of airplane wings. Mrs. B. Nirmala Devi, Associate Professor, Department of Pharmacognosy, Mr. V. Chinni Krishnaiah, Associate Professor, Department of Pharmacology and student team participated in the science expo. The Secretary, Dr. C. Gangi Reddy, Sri C Yella Reddy, Vice Chairman, Annamacharya Educational Trust, Treasurer Sri. C. Abhishek Reddy and Chairman, Dr. C Ramachandra Reddy, Dr D. Swarnalatha, Principal, ANCP appreciated the outcomes of the visit.

IIT Ropar Celebrates International Women's Day

Amar Shaheed Baba Ajit Singh Jujahr Singh Memorial College of Pharmacy

Students from Amar Shaheed Baba Ajit Singh Jujahr Singh Memorial College of Pharmacy (Autonomous), Bela showcased their talent and creativity at the recent competitions held at the prestigious Indian Institute of Technology (IIT) Ropar in the celebration of International Women's Day. Engaging in a series of competitions including rangoli, slogan and poster making, the students demonstrated their artistic prowess and commitment to promoting gender equality and women's empowerment. Under the guidance of the college's director, Dr. Shailesh Sharma, the students actively participated and secured notable positions in the competitions. Their commendable performance at IIT Ropar is a testament to the

Increasing Opportunities for Women in Science: Seminar by Charak School of Pharmacy, Meerut

A One Day Seminar Celebrating International Day for Women in Science was organized by **Charak School of Pharmacy, Ch. Charan Singh University Meerut** on 12th February 2024. Academicians from India and abroad participated in the seminar and shared information on the increasing opportunities for women in the field of pharmacy. **Prof. Vibhu Sahni** (UP State Nominee, Pharmacy Council of India & Dean, Faculty of Pharmacy) encouraged for the successful organization of the seminar. Chief Guest of the seminar **Prof. Kamla Pathak**, Dean, Faculty of Pharmacy, UPUMS, Saifai shared information on career opportunities in patient health care, internship and encouraged the delegates to contribute significantly in the research areas as per their interests. **Dr. Prachi Pradeep**, Scientific Officer from BFA, Germany, shared her career

journey and about the need of more women role models to motivate students to overcome their conservative thinking. **Dr. Pushpendra Kumar**, Founder Dr. PK Classes, shared information about MKJMB (Work from Anywhere) and LHC. **Dr. Pranati Srivastava** (Asst. Prof. Lucknow University) explained the options available for women for re-entry into research after career break. **Dr. Saroj Verma** (Assoc. Prof. KR Mangalam University) shared case studies on target based drug design. **Prof. Ravinesh Mishra** (BUEST, Baddi) diagnosed the obstacles encountered during professional career and motivated the young minds to move ahead. **Dr. Manu Sharma** from Banasthali Vidyapeeth highlighted the significant contribution of women researchers in health sciences. Honourable Vice Chancellor of Ch. Charan Singh University, **Prof. Sangeeta Shukla** and Director of Charak School of Pharmacy, **Prof. Shailendra Sharma** congratulated the pharmacy team for successful organization of seminar. Convener of the seminar **Dr. Vaishali Patil** (Principal- Pharmacy) acknowledged the support and participation of all the guest speakers, delegates and organizing committee members. Mr. Rajan Kaushik moderated the program with technical support from **Mr. Himanshu Aggarwal** and **Dr. Bhumika Chaudhary** proposed vote of thanks.

Guest Lecture organized by G. Pulla Reddy College of Pharmacy on World Cancer Day

The health awareness club of Department of Pharmacy Practice, **G. Pulla Reddy College of Pharmacy** conducted a guest lecture on the account of **World Cancer Day** which was on 4th February, 2024. The speaker was **Dr. Nindra Armugam**, MD, RT, MBBS, Head of Oncology and Chief Radiation Oncologist at Continental Hospitals, Gachibowli, Hyderabad. The speaker delivered a lecture on Recent Advances in Cancer Management on the theme '**Close the Care Gap : Everyone Deserves Access to Cancer Care**'. About 120 students and teaching staff attended the program. The event was coordinated by **Mrs. Gouhar Sultana** and **Mrs. K. Archana Reddy**, both designated as Assistant Professors at Department of Pharmacy Practice.

SKBCOP, Kamptee and APTI Women's Forum Western Zone organized Dental Checkup Camp in association with Ranjeet Deshmukh Dental and Research Centre, Nagpur

APTI Women's Forum Western Zone and NSS Unit, **Smt. Kishoritai Bhojar College of Pharmacy, Kamptee** organised a Mega Dental Checkup and Treatment Camp at village Gada, in Association with **Ranjeet Deshmukh Dental College and Research Centre, Nagpur**, as a part of celebration of International Women's Day and National Periodontics Day on Thursday 14th March 2024. This event successfully provided oral health check-ups and treatments to approximately 70 villagers.

The program commenced with an inaugural ceremony in the presence of **Dr. Milind Umekar**; Principal of Smt. Kishoritai Bhojar College of Pharmacy, Kamptee & APTI President (National). As a representative of APTI Women Forum **Dr. Rashmi Trivedi**, Dean Training and Placement cell SKBCOP Kamptee graced the event. Faculty members **Dr. Neha Raut**, **Mr. Dhiraj Dabhade** and **Ms. Diksha Undirwade** were also present. NSS Officers **Mr. Mayur Kale** and **Ms. Supriya Shidhaye** coordinated the event. The dental check-up and treatment initiative was spearheaded by a dedicated team of professionals.

The oral health check-up process identified individuals in need of immediate treatment, who were subsequently provided with care through the utilization of a Mobile Dental Unit. This collaborative effort between the two institutions underscored the significance of maintaining good oral hygiene and overall dental health. The Department of Periodontics and Implant Dentistry, along with Public Health Dentistry, remains committed to fostering awareness about oral hygiene and providing accessible dental care to the community. This event exemplified dedication of Smt. Kishoritai Bhojar College of Pharmacy, Kamptee in promoting dental health and well-being among the participants.

G. Pulla Reddy College of Pharmacy celebrated National Pharmacy Education Day-2024

G. Pulla Reddy College of Pharmacy conducted National Pharmacy Education Day-2024 on 6th March 2024, birthday of **Dr. Mahadeva Lal Shroff** who is considered as Father of Pharmacy Education in India. The theme of the programme was 'LEVERAGING SYNERGISM: INDUSTRY ACADEMIA PARTNERSHIP FOR IMPROVEMENT OF NATIONAL EDUCATION POLICY' as per the guidelines given by Pharmacy Council of India (PCI). **Dr. B. Madhava Reddy**, Principal of the college addressed the gathering about the greatness of **Dr. Mahadeva Lal Shroff** in establishing the pharmacy education system in India. **Ms. Archana**, Assistant Professor, presented a video on the life history of **Dr. M. L. Shroff**. **Dr. P. Ravi Kumar**, Associate Professor explained the highlights of National education Policy-2020. About 350 students of M.Pharm and Ph.D attended and learnt about the new education policy.

Led by Convenor Dr. Ankur Gera and Coordinators Ms. Pragya Srivastava and Mr. Vivekanand Prajapati, the organizing team orchestrated a seamless event. Over 300 B. Pharm, M. Pharm, and Pharm.D. students, along with 80 teachers, participated in Pharma Anveshan, each receiving a certificate.

The success of this webinar underscores the collective commitment of academia and the pharmaceutical industry to elevate pharmacy education, fostering innovation, collaboration, and excellence in alignment with national objectives and global standards.

PG. Pulla Reddy College of Pharmacy Commemorates NATIONAL PHARMACY EDUCATION DAY-2024

On March 6th, 2024, G. Pulla Reddy College of Pharmacy observed the National Pharmacy Education Day-2024, coinciding with the 122nd birth anniversary of Dr. Mahadeva Lal Shroff, revered as the Father of Pharmacy Education in India. This event, known as Pharma Anveshan-2024, aimed to honor Dr. Shroff's legacy and advance pharmacy education in the country.

Under the theme "LEVERAGING SYNERGISM: INDUSTRY-ACADEMIA PARTNERSHIP FOR IMPROVEMENT OF NATIONAL EDUCATION POLICY," aligned with the guidelines set forth by the Pharmacy Council of India (PCI), the program unfolded with great enthusiasm.

Dr. B. Madhava Reddy, Principal of the college, enlightened the audience about Dr. Shroff's pivotal role in shaping pharmacy education in India, emphasizing his immense contribution. Ms. Archana, Assistant Professor, presented a touching video encapsulating the life and achievements of Dr. M.L. Shroff, further honoring his memory.

Dr. P. Ravi Kumar, Associate Professor, elucidated the key highlights of the National Education Policy-2020, fostering an understanding among the 350 attendees comprising Pharm D, M.Pharm, and Pharm D students.

The event served as a platform for students to delve into the intricacies of the new education policy, enhancing their knowledge and understanding of its implications.

G. Pulla Reddy College of Pharmacy remains committed to advancing pharmacy education in line with national objectives and industry standards, ensuring a brighter future for aspiring pharmacists.

with the SAS team, sponsored by Centrient Pharmaceuticals. Over 160 students actively participated in the event.

The workshop included sessions on learning from case studies to resist resistance with a practical focus. A unique group activity titled 'Be a Superhero against Superbug' engaged participants in a hands-on approach to tackle the challenges posed by AMR. The workshop's success was attributed to the facilitation by esteemed professionals, including Dr. Sarah Hyder Iqbal and Dr. Somdatta Karak, along with Khushi Goel from the SAS team. Dr. Shailesh Sharma, Director of the college, demonstrated a commitment to fostering educational initiatives and addressing critical issues in pharmacy. Program Coordinator Dr. Rahul Kumar Sharma likely played a key role in ensuring the event's smooth logistical details and overall coordination. Dr. Shailesh Sharma expressed gratitude to the experts, SAS team members, and participants, reinforcing the college's commitment to providing quality education and raising awareness of critical issues within the pharmaceutical field.

National Pharmacy Education Day Celebration School of Pharmacy

Techno India University

School of Pharmacy, Techno India University, Kolkata, West Bengal organized a one day program on National Pharmacy Education Day celebrating the birth anniversary of the 'Father of Pharmacy Education in India' Shri Mahadeva Lal Schroff on 6th March, 2024. The program was inaugurated by lighting of lamp by dignitaries and faculties & inaugural vandana with welcome address by Prof. Dr. Rina Paladhi, Director, Techno India University, WB & by Prof. Dr. Beduin Mahanti, Director, School of Pharmacy, Techno India University, WB. A pharmaceutical quiz was organized for undergraduate & postgraduate students under the joint venture of Prof. Dr. Gopa Roy Biswas and Ms. Sancharee Mondal. Around 100 students participated in the session. Vote of thanks was delivered by Dr. Sattwik Das.

International Women's Day 2024 Celebration

G.Pulla Reddy College of Pharmacy

G.Pulla Reddy College of Pharmacy celebrated International Women's Day on 11th March, 2024. The Principal of the college Dr. B. Madhava Reddy, in his speech, appreciated the contributions of

women in different fields in the modern era. He also praised the role of women in the highest management positions in various sectors, which he considered as a remarkable achievement in the growth of the country. Dr. P. Ravi Kumar, Associate Professor spoke about the services, contributions and sacrifices of women with a specific emphasis on their role in building the society.

World Cancer Day- Guest Lecture

G.Pulla Reddy College of Pharmacy

Health Awareness Club, Department of Pharmacy Practice, G. Pulla Reddy College of Pharmacy conducted a guest lecture on the topic 'Recent Advances in Cancer Management' on 4th February, 2024 on the occasion of World Cancer Day with the theme 'Close the Care Gap: Everyone Deserves Access to Cancer Care'. The speaker was Dr. Nindra Armugam (MD, RT, MBBS), Head of Oncology & Chief Radiation Oncologist, Continental Hospitals, Gachibowli, Hyderabad. About 120 students and teaching staff attended the program. The program was co-ordinated by Mrs. Gouhar Sultana and Mrs. K. Archana Reddy, Assistant Professors, Department of Pharmacy Practice.

Celebration of Pharma Anveshan, 2024

G.Pulla Reddy College of Pharmacy

G. Pulla Reddy College of Pharmacy celebrated National Pharmacy Education Day-2024 on 6th March, 2024, on the birth anniversary of Dr. Mahadeva Lal Shroff who is considered as the 'Father of Pharmacy Education' in India. The theme of the programme was 'Leveraging Synergism: Industry Academia Partnership For Improvement Of National Education Policy' as per the guidelines given by Pharmacy Council of India (PCI). Dr. B.Madhava Reddy, Principal of the college addressed the gathering about the greatness of Dr. Mahadeva Lal Shroff in establishing the pharmacy education system in India. Ms. Archana, Assistant Professor and Dr. P. Ravi Kumar, Associate Professor provided valuable information relevant to the occasion and the theme. About 350 students of Pharm D and M.Pharm attended and learnt about the new education policy.

COPBELA organized a workshop on antimicrobial resistance

Amar Shaheed Baba Ajit Singh Jujhar Singh Memorial College of Pharmacy, BELA recently organized a successful one-day workshop on Antimicrobial Resistance (AMR) in collaboration with the SAS team, sponsored by Centrient Pharmaceuticals. Over 160 students actively participated in the event.

The workshop included sessions on learning from case studies to resist resistance, with a practical focus. A unique group activity titled "Be a Superhero against Superbug" engaged participants in a hands-on approach to tackle the challenges posed by AMR.

The workshop's success was attributed to the facilitation by esteemed professionals, including Dr. Sarah Hyder Iqbal and Dr. Somdatta Karak, along with Khushi Goel from the SAS team. Dr. Shailesh Sharma, the college's director, demonstrated a commitment to fostering educational initiatives and addressing critical issues in pharmacy. Program Coordinator Dr. Rahul Kumar Sharma likely played a key role in ensuring the event's smooth logistical details and overall coordination.

Dr. Shailesh Sharma expressed gratitude to the experts, SAS team members, and participants, reinforcing the college's commitment to providing quality education and raising awareness of critical issues within the pharmaceutical field.

Road Safety Awareness Program at G. Pulla Reddy College of Pharmacy

G.Pulla Reddy College of Pharmacy organized a road safety awareness program for the students on 30th January, in association with Nehru Yuva Kendra Sangathan and Traffic Police department, Begumpet, Hyderabad. On this occasion, **Mr. Shankar Raju**, Assistant Commissioner of Police(ACP), Traffic Training Institute, Begumpet, delivered a power point presentation about the traffic rules, regulations & sections related to all types of accidents and violations on the road. She also stressed upon the importance of road safety awareness among

today's youth. **Dr.B.Madhava Reddy**, Principal of the college also addressed the students and staff to recognize the significance of road safety and to follow the rules.The people on the roads enquired about the program and appreciated the students. **Mr. Ram Chandra Nayak**, Inspector (traffic), Asif Nagar also participated in the program. The entire program coordinated by Mrs. Gouhar Sultana, Assistant Professor, Pharm D and Functions & events in-charges of the college Mrs.K. Archana Reddy and Dr.P.Ravi Kumar.

Guest Lecture on “Pharmacoeconomics: The Money Behind Medicine - A Prescription for Future Pharmacist”

Dr. D. Y. Patil University School of Pharmacy, Navi Mumbai organized a thought-provoking guest lecture on **"Pharmacoeconomics: The Money Behind Medicine - A Prescription for Future Pharmacists."** The event, held on November 4th, 2023, featured **Dr. Roshan Palewar, CEO of DocRosh Global Solutions**, as the distinguished speaker. **Ms. Suhani Bonawate**, serving as the event's host, welcomed **Dr. Palewar**, who engaged the students in an interactive session introducing the intricate world of pharmacoeconomics.

The lecture delved into the value of pharmacoeconomics, methods of analysis, and its crucial role in shaping the pharmaceutical landscape. Dr. Vivek Mallurwar, expressing gratitude for the enlightening session, felicitated Dr. Roshan Palewar with a Certificate of Appreciation as a token of love and recognition. The session concluded on a high note with a vote of thanks delivered by Ms. Suhani Bonawate, highlighting the enriching experience shared by all participants. To gauge the impact and gather insights, feedback from attendees was collected through a Google form. The initiative was skillfully coordinated by Mrs. Jeeja Pananchery, Assistant Professor at DYPUSOP, Navi Mumbai, ensuring the success of this informative and engaging guest lecture. The event left students with a deeper understanding of pharmacoeconomics, paving the way for future pharmacists to navigate the complex intersection of medicine and economics.

Republic Day Celebration at G.Pulla Reddy College of Pharmacy

G.Pulla Reddy College of Pharmacy resonated with patriotic spirit as it celebrated Republic Day on January 26, 2024, within the college premises. The tricolor flag was ceremoniously hoisted by **Dr. B. Madhava Reddy**, the principal, who also addressed the gathered audience. Dr. Reddy underscored the significance of Republic Day, emphasizing pivotal milestones in Indian history across diverse sectors. From noteworthy achievements in space research to groundbreaking strides

in medicine and biotechnology, including the development of the COVID-19 vaccine, he painted a comprehensive picture of India's progress. The principal also highlighted advancements in technology, infrastructure development, and various fields since the country attained republic status. Encouraging students to be active contributors to society, Dr. Reddy urged them to observe, participate, and contribute to the well-being and development of the community. The program saw students sharing their perspectives on constitutional rules and regulations. The event witnessed the enthusiastic participation of both teaching and non-teaching staff, along with students, coming together to commemorate the essence of Republic Day and reflect on the nation's journey towards growth and development.

Dr. Sarvan Kumr G awarded Ph.D

In December 2023, **Mr. Sarvan Kumr G**, an Assistant Professor in the Department of Pharmacology at G. Pulla Reddy College of Pharmacy, Hyderabad, Telangana, was conferred with a Doctor of Philosophy (Ph.D.) degree in the Department of Pharmacy from Koneru Lakshmaiah education foundation, Deemed to be University, Vijayawada, Andhra Pradesh. His research, titled a "Investigation of Antiplatelet, Antithrombotic and Thrombolytic activity of

leaves of Terminalia pallida Brandis and Plumbago zeylanica L" was conducted under the guidance of **Dr. M. Narender**, Assistant Professor at the KL College of Pharmacy, KL University, Vijayawada. With 13 years of teaching experience, **Mr. Sarvan Kumr G** has published 17 research articles in various national and international peer-reviewed journals. Additionally, he has actively participated in and presented research papers at numerous national and international conferences, and he has successfully guided one M. Pharmacy thesis project and 20 B. Pharmacy thesis projects.

Dr. Neha Raut earns Ph.D in Pharmaceutical Science

Neha Suresh Rao Raut has achieved a significant academic milestone by obtaining her PhD in Pharmaceutical Science. Her journey began on October 26, 2018, when she registered at **Smt. Kishoritai Bhojar College of Pharmacy in Kamptee**, Nagpur, under the faculty of Science and Technology. After dedicated research, Neha Raut successfully defended her thesis titled "**Studies on Biofunctionalized Metallic Nanoparticles of Some Antibacterials Against Multidrug-Resistant Microorganisms**" on August 17, 2023. Under the guidance of **Dr. Milind J. Umekar**, Professor at Smt. Kishoritai Bhojar College of Pharmacy, Kamptee, Nagpur, Raut's work has showcased innovative approaches to combatting

multidrug-resistant microorganisms using biofunctionalized metallic nanoparticles. This achievement marks a significant contribution to the field of pharmaceutical science, with potential implications for addressing antibiotic resistance. Raut's dedication and scholarly pursuit serve as an inspiration to fellow researchers and scholars in the field.

ఘనంగా నేషనల్ సైన్స్ డే ఉత్సవాలు

పుల్లారెడ్డి ఫార్మసీ కళాశాలలో..

(మెహిదీపట్నం జోన్ బృందం) : గండిపేటలోని మహాత్మాగాంధీ ఇనిస్టిట్యూట్ ఆఫ్ టెక్నాలజీలో బుధవారం జాతీయ సైన్స్ దినోత్సవం నిర్వహించారు. ఈ కార్యక్రమానికి ముఖ్య అతిథిగా ప్రొఫెసర్ ఆశోక్ కుమార్ సింగ్ హాజరయ్యారు. ఈ సందర్భంగా ఆయన మాట్లాడుతూ విద్యార్థులు సైన్స్లో నైపుణ్యం సాధించాలని సూచించారు. సైన్స్లో ఎంతో జ్ఞానం ఇమిడి ఉందని, విద్యార్థులు సైన్స్ వైపు ఆసక్తి గలవారిని సూచించారు. నిత్య జీవితంలో విద్యార్థులకు సైన్స్ అవశ్యకతను వివరించారు. కార్యక్రమంలో విద్యార్థులు, ఉపాధ్యాయులు పెద్ద సంఖ్యలో పాల్గొన్నారు.

Amar Shaheed Baba Ajit Singh Jujhar Singh Memorial (Autonomous) College of Pharmacy

Dr. Shailesh Sharma & Dr. Neelam Sharma were appointed as BoS Member (Pharmacy) by IKG Punjab Technical University.

Dr. Shailesh Sharma was appointed as Member of the Board of Studies by IKG Punjab Technical University. Dr. Shailesh Sharma has been nominated as a member for the second time by IKG Punjab Technical University, Jalandhar and Dr. Neelam Sharma, Associate Professor was selected as a member for the first time. Dr. Shailesh Sharma expresses gratitude for being entrusted with this responsibility again by the university. He emphasizes that this role will involve making crucial decisions to enhance the quality of education and research for future pharmacy students. The syllabus and scheme will be implemented with immediate effect in accordance with the guidelines issued by Government of India, Government of Punjab and Pharmacy Council of India from time to time.

In another achievement, Dr. Ajay Singh Kushwaha, Professor and Head of the Department of Pharmacology at BELA, has been honored with the prestigious Professor Jainendra Jain Memorial Best Young Researcher Award. This esteemed award, recognizing his outstanding contributions to the field of pharmacology, was presented at Pharmalok, Nirali Prakashan, during the National Pharma Summit held in New Delhi on 26th November, 2023. Dr. Kushwaha's recognition not only brings accolades to him personally but also highlights the pharmaceutical research excellence of COP-BELA at the national level.

IPAssociation, Dakshina Kannada District Local Branch, Mangalore

Report on National Youth Day

Dr. Anantha Krishna Bhat, President of Saraswathi Education and Welfare Trust Meghalaya, inaugurated the program by initiating the proceedings and addressing the gathering. He deliberated extensively on the contribution made by Swami Vivekananda to society. He advised the youth to follow the teachings of Swamiji to lead a purposeful, meaningful life with moral values.

Dr. A.R. Shabaraya, President of IPA, Mangalore, and Principal & Director, outlined in his presidential remarks the achievements

of Indians abroad. He highlighted their hard work, determination, dedication, and contributions to the development of the societies and nations where they reside and serve.

Dr. Shripathy D, Professor and NSS Coordinator, outlined the importance of National Youth Day on 12 January and welcomed and introduced the guests.

Dr. E. V. S Subrahmanyam, Professor & Vice President, IPA, Mangalore and Dr. Krishnananda Kamath, Professor, Srinivas College of Pharmacy, were present during the program.

Bharti Vidyapeeth (Deemed to be University) Poona College of Pharmacy

Prof. Varsha Pokharkar honored with 'Navbharat Ke Shilpkar 2024' Award

Prof. Varsha Pokharkar of Bharti Vidyapeeth (Deemed to be University), Poona College of Pharmacy, was honored with the 'Navbharat Ke Shilpkar 2024' award on 13th January, 2024 by the Hon'ble Governor of Maharashtra, Shri Ramesh Bais, in recognition of her outstanding contributions to the fields of Pharmacy, research, and education. Hon. Chancellor Prof. Shivajirao Kadam, Hon. Secretary Dr. Vishwajit Kadam, Hon. Vice-Chancellor Dr. Vivek Savaji, and Principal Dr. Atmaram Pawar heartily congratulated and appreciated Prof. Varsha Pokharkar.

G. Pulla Reddy College of Pharmacy organized One Day Seminar on “Innovations in Pharmaceutical Research – 2023 - Oral & Poster Presentations”

A one day seminar on “Innovations in Pharmaceutical Research – 2023 - Oral & Poster Presentations” was organized by **G. Pulla Reddy College of Pharmacy, Mehdiapatnam, Hyderabad**, on 16th December 2023. The seminar was aimed to provide the knowledge on Recent Developments in Pharmaceutical Research and to improve technical communication skills and research approach among the students. **Dr. B. Madhava Reddy** welcomed the gathering and briefed the delegates about the objectives of the

seminar. He highlighted the importance of Oral and poster presentations to improve the communication skills and technical skills. Scientific Abstract Book was released on this occasion by the dignitaries on the Dias and Abstract book committee.

Guest of Honor **Mr. N Sadasiva Rao, Executive Vice President-NATCO Pharma Ltd**, Hyderabad explained to students about the need for being updated in research in Pharmacy field.

In first scientific session, **Dr. Katkam Srinivas, Sr. Vice President, Global Head Sales and Marketing - API, MSN Labs Pvt. Ltd.**, Hyderabad delivered a lecture on “Radical Innovations, Generic drug substance development and Indian Pharma Journey. He discussed about API and generic drug development etc., and interacted with the students.

In the second session **Mr. Mohammad Masihuiddin, AGM, Regulatory Department, Viatris Labs Ltd.**, Hyderabad delivered a talk on “Understanding the Role of Regulatory Affairs in Pharmaceutical Industry”. He gave insight on Regulatory Science and New Chemical Entities and explained the regulatory functions involved in Generic Vaccine development. Dr. B. Madhava Reddy, Principal presented mementos to the Guests and the Speakers.

In the afternoon session, students from various colleges presented Oral and Poster presentations in various topics of Pharmaceutical research and development. The seminar was attended by more than 500 delegates from 16 colleges. Total of about 76 Oral and 74 poster presentations were presented in different specializations. The presentations were evaluated by the senior academicians from different colleges and Best Oral and Poster presentations were selected.

Mementos were presented to the scientific presentations evaluators. About 12 scientific poster presentations and 12 Oral presentations were selected as best presentations by the evaluators in about 5 different subject areas. The best poster and oral presentation students were presented with certificates and mementos. **Mr. Krishna Chaitanya, MD IBMR Group**, Alumni of GPRCP associated with the program.

Celebration of Indian Constitution Day at G. Pulla Reddy College of Pharmacy

On the occasion of Indian Constitution Day (26th November), **G. Pulla Reddy College of Pharmacy** conducted an essay competition with title "Indian Constitution & It's Uniqueness", for the students. About 20 students of B.Pharm, Pharm.D and M.Pharm participated in the competition. A power point presentation on the history, contents, preamble, rights, duties and significance of constitution was given by Pharm.D II year students namely **Sai Kiran, Simran Kour and Vaishnoo Sai**. Staff and students of all courses also attended the presentation. The program was coordinated by **Dr. P.Ravi Kumar**, Associate Professor and In-charge for the functions & events of the college.

Celebration of 62nd National Pharmacy Week and World Antimicrobial Resistance Awareness Week at Dr. Ashok Gujar Institute of Pharmacy

Dr. Ashok Gujar Institute of Pharmacy in Karad marked the 62nd National Pharmacy Week under the theme "Join Pharmacists" for Patient Safety. The event's inauguration, headed by **Dr. Madhuri Gujar** from G.K. Gujar Memorial Charitable Trust, **Shri. Atul M Kadam** (Principal of the Institute), and **Prof. H. M. Kumbhar** (Vice Principal of Aher Engineering College), highlighted the significance of pharmacists in public health. Aligned with the World Health Organization's directives, the celebration extended to incorporate World Antimicrobial Resistance Awareness Week. The institute's students actively engaged with the local community, counseling them on proper antibiotic usage and precautions to combat Antimicrobial Resistance. Informative leaflets were prepared and distributed to raise awareness. Principal Mr. Atul Kadam addressed gatherings, emphasizing the pharmacist's critical role in advocating for the rational use of antibiotics. He underscored the dangers of irrational antibiotic consumption, emphasizing its adverse effects not only on human health but also on nature, animals, and the environment. **Ms. R.R. Gaikwad** anchored the program. The successful execution of the event was guided by the honorable Shri. Dr. Ashok Gujar, Chairman of G.K. Gujar Memorial Charitable Trust in Karad. The program effectively emphasized the pharmacist's pivotal role in ensuring patient safety and the responsible use of antibiotics, aligning with global health directives.

Walkathon on World AIDS Day by Students of Krupanidhi College of Pharmacy, Bangalore

To commemorate the World AIDS day, The NSS Unit of KCP organised Walkathon to create awareness to prevent the spread of HIV infection (AIDS) and protection or preventive measures which can be used in order to prevent getting infected via AIDS under the leadership of NSS PO Ms.Raksha and NSS Member. Dr.Vastvikta along with 1st PharmD students on 1st December 2023 at KCP campus and nearby areas.

G. Pulla Reddy College of Pharmacy Observes 73rd Constitution Day with Essay Competition

G. Pulla Reddy College of Pharmacy celebrated the 73rd Constitution Day on November 26, 2023, with an essay competition themed "Indian Constitution & Its Uniqueness." The event saw active participation from around 20 students across B.Pharm, Pharm D, and M.Pharm programs, who wrote essays reflecting on the Indian Constitution's significance and unique aspects.

Additionally, Pharm D II year students Sai Kiran, Simran Kour, and Vaishnoo Sai presented a detailed PowerPoint presentation on the constitution's history, preamble, rights, duties, and overall importance. This presentation engaged both staff and students, creating an informative and dynamic environment.

Dr. P. Ravi Kumar, Associate Professor and event coordinator, ensured the smooth running of the program. The essay competition and presentation provided students with an opportunity to deepen their understanding of the Indian Constitution, aligning with the college's commitment to fostering awareness and education on constitutional matters.

Acropolis Institute of Pharmaceutical Education and Research Hosts Internal Hackathon for Smart India Hackathon 2023

Acropolis Institute of Pharmaceutical Education and Research in Indore organized an internal hackathon to align with the requirements of Smart India Hackathon 2023, overseen by the Ministry of HRD. Students from D. Pharm, B. Pharm, and M. Pharm programs actively participated in the event, presenting innovative solutions to problem statements provided by SIH. A total of 13 teams took part in the hackathon, showcasing their enthusiasm and offering excellent solutions to the problem statements.

The judging panel for the event comprised **Dr. Praveen Sharma, Mr. Mahesh Mehta,** and

Ms. Devshree Gayakwad. **Dr. G.N Darwhekar**, the Director, commended the students for their active participation and extended his best wishes to those advancing to the next level of the competition.

G.Pulla Reddy College of Pharmacy Hosts National cGMP Day Program

In collaboration with the **Pharma Alumni Association** of GPRCP, **G.Pulla Reddy College of Pharmacy** organized the National Current Good Manufacturing Practice (cGMP) Day on October 10, 2023. The event, endorsed by the Indian Drug Manufacturer's Association (IDMA) and recommended by the Pharmacy Council of India (PCI), featured **Mr. Sumith Agarwal**, Director of Sain Medicaments, as the Chief Guest.

As an executive committee member of IDMA, Mr. Agarwal delivered a lecture on the significance of cGMP in manufacturing, focusing on Schedule M and providing insights into the current scenario of pharmaceutical exports in India. Guest speaker **Mr. KVC Chakrapani**, General Manager QA at Sain Medicaments, emphasized the crucial role of cGMP in ensuring quality pharmaceutical products.

Dr. D. Prasanthi, Professor of Pharmaceutics Department, conducted a seminar on Schedule M updates in compliance with WHO-GMP guidelines. The program, attended by B.Pharm, Pharm D, M.Pharm students, and staff, aimed to enhance awareness and understanding of current good manufacturing practices within the pharmaceutical industry.

Dr. P.K. Lakshmi Honored as Pharmacy Teacher of the Year 2022 by Pharmacy Teachers Trust, Hyderabad

In a prestigious ceremony held at **Venkateshwara College of Pharmacy** in Etcherla, Srikakulam on September 30, 2023, the Pharmacy Teachers Trust, Hyderabad, recognized the outstanding achievements of **Dr. P.K. Lakshmi**. As a Professor in the Department of Pharmacy Practice at **G. Pulla Reddy College of Pharmacy, Hyderabad**, Dr. Lakshmi was honored for her exceptional contributions to teaching and research in the field of Pharmacy. Having dedicated 15 years to G. Pulla Reddy College of Pharmacy, Dr. P.K. Lakshmi's commitment and expertise have earned her the esteemed title of Pharmacy Teacher of the Year 2022.

This award underscores her significant impact on education and research within the pharmaceutical community. Congratulations to Dr. P.K. Lakshmi on this well-deserved recognition, showcasing her dedication and excellence in shaping the future of pharmacy education.

PhD Awardees

Congratulations to Dr. Navjot Kaur on being awarded a PhD!

Dr. Navjot Kaur, currently serving as an Assistant Professor in the Department of Pharmacognosy at **Amar Shaheed Baba Ajit Singh Jujhar Singh Memorial College of Pharmacy, BELA (Ropar) Punjab, India-140111**, earned her PhD in Pharmaceutical Sciences from IKG-Punjab Technical University, Jalandhar. Under the guidance of Prof. (Dr.) Shailesh Sharma, Professor and Director, COPBELA, Punjab, her doctoral research focused on the formulation and evaluation of a polyherbal dosage form for the effective treatment of Diabetes Mellitus. Throughout her PhD tenure, she published two papers in journals of national and international repute and presented conference papers in various seminars and conferences. With over 10 years of teaching and research experience, Dr. Navjot Kaur expresses deep gratitude to her research supervisor, family members, colleagues, friends, well-wishers, and management for their motivation, kind support, and cooperation. She holds life memberships in APTI, IPA, and IGPA.

Congratulations to Mr. Nagesh Vaddiraju on being awarded PhD

In July 2023, **Mr. Nagesh Vaddiraju**, an Assistant Professor in the Department of Pharmaceutical Chemistry at **G. Pulla Reddy College of Pharmacy, Hyderabad, Telangana**, was conferred with a Doctor of Philosophy (Ph.D.) degree in the Department of Pharmaceutical Sciences from JNTU-Hyderabad. His research, titled "Design and Synthesis of Some Novel Heterocyclic Compounds & Evaluation of Anti-Diabetic Activity," was conducted under the guidance of Dr. M. Ajitha, Head & Professor at the Centre for Pharmaceutical Sciences, Institute of Science & Technology, JNTU-Hyderabad. With 13 years of teaching experience, Mr. Nagesh Vaddiraju has published 14 research articles in various national and international peer-reviewed journals. Additionally, he has actively participated in and presented research papers at numerous national and international conferences, and he has successfully guided four M. Pharm thesis projects.

Dr. (Mrs.) Kaumudee Bodas-Yadav Received Ph.D and Indian Patent for Innovative Wound Healing Drug Delivery

In a significant achievement, **Dr. (Mrs.) Kaumudee Bodas-Yadav**, the Head of the Pharmacognosy department at **Sinhgad College of Pharmacy, Vadgaon (bk.), Pune**, has been awarded a Ph.D. from **Bharati Vidyapeeth (Deemed to be) University**. The honor is in recognition of her pioneering research on '**Glycyrrhizin Loaded Nanofiber Topical Drug Delivery for The Treatment of Chronic Wounds.**' Dr. Bodas-Yadav's research has not only earned her a doctorate but also an Indian Patent (patent no. 459795) for her groundbreaking work in the field of wound healing. Her doctoral research was conducted at BVDU's Poona College of Pharmacy as part of the AICTE QIP initiative and received partial funding from Bharati Vidyapeeth, Pune. Expressing her gratitude for this accomplishment, Dr. Bodas-Yadav stated, "I am humbled and delighted to have received this recognition. This patent represents years of dedicated research and experimentation in the field of pharmacognosy, and it's a significant step forward in providing innovative solutions for chronic wound treatment."

The Sinhgad Technical Education Society, under whose aegis Sinhgad College of Pharmacy operates, was appreciative of Dr. Bodas-Yadav's achievement. Dr. Pawar, the Principal of Sinhgad College of Pharmacy, and Dr. Shinde, the Head of the Pharmacognosy department at BVDU's Poona College of Pharmacy, Pune, also extended their congratulations. This remarkable accomplishment by Dr. Kaumudee Bodas-Yadav not only enhances the reputation of Sinhgad College of Pharmacy but also adds to India's growing recognition in the field of pharmaceutical research and innovation. Her patented drug delivery system holds the promise of providing effective treatment for chronic wounds, potentially improving the lives of countless patients in the future.

Chalapathi Institute of Pharmaceutical Sciences Best Patent Award To Prof. Rama Rao Nadendla

Prof. Rama Rao Nadendla, Principal of Chalapathi Institute of Pharmaceutical Sciences has been honored with the prestigious "Best Patent Award." This accolade was presented by Prof. P. Rajasekhara, Vice Chancellor of Acharya Nagarjuna University, during the 46th Foundation Day celebrations of ANU on September 11, 2023. Prof. Nadendla's groundbreaking patent, titled "Formulation of Glimepiride Controlled Release Transdermal Patches Using Natural Polymers" (Patent Number: 364724), signifies a significant contribution to the field of pharmaceutical sciences and marks a momentous achievement for both Chalapathi Institute of Pharmaceutical Sciences and the wider scientific community.

School of Pharmacy, Techno India University, Kolkata

Soumya Chakraborty, BPharm final year student of School of Pharmacy, Techno India University, Kolkata as well as Founder & Director of SCMILE has organized one day boot camp on Bridging Industry & Academia, by The Journey from Molecule to Medicine on 8th October, 2023. SC: Soumya Chakraborty and Mile: Distance to travel to reach the milestone because success walks on the footsteps of hardships to reach the target. The initiative has been taken by Mr Chakraborty to build SCMILE to shape the backbone of molecular science.

The theme is based on molecule and medicine both words are made of 8 letters and this 8 words complies with octate formation in chemical sciences which makes the strong bond to make a stable compound. Drug molecule reflects towards medicine which is responsible for curing health hazards ailments.

His excellent delivery of lecture created a mass appreciation with enormous applause and the students are huge motivated by his speech and presentation.

G.Pulla Reddy College of Pharmacy National Current Good Manufacturing Practice Day

G.Pulla Reddy College of Pharmacy in association with the Pharma Alumni Association of GPRCP conducted National Current Good Manufacturing Practice (cGMP) Day Programme on 10th October 2023. The cGMP day was initiated by Indian Drug Manufacturer's Association (IDMA) and recommended by Pharmacy Council of India (PCI). Alumni member, Mr.Sumith Agarwal, Director of Sain Medicaments chaired the programme as Chief guest. He is also an executive committee member of IDMA. Mr.KVC Chakrapani, General Manager, QA, Sain Medicaments, was guest speaker.

Mr.Sumith Agarwal delivered lecture on schedule M, importance of GMP in manufacturing and also current scenario of exports of pharmaceuticals in India. Mr. KVC Chakrapani spoke on cGMP importance in pharmaceutical industry. He stressed the importance of cGMP in industry to ensure the quality products.

Dr.D.Prasanthi, Professor of Pharmaceutics Department, gave seminar on Schedule M updates in compliance with WHO-GMP guidelines. She briefed on Drug and cosmetics Act 1940 and its rules 1945, role of CDSCO, existing Sch M and draft updates of each part of Sch M. The programme was attended by B.Pharm, Pharm D, M.Pharm students and staff.

The National Institute of Pharmaceutical Education and Research (NIPER) Hajipur

Report on celebration of 3rd National Pharmacovigilance Week

The event sought to reinforce public trust in pharmacovigilance and attracted a sizable turnout of healthcare professionals, researchers, students, and the general public.

On September 18, 2023, the event commenced with a lamp-lighting ceremony. Dr. Vipin Kumar Parihar, Dean, extended a warm welcome to the attendees and dignitaries. Dr. V. Ravichandiran, Director, delivered an inspirational speech at the inauguration, emphasizing the pivotal role of pharmacovigilance in ensuring the safety and effectiveness of pharmaceutical products.

The event was graced by esteemed guests, including Sh. Ghanshyam Bhagat, the State Drugs Controller of Bihar, Dr. Bindey Kumar, Director of Indira Gandhi Institute of Medical Sciences (IGIMS), Patna, and Dr. Krishna Pandey, Director of ICMR-Rajendra Memorial Research Institute of Medical Sciences (RMRIMS), Patna. The guests collectively highlighted the pivotal role of pharmacovigilance in safeguarding public health.

Padma Shri Awardee Dr. J.K Singh, Director of SS Hospitals, and Dr. Ravi Shankar Singh, Director of Medanta Hospital, Patna, emphasized the paramount importance of Pharmacovigilance (PV) in India. Dr. Singh highlighted PV's critical role in ensuring the safety and efficacy of pharmaceutical products within the Indian healthcare landscape. Dr. Ravi Shankar Singh, Director of Medanta Hospital, Patna, shed light on the pivotal role of clinical pharmacists in reporting Adverse Drug Reactions (ADRs), emphasizing their unique position to enhance patient safety. Dr. CS Lal, Deputy Director of ICMR-RMRIMS Patna, stressed the imperative need for medication safety, emphasizing the critical importance of ensuring the safe and effective use of medications.

Sh. Navneet Ranjan, Executive Director of Mediversal Hospital, Patna, encouraged the youth in attendance to actively engage in the field of pharmacovigilance and inspired the next generation of practitioners. Dr. Krishna Pandey, Director of RMRIMS Patna, shared invaluable insights and experiences regarding the treatment of leishmaniasis, highlighting the significance of reporting ADRs in the context of leishmaniasis treatment. Following the speeches, Dr. Sameer Dhingra, Coordinator of the Adverse Drug Reaction Monitoring Centre (AMC) at NIPER Hajipur, expressed heartfelt gratitude to the distinguished guests, IPA Bihar state officials, and participants for their invaluable contributions.

The event also featured workshop and training program where participants engaged in insightful discussions on Pharmacovigilance and the role of Adverse Drug Reaction (ADR) reporting. Dr. Sameer Dhingra delved into the challenges and opportunities in pharmacovigilance. Dr. Krishna Murti, Assistant Professor, led the workshop and training session on Vigiflow software, a web-based platform facilitating ADR reporting. Case discussions on ADR reporting offered invaluable practical insights.

The event culminated in a captivating quiz competition that tested participants' knowledge of pharmacovigilance principles. Dr. Debabrata Mandal, Dr. Nitesh Kumar, and Dr. Sanjiv Singh served as quizmasters and awarded certificates and prizes to the winners. Certificates were also distributed to acknowledge participants' active involvement, and lab visits complemented theoretical understanding of surrounding institutes students.

On the second day of the event, a community sensitization program was organized in Mohabbathpur village, where Dr. Krishna Murti, an Assistant Professor, spoke about the significance of reporting ADRs and distributed informative pamphlets. In the afternoon, an awareness program was conducted at the CIPET Institute in Hajipur, led by Dr. Sameer Dhingra, highlighting that medication safety is a shared responsibility for everyone in society, not just

healthcare professionals. Dr. Dhingra emphasized the critical role of voluntary ADR reporting in monitoring and improving drug safety. These efforts aimed to create a culture of awareness and responsibility, contributing to a safer and healthier society through pharmacovigilance.

On the third day, a significant event was held at the Rajendra Memorial Research Institute of Medical Sciences (RMRIMS) in Patna, as part of an initiative to boost public confidence in pharmacovigilance. The program saw the convergence of healthcare professionals, researchers, students, and the general public, with informative sessions and engaging activities to raise awareness about the benefits of pharmacovigilance. Experts from NIPER Hajipur and Dr. Krishna Pandey, Director of RMRIMS Patna, shared valuable knowledge on various aspects of pharmacovigilance, with a focus on ADR identification and reporting. Dr. Sameer Dhingra provided valuable counselling to patients, stressing the importance of reporting ADRs and offering guidance on responsible medication use. This event emphasized the significance of pharmacovigilance in improving medication safety for all.

The culmination of the National Pharmacovigilance Week at Sadar Hospital was hosted by NIPER Hajipur on the final day. A panel of experts, including Dr. Sameer Dhingra, Dr. Krishna Murti, Dr. Ratan Prakash (Medical Superintendent of District Sadar Hospital, Hajipur), and Mr. Sanjiv Kumar Ray (Pharmacist), campaigned for the reporting of ADRs and their significance on the healthcare system. Their collective wisdom and unwavering commitment illuminated the path toward safer healthcare practices.

To promote awareness about pharmacovigilance, a successful walkathon program was organized by NIPER Hajipur on September 22, 2023. Participants, including students and members of the public, walked through the campus while distributing informative pamphlets. Dr. Sameer Dhingra encouraged participants to remain vigilant and report any adverse drug reactions, highlighting the role of ADR reporting in identifying potential safety concerns and ensuring medication safety for all. The walkathon effectively conveyed the importance of pharmacovigilance in safeguarding the public's well-being.

Celebrating National Technology Day at College of Pharmacy, BELA

On National Technology Day, Amar Shaheed Baba Ajit Singh Jujhar Singh Memorial College of Pharmacy in Bela emphasizes the monumental role of technology in our lives. Dr. Ajay Singh Kushwah, the program coordinator, highlights the importance of staying updated with the fast-evolving tech world for success.

The college's director, Dr. Shailesh Sharma, points out that India celebrates National Technology Day on May 11th in remembrance of the successful 1998 nuclear test in Pokhran, Rajasthan. Dubbed "Operation Shakti," this event heralded India's position as the sixth nuclear-capable country globally. It stands as a tribute to the Indian scientists and engineers who accomplished this milestone. The day inspires the youth to chase excellence in the fields of science and technology.

Additionally, Dr. Sharma stresses the transformative power of technology, from solving complex issues to advancing healthcare. Yet, he also warns against its misuse and addiction. For students, a balanced approach to technology is crucial, ensuring it benefits rather than hinders their academic and future endeavors.

This celebration of National Technology Day, backed by AICTE SPICES, Institute Innovation Cell, and Pharmanic Club, not only honors historical achievements but also prepares students to navigate the ever-changing tech landscape effectively.

International Yoga Day

G.Pulla Reddy College of Pharmacy, Hyderabad celebrated the 9th International Yoga Day on June 21, 2023. The theme of the day was "Yoga for Vasudhaiva Kutumbakam". The program was initiated by Dr. B. Madhava Reddy, Principal, who spoke about the importance of yoga in daily life. Dr. B. Veeresh, Professor, introduced the yoga instructor, Mr. K. Vijaya Varma, a retired personnel officer from TSSPDCL, Hyderabad. Mr. Varma spoke about the importance of yoga for good health and instructed the participants in various yogasanas and breathing techniques.

About 150 students and teaching staff members actively participated in the yoga day celebration. The event was coordinated by Dr. Naseeb Basha Shaik and Mrs. Ch. Rajeswari. The participants enjoyed the yoga session and felt refreshed and invigorated after the event. They expressed their gratitude to the organizers for organizing such a valuable event.

Bharati Vidyapeeth College of Pharmacy Kolhapur

"Importance Of Profession Ready Training And Placements On The Most Booming Industry, Clinical Research, Pharmacovigilance, And Associated Domains"

Bharati Vidyapeeth College of Pharmacy Kolhapur Organized a webinar by Institution Innovation Council Training Placement Cell on "Importance of Profession Ready Training and Placements on the most booming industry, Clinical Research, Pharmacovigilance, and associated domains" for students and faculty in association with Clini India Ltd. Pune on Saturday, 10 th June, 2023 from 10.30 AM to 11.30 AM. Eminent speakers from industry, Ms. Nikita Jogewar, Manager, CLINI India, Pune as a resource person for this webinar.

The programme have been organised with objectives to understand the industry expectation from a fresher, how do you have to prepare and be ready, what are the secrets to achieve a higher package in a reputed organization, Update knowledge & find better opportunities in field of Medical Coding, Pharmacovigilance, Clinical Research and in Govt. Jobs, placement scenarios instead of happens in Pharmacovigilance, Clinical Data Management, Clinical Research medical coding etc.

The experts from eminent personalities in pharmaceutical industries invited for this programme for lectures, and discussion on this regards.

The inauguration of programme will be held on Saturday, 10 th June, 2023 of auspicious hands of Hon. Dr. H. N. More (Principal, Bharati Vidyapeeth College of Pharmacy, Kolhapur), Ms. Nikita Jogewar, Manager, CLINI India, Pune & Mary Infancy, Dr. Anilkumar J. Shinde (Coordinator, Training & Placement Cell).

In this training Program 155 students of B. Pharm; M. Pharm were actively participated. This webinar was coordinated by Dr. Anilkumar J. Shinde, Coordinator, Training Placement Cell Skill entrepreneurship Development Cell. For the success of this program, Dr. H. N. More (Principal), Dr. M.S. Bhatia (Vice- Principal) Dr. Anilkumar J. Shinde, Coordinator, Training Placement Cell; Skill entrepreneurship Development Cell were taken efforts.

G. Pulla Reddy College of Pharmacy

27th Annual College Day Celebrations

G. Pulla Reddy College of Pharmacy Celebrated its 27th Annual College Day on 24th June 2023. The occasion was graced by Sri.G.Ekamber Reddy, Treasurer, G.Pulla Reddy College of Pharmacy. Welcome address was given by Principal, Dr.B.Madhava Reddy. The Chief Guest **Dr. M. Venkata Ramana**, EC Member PCI, Vice President APTI- Southern Region conveyed his message that the PCI has taken many steps to improve the standards of pharmacy education. He has also informed that the PCI has opened job portal for students and said all the students can utilise the facility. The Guest of Honour **Mr. Manikandan**, Senior Vice President, Head Formulation R&D, Granules India Ltd., Hyderabad stated that there are plenty of job offers for the students in pharma industry. Later G.Pulla Reddy Gold Medals are presented to the toppers of B.Pharm

(2018-22), Pharm.D (2017-22) & M.Pharm(2019-21 & 2020-22) courses and Academic prizes were presented to the students by the invited Guests and Principal.

As a part of annual day celebrations various sports and cultural events conducted during the week 21st to 24th June 2023 to the students and prizes were distributed to winners and runners of sports and cultural by the invited Guests and Principal. In the program students, teachers and staff actively participated.

G. Pulla Reddy College of Pharmacy

Convocation Day- 2023 (For the Pharm D Batch 2017-2023)

The Chief guest of the program was Dr. Srikanth, EC Member, GPRCP and Guest of honour was Dr. Santhosh Reddy, Head, clinical Pharmacy department, AIG Hospital, Hyderabad. The esteemed event commenced with welcome speech by Prof. Dr. B. Madhava Reddy, Principal, GPRCP followed by an address by Dr. P.K. Lakshmi, Head, Department of PharmD, GPRCP.

The chief guest, Dr. Srikanth and guest of honour Dr. Santhosh Reddy, graced the occasion and extended their heartfelt congratulations to graduating students. They also addressed insightful message about the promising career opportunities available ahead for the graduates. The certificates were distributed to graduating students.

INDEPENDENCE DAY CELEBRATIONS-2023

77th Independence Day celebrations on 15th August 2023 in the college campus with a great patriotic spirit. Dr. B.Madhava Reddy, principal, hoisted the national flag and addressed the gathering. He highlighted the sacrifices of the freedom fighters and emphasized the developments of the country after independence in different fields like technology, education, economy etc. Other staff members also remembered the selfless contribution of many freedom fighters, in their message. Students of B.Pharm and M.Pharm conveyed their respect to the freedom struggle in great enthusiasm and devotion. College has conducted group discussion, story telling, drawing and rangoli competitions on this auspicious occasion and prizes were given to all the winners. Certificates were distributed to all the participants.

Ph.D. Award

Name: Dr. P. Ravi Kumar

Topic: "Anticancer activity screening of selected medicinal plants native to Telangana using in-vitro and in-silico models".

Guide: Dr. B.Madhava Reddy, Professor & Principal, G. Pulla Reddy College of Pharmacy and Dr. S. Srinu Naik, Professor, University college of Technology, Osmania University, Hyderabad

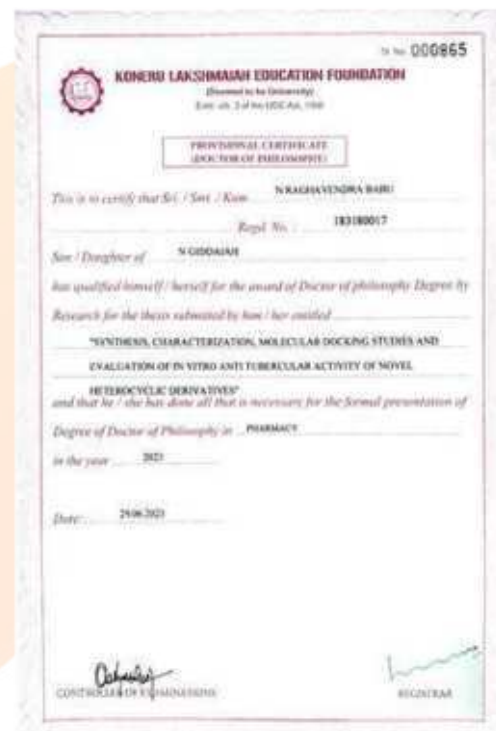

Completion of Ph.D - Mr. N. Raghavendra Babu's Outstanding Achievement in Pharmaceutical Research

On July 23, 2023, a momentous event took place at G. Pulla Reddy College of Pharmacy in Hyderabad, Telangana. Mr. N. Raghavendra Babu, an esteemed Assistant Professor in the Department of Pharmaceutical Analysis, successfully completed his Ph.D. in the Department of Pharmacy from Koneru Lakshmaiah Education Foundation, Deemed to be University, Vijayawada.

The title of his Ph.D. research was "Synthesis, Characterization, Molecular Docking Studies, and In vitro Anti-tubercular Activity of Novel Heterocyclic Derivatives." Under the guidance of Dr. R. Subhakar Raju, Professor at K.L. College of Pharmacy, Mr. N. Raghavendra Babu conducted extensive research in the field.

Mr. N. Raghavendra Babu is an accomplished individual with 12 years of teaching experience and eight years of research expertise. He has a remarkable track record, having published 40 research articles in various National and International peer-reviewed journals. Additionally, he actively participated in numerous National and International conferences, presenting his research findings.

Furthermore, Mr. N. Raghavendra Babu's dedication to fostering academic growth and research is evident in the 21 M. Pharm thesis projects he has guided. He also holds a life membership in the esteemed Association of Pharmaceutical Teachers of India (APTI).

PhD Awarded to M.S. Khan

Dr. M. S. Khan, Principal, Maharishi Arvind International Institute of Pharmacy, Kota, Rajasthan, India, received his Ph.D. in Pharmacy from Lords University, Alwar, Rajasthan. Dr. Pankaj Arora, Professor Faculty of Pharmacy, Lords University, Alwar, guided his Ph.D. thesis entitled "Phytochemical Screening and Evaluation of Pre-clinical anti-ulcerogenic potential of a Polyherbal formulation in various In-vitro and In-vivo Models". During his Ph.D. tenure he presented his Ph. D. research at national seminars and conferences and published four papers in reputable national and international journals. He is a member of APTI and SPER as well.

Bharati Vidyapeeth College of Pharmacy Kolhapur

"Importance Of Profession Ready Training And Placements On The Most Booming Industry, Clinical Research, Pharmacovigilance, And Associated Domains"

Bharati Vidyapeeth College of Pharmacy Kolhapur Organized a webinar by Institution Innovation Council Training Placement Cell on "Importance of Profession Ready Training and Placements on the most booming industry, Clinical Research, Pharmacovigilance, and associated domains" for students and faculty in association with Clini India Ltd. Pune on Saturday, 10 th June, 2023 from 10.30 AM to 11.30 AM. Eminent speakers from industry, Ms. Nikita Jogewar, Manager, CLINI India, Pune as a resource person for this webinar.

The programme have been organised with objectives to understand the industry expectation from a fresher, how do you have to prepare and be ready, what are the secrets to achieve a higher package in a reputed organization, Update knowledge & find better opportunities in field of Medical Coding, Pharmacovigilance, Clinical Research and in Govt. Jobs, placement scenarios instead of happens in Pharmacovigilance, Clinical Data Management, Clinical Research medical coding etc.

The experts from eminent personalities in pharmaceutical industries invited for this programme for lectures, and discussion on this regards.

The inauguration of programme will be held on Saturday, 10 th June, 2023 of auspicious hands of Hon. Dr. H. N. More (Principal, Bharati Vidyapeeth College of Pharmacy, Kolhapur), Ms. Nikita Jogewar, Manager, CLINI India, Pune & Mary Infancy, Dr. Anilkumar J. Shinde (Coordinator, Training & Placement Cell).

In this training Program 155 students of B. Pharm; M. Pharm were actively participated. This webinar was coordinated by Dr. Anilkumar J. Shinde, Coordinator, Training Placement Cell Skill entrepreneurship Development Cell. For the success of this program, Dr. H. N. More (Principal), Dr. M.S. Bhatia (Vice- Principal) Dr. Anilkumar J. Shinde, Coordinator, Training Placement Cell; Skill entrepreneurship Development Cell were taken efforts.

G. Pulla Reddy College of Pharmacy

27th Annual College Day Celebrations

G. Pulla Reddy College of Pharmacy Celebrated its 27th Annual College Day on 24th June 2023. The occasion was graced by Sri.G.Ekamber Reddy, Treasurer, G.Pulla Reddy College of Pharmacy. Welcome address was given by Principal, Dr.B.Madhava Reddy. The Chief Guest **Dr. M. Venkata Ramana**, EC Member PCI, Vice President APTI- Southern Region conveyed his message that the PCI has taken many steps to improve the standards of pharmacy

education. He has also informed that the PCI has opened job portal for students and said all the students can utilise the facility. The Guest of Honour **Mr. Manikandan**, Senior Vice President, Head Formulation R&D, Granules India Ltd., Hyderabad stated that there are plenty of job offeres for the students in pharma industry. Later G.Pulla Reddy Gold Medals are presented to the toppers of B.Pharm (2018-22), Pharm.D (2017-22) & M.Pharm(2019-21 & 2020-22) courses and Academic prizes were presented to the students by the invited Guests and Principal.

As a part of annual day celebrations various sports and cultural events conducted during the week 21st to 24th June 2023 to the students and prizes were distributed to winners and runners of sports and cultural by the invited Guests and Principal. In the program students, teachers and staff actively participated.

Mittal Institute of Pharmacy

"Newer strategies for cancer treatment: Current prospective, advances and challenges & Cancer Awareness Camp"

One day national seminar sponsored by Madhya Pradesh Council of Science & Technology (MPCST) and Indian Pharmaceutical Association (IPA). The event was held on 29th April 2022 in Bhopal.

Dr. Ashish Maniguaha, Principal of College and Convener for the seminar with Prof. Nidhi singhai and Prof. Arvind Kumar Jain Co-convener of program welcomed all chief guest, resource person, guests and delegates. Mr. Sanjay Kumar Jain, Vice President (Indian Division) Indian Pharmaceutical Association was the chief guest and Dr. N Ganesh, Consultant Oncogenetics & Sr. Scientist, Jawaharlal Nehru Cancer Hospital and Research Centre, was the resource person of the event. The program was started in the seminar hall of Mittal Institute of Pharmacy with floral welcome ceremony followed by lightening of the lamp and Saraswati Vandana. Mr. Sanjay Kumar Jain addressed the gathering and focused on the importance of pharmacist and described the evolution of pharmacy profession and also highlighted the role of regulatory authorities in pharma industry and explained various opportunities in government agencies. He not only encouraged the pharmacy students but also took commitment from them to give a better service to the society. Dr. N Ganesh, in his speech familiarizes the audience with the signs, symptoms and modalities to detect cancer, and also emphasized the phenomenal role of diet in prevention and management of various cancerous disorders. The talk was attended by nearly 300 students, research scholars and faculty members from various institutes. In this seminar, the afternoon session begin with poster presentation and cancer awareness camp. In Poster presentation session, 24 poster entries from Bhopal and various other major places of Madhya Pradesh

were selected for presentation. In cancer awareness camp, all the students of Institute and nearby people actively participated. Event concluded with prize distribution ceremony for best poster award to all the winners and runner up after vigorous evaluation of participant's work. The posters were evaluated by Dr. Lavakesh Omary, Director, Radharaman institute of pharmaceutical sciences, Bhopal. Then, sincerely acknowledges to cancer awareness camp team for offering their assistance on spreading cancer awareness which play a major role in the diagnosis and treatment of cancer. Later the chief guest, speaker and session chair person was felicitated with a memento and event concluded with vote of thanks by Prof. Nidhi Singhai. The active participation of all volunteer students and faculty members contributed to the magnificent success.

Periyar College of Pharmaceutical Sciences

"Phytoimmunology: Special Reference to Secondary Metabolites"

The Department of Pharmacognosy, Periyar College of Pharmaceutical Sciences, Tiruchirappalli, Tamil Nadu organised a guest lecture on "Phytoimmunology: Special Reference to Secondary Metabolite" on 25th July 2023 with the aim to enrich the knowledge of young researchers and students in the arena of Phytoimmunology. The lecture was attended by more than 80 participants. The event began with a welcome address by Prof (Dr) R. Senthamarai, Principal, Periyar College of Pharmaceutical Sciences, Tiruchirappalli - 620 021. Following this, she honoured the resource person with a book and then the session was handed over to the guest speaker Dr. V. Nandhagopalan, Associate Professor, Department of Botany, National College (Autonomous & CPE), Tiruchirappalli - 620 001. During his talk, Dr. V. Nandhagopalan elaborated on implication of stress and defence response signalling in the production of secondary metabolites. The type and concentration(s) of secondary metabolites generated by a plant are determined by the species, genotypes, physiology,

developmental stage and environmental factors during growth. He highlighted the importance of metabolomics, transcriptomics, genomics, proteomics, and fluxomics. He concluded the session by encouraging the young Researchers to select their research area in phytoimmunology. The lecture ended with an interactive Question and Answer session. Prof. (Dr) A M. Ismail commented on the topic of lecture in recognition of his valuable contribution.

Ph.D. Award

Name: Dr. N. Raghavendra Babu

Title: "Synthesis, Characterization, Molecular docking studies and Invitro Anti tubercular activity of Novel heterocyclic derivatives".

University: Koneru Lakshmaiah education foundation, Deemed to be university, Vijayawada, Andhra Pradesh

Guide: Dr. R. Subhakar Raju, Professor, K.L college of Pharmacy. He has 12 years of Teaching and Eight years' research experience. He has published 40 research articles in several National and International peer reviewed journals. He has participated and presented several research papers in various National and International conferences. He has guided 21 M. Pharm thesis projects. He is a life member of Association of Pharmaceutical Teachers of India (APTI).

Sanjay Kumar Jain, Bhopal- a highly experienced pharmacy professional, has been elected unopposed as the President of Madhya Pradesh State Pharmacy Council in the recently held elections. This marks a historic moment in the state's pharmacy industry as it is

the first time a pharmacy graduate has been entrusted with this responsibility. Along with Mr. Jain, Mr. Raju Chaturvedi was elected as the Vice President and Mr. Satyendra Singh Chauhan, Mr. Ashok Kumar Jain, and Mr. Gautam Chand Dhig as executive members.

Mr. Jain has over three decades of experience in various fields of pharmacy and is currently the President of Madhya Pradesh Young Pharmacy Graduates Association and Vice President (Ind.divi) in IPA Central Body. He has previously served as the state president of IPA Madhya Pradesh branch and has spearheaded the development of pharmacy in the state during his tenure.

Under his leadership, significant progress has been made in the areas of medicine development and packaging, with medicines being exported both domestically and abroad. Upon assuming his new role, Mr. Jain expressed his gratitude towards Prime Minister Narendra Modi, Chief Minister Shivraj Singh Chouhan, BJP State President BD Sharma, and Public and Health Family Minister Dr. Prabhu Ram Chaudhary."

World Tuberculosis day

Health Awareness Club, Department of Pharmacy Practise, G. Pulla Reddy College of Pharmacy celebrated World Tuberculosis Day on March 24, 2023, with the theme "Yes! Stop TB! 20 students participated in an awareness rally with chants in the neighbourhood around the campus. Students handed pamphlets and taught TB dos and don'ts. Dr. P.K. Lakshmi, Head, Dept. of Pharmacy Practise, and Mrs. S.Shruthi and Mrs. K.Sarika, Assistant Professors, coordinated the programme.

Emerging Trends in Clinical Research and Hands On Training-2023

Pharmacy Practise Department of G.Pulla Reddy From March 1–3, 2023, College of Pharmacy held a national faculty development programme. CliMed research solutions, India, collaborated on the programme. Speakers from throughout India discussed clinical research. Chief guest Dr.Hitt Sharma, Additional Medical Director, Serum institute, Pune, India, Dr.Ajit Singh, CEO, CliMed Research solutions, India, Prof.Dr. B.Madhava Reddy Principal GPRCP, and Prof.Dr.P.K.Lakshmi, Head, Department of Pharmacy Practise inaugurated the programme. Day 1 began with Ms. Sarabjit Sidhu, Manager, Clinical Trial Transparency, GSK Pharma's talk on "Introduction to Drug Development Process" and Dr. Kanav Khara's speech on NDCT-2019 guidelines. Research Protocol and Clinical Trial Protocol Writing-Hands-on Training was discussed by Dr. Shivani Desai, Clinical Research & Pharmacovigilance Serum Institute of India, Pvt. Ltd., Pune, and Dr. Ajit Singh, Cofounder & CEO, CliMed Research Solutions, India. On day 2, Mr. Ashok C, Certified SAS Programmer & Statistical Expert, CliMed Research Solutions, India & Dr. Tarun Rache, Director, CliMed Careers & Clinical Data Management, CliMed Research Solutions, India has conducted hands-on training on Clinical SAS.Ms. Gouhar Sultana, Asst.Prof. Dept. of Pharmacy Practise, G.Pulla Reddy College of Pharmacy, demonstrated Epi Info Software, while Prof. Krishna Chaitanya Pallemapati, Director & Advisor, IBMT B school Hyderabad, highlighted collaborative problem-solving and time management. On day 3, Ms. Sravani, Marpaka, Big Data consultant-USA, discussed Vaccine Vigilance (AEFI), Dr. Swarupa Rani, Osmania Medical College, Hyderabad, discussed Materiovigilance, and Dr. Santhosh Reddy, Manager, Clinical Pharmacy Services, AIG Hospital, Gachibowli demonstrated Pharmacovigilance-Vigiflow software. 45 Hyderabad college staff and students attended the 3-day FDP. Resource Persons and participants received certificates. Delegates liked the programme. Ms. Sarika, department assistant professor, gave the final thanks. Dr.P.K.Lakshmi, Head, Department of Pharmacy Practise, and Ms.Gouhar Sultana, Ms.Archana Reddy, Mr.Naveen Kumar K, Ms.Sruthi S, and Ms.Sarika K, Asst.Professors, organised the three-day FDP.

Health Awareness Club, Department of Pharmacy Practice, G. Pulla Reddy College of Pharmacy has organized World Tuberculosis day on 24th March 2023 on the theme "Yes! We can end TB!". About 20 students have took part in the awareness rally with slogans in local area surrounding the college premises to bring awareness among the public. Pamphlets were distributed and students also explained about the do's and dont's related to TB. The program was co-ordinated by Dr. P.K. Lakshmi, Head, Dept. of Pharmacy Practice & Mrs. S.Shruthi and Mrs. K.Sarika, Assistant Professors, Dept. of Pharmacy Practice.

National Science Day Celebrations at G. Pulla Reddy College of Pharmacy, Hyderabad

G. Pulla Reddy College of Pharmacy commemorated National Science Day on February 27 and 28 in 2023 to honour Sir C.V. Raman's discovery of the Raman effect and encourage students to study science. On February 27, 2023, the Institutional Innovation Council of G. Pulla Reddy College of Pharmacy held a video presentation competition on pharmaceutical science innovations and functioning models. The finest presentations from college students won prizes and certificates. Dr. K. Latha, Professor, and Mr. Y. Srihari, Assistant Professor, directed the programme.

On February 28, G. Pulla Reddy College of Pharmacy students and staff performed pharmacy and science activities in labs. G. Pulla Reddy, New Eden, Narayanamma, and Vijaya Lakshmi High Schools sent 400 students and staff to the college. They studied on topics in Pharmaceutics, Pharmacognosy, Pharmaceutical Microbiology, Pharmacology, Pharmaceutical Chemistry, and Pharmaceutical Analysis.

Students enjoyed learning about pharmaceutical scientific applications of the studies. The Rotary Tablet Compression machine fascinated the students, who learned a lot about tablet manufacture. On day two, Dr. SK Naseeb Basha, Associate Professor, and Ch. Rajeswari, Assistant Professor, organised the programme.

National Science Day observed at COPBELA

The Fu-Forms club of the Pharmaceutics department, the Institution Innovation Council, and AICTE-Spices celebrate National Science Day 2023 with the theme "Global Science for Global Well Being" at COPBELA. Over 100 B.pharmaceutical, B.Sc., and M.Pharmacy students competed in a pharmaceutical modelling competition. The programme sought to boost students' confidence and encourage future participation. Dr. Bhag Singh Bola, S. Sukhwinder Singh Whisky, S. Jagwainder Singh, and Advocate R.N. Moudgil inaugurated the programme. Dr. Shailesh Sharma, College Director, awarded awards to competition winners and encouraged students to participate in creative and innovative programmes for personality development. Dr. Sandeep Kumar, programme coordinator, thanked the managing committee for their assistance and encouraged student engagement in such initiatives.

Amar Shaheed Baba Ajit Singh Jujhar Singh Memorial College of Pharmacy

National Science Day

Amar Shaheed Baba Ajit Singh Jujhar Singh Memorial College of Pharmacy (An Autonomous College) has celebrated National Science Day-2023 as the birth anniversary of Dr. C. V. Raman. This year this day was celebrated with the theme "Global Science for Global Well Being". Fu-Forms (The Future Formulator) club of Pharmaceutics department of the institute has organized this event with the collaboration of Institution Innovation Council and AICTE-Spices. A pharmacy-modeling competition was planned to be facilitated on the national science day. More than 100 models were prepared and presented by the B. Pharmacy, B.Sc and M.Pharmacy students. This type of versatile competition was organized just to develop confidence in the students and to motivate them to participate in future events. The program was inaugurated by Dr. Bhag Singh Bola, S. Sukhwinder Singh Whisky, S. Jagwainder Singh and Advocate R. N. Moudgil. Managing committee of the institute thanked all the faculty members for conducting such events. Dr. Shailesh Sharma, Director of the College welcomed all the students and motivated them to participate in such types of creative and innovative programs and distributed the prizes to the winners of the competition. Dr. Sandeep Kumar Co-ordinator of the program thanked the managing committee for unconditional support and also advised the students to participate in such activities for overall personality development.

G Pulla Reddy College Of Pharmacy

Five Day National Level FDP

Department of Pharmacology, Organized five days FDP from 13th Feb to 17th Feb 2023. The program was inaugurated by Chief Guests Dr. Kiranam Chatti Head, Principal, Research Scientist Dr. Reddy Institute of life Sciences, HCU, Hyderabad, Mr. Shankara Narayanam J Director Zeus Hygia Life Sciences Pvt Ltd, Balanagar, Hyderabad, Dr. B. Madhavareddy Principal GPRCP, Dr. B. Veeresh, Professor Head Dept. of Pharmacology, GPRCP and Dr. CR Patil Professor and Head Department of Pharmacology R C Institute of Pharmaceutical Education and Research by Lighting the Lamp. On Day 1, Dr. CR Patil demonstrated the recording of invasive Blood Pressure in rats. Dr. R. Padmavathi, professor, demonstrated carotid artery ligation in rats. Dr. A. Lalitha Devi, Associate Professor GPRCP demonstrated Sciatic nerve ligation in rats. Participants also Practiced the experiments under the supervision of experts. On Day 2, Mrs. Nazia Begum and Miss. K. Manipriya, Research Scholars, GPRCP demonstrated evaluation of the Estrous cycle in rats. All the Participants also practiced the procedures. Mr. Y. Sreehari and Mr. G. Sarvankumar, Assistant Professor GPRCP explained the procedures followed in Handling, maintenance, and breeding techniques of Zebrafish. On Day 3, Dr. Shankar G Alegoan, professor, and Head Dept. of Chemistry, KLE college of Pharmacy, Belagavi gave hands on training on molecular docking tools for identifying molecular targets. Dr. Naseebbasha

Shaik, Associate Professor, GPRCP, Dept. of Pharmaceutics, explained computational tools used in data analysis. Dr. Veeresh B demonstrated the application AOT 425 software for calculating Acute oral Toxicity. On Day 4, Mr. Ashok, statistical programmer, and Mr. Tarun rache, Clinical Data Analyst, Labcorp. Drug Development, Hyderabad, trained participants using the Clinical SAS application. They also explained the importance of using the Clinical SAS Software application in the interpretation of data. Mr. Sanjay R Ugare, senior assistant professor of Dept. of Pharmacology, KLE college of Pharmacy Belgavi, explained network pharmacology and its application in understanding the Molecular mechanism of actions of traditional drugs. On Day 5, Dr. K. Latha, Professor, and Head Department of Pharmaceutics gave hands-on training in Pharmacokinetic data Analysis using online tools. Mr. Raghavender Medishetti, senior Research Associate, Dr. Reddy's institute of Life sciences, Hyderabad gave live demonstration of handling zebra fish and explained the drug administration procedures of oral and Intraperitoneal route.

The 5 days FDP concluded with the Valedictory Function at 5pm. Principal appreciated all the resource persons with mementos and certificates. All the Participants presented with the Participation certificates. Few participants shared their overall learning experience during the five day FDP. Also, they requested the principal to take the initiative to conduct a few more FDPs. Dr. Veeresh B. presented a vote of thanks, and he appreciated all the participants for their constant enthusiasm in learning new skills during the period of FDP. He thanked students, teaching, Principal and management for their continuous support in conducting FDP. He appreciated non teaching staff members P. Mahender and G. Linganna for their assistance during FDP. FDP was co-ordinated by Dr. Veeresh B, Dr. R. Padmavathi, Dr. A. Lalitha Devi, Mr. Y. Sreehari and Mr. Sarvankumar Dept. of Pharmacology.

Department of Pharmacology, Organized five days FDP from 13th Feb to 17th Feb, 2023. National Science Day Celebrations

National science day was celebrated on 27th and 28th February, 2023 at G. Pulla Reddy College of Pharmacy to commemorate discovery of the Raman effect by Sir C. V. Raman and to spread the awareness & promote interest in science amongst students. On this occasion the Institutional Innovation Council of G. Pulla Reddy College of Pharmacy conducted a video presentation competition on the innovative ideas and working models related to pharmaceutical sciences on 27th February, 2023. Students from different colleges have participated in this competition. The best presentations were awarded prizes & certificates. The program was coordinated by Dr. K. Latha, Professor and Mr. Y. Srihari, Assistant Professor. On the second day i.e. 28th February, students and staff of G. Pulla Reddy College Of Pharmacy demonstrated various experiments related to pharmacy and science in various laboratories. Around 400 students and staff from different schools, G. Pulla Reddy High School, New Eden High School, G. Narayanamma High School and VijayaLakshmi High school visited the college. They interacted and learned the basics &

principles of various experiments demonstrated in Pharmaceutics, Pharmacognosy, Pharmaceutical Microbiology, Pharmacology, Pharmaceutical Chemistry, Pharmaceutical Analysis departments. The students were so enthusiastic to observe and know many pharmaceutical scientific applications of the experiments. The preparation of tablets by Rotary Tablet Compression machine was so interesting to the students and they learned many things about tablet manufacturing. Second day program was coordinated by Dr. SK Naseeb Basha, Associate Professor and Ch. Rajeswari, Assistant Professor.

National Coordination Centre For Pharmacovigilance Programme Of India (Ncc-Pvpi) Located At Indian Pharmacopoeia Commission

24th Skill Development Programme on Pharmacovigilance of Medical Products

The National Coordination Centre for Pharmacovigilance Programme of India (NCC-PvPI) located at Indian Pharmacopoeia Commission Ghaziabad, organized the 24th Skill Development Programme on Pharmacovigilance for Medical Products from 6th to 10th February, 2023 through virtual mode. The training started with a welcome address by Dr. Jai Prakash, Officer-in-Charge, PvPI. He extended his warm greetings and best wishes to all the participants on behalf of NCC-PvPI, IPC. The keynote address was delivered by Prof. Nilima A. Kshirsagar, Chairperson, Core Training Panel, PvPI.

A total of 189 registered participants from Haryana, Uttar Pradesh, Tamil Nadu, Kerala, Maharashtra, Gujarat, Rajasthan, Karnataka, Telangana, Delhi, Andhra Pradesh, West Bengal, Uttarakhand, Chhattisgarh, Puducherry, Punjab, Assam, Madhya Pradesh, Himachal Pradesh participated in this training programme. The participants included Associate Professor/Assistant Professor/HOD's, Students (B Pharm, Pharm D, MBBS), Industry Professionals, Doctor/ Dental Surgeon, Pharmacists across the country. Dr. Shashi Bhushan, Dr. R. Ray, Mr. Hammad Ali, Mr. Akash Deep Rawat, Mr. Abhishek Srivastav, Mr. Vikash Verma from NCC PvPI supported during the workshop.

During the five days Skill Development Programme, 19 technical sessions were conducted on various topics of Pharmacovigilance including Basics of Pharmacovigilance to in-depth signal detection method and Regulatory intervention/outcomes in an understandable language to the participants. All participants appreciated the Skill Development Programme.

Note: Please visit IPC website (www.ipc.gov.in) for regular updates.

World Tuberculosis day

Health Awareness Club, Department of Pharmacy Practise, G. Pulla Reddy College of Pharmacy celebrated World Tuberculosis Day on March 24, 2023, with the theme "Yes! Stop TB! 20 students participated in an awareness rally with chants in the neighbourhood around the campus. Students handed pamphlets and taught TB dos and don'ts. Dr. P.K. Lakshmi, Head, Dept. of Pharmacy Practise, and Mrs. S.Shruthi and Mrs. K.Sarika, Assistant Professors, coordinated the programme.

National Science Day Celebrations at G. Pulla Reddy College of Pharmacy, Hyderabad

G. Pulla Reddy College of Pharmacy commemorated National Science Day on February 27 and 28 in 2023 to honour Sir C.V. Raman's discovery of the Raman effect and encourage students to study science. On February 27, 2023, the Institutional Innovation Council of G. Pulla Reddy College of Pharmacy held a video presentation competition on pharmaceutical science innovations and functioning models. The finest presentations from college students won prizes and certificates. Dr. K. Latha, Professor, and Mr. Y. Srihari, Assistant Professor, directed the programme.

On February 28, G. Pulla Reddy College of Pharmacy students and staff performed pharmacy and science activities in labs. G. Pulla Reddy, New Eden, Narayanamma, and Vijaya Lakshmi High Schools sent 400 students and staff to the college. They studied on topics in Pharmaceutics, Pharmacognosy, Pharmaceutical Microbiology, Pharmacology, Pharmaceutical Chemistry, and Pharmaceutical Analysis.

Students enjoyed learning about pharmaceutical scientific applications of the studies. The Rotary Tablet Compression machine fascinated the students, who learned a lot about tablet manufacture. On day two, Dr. SK Naseeb Basha, Associate Professor, and Ch. Rajeswari, Assistant Professor, organised the programme.

National Science Day observed at COPBELA

The Fu-Forms club of the Pharmaceutics department, the Institution Innovation Council, and AICTE-Spices celebrate National Science Day 2023 with the theme "Global Science for Global Well Being" at COPBELA. Over 100 B.pharmaceutical, B.Sc., and M.Pharmacy students competed in a pharmaceutical modelling competition. The programme sought to boost students' confidence and encourage future participation. Dr. Bhag Singh Bola, S. Sukhwinder Singh Whisky, S. Jagwainder Singh, and Advocate R.N. Moudgil inaugurated the programme. Dr. Shailesh Sharma, College Director, awarded awards to competition winners and encouraged students to participate in creative and innovative programmes for personality development. Dr. Sandeep Kumar, programme coordinator, thanked the managing committee for their assistance and encouraged student engagement in such initiatives.

The afternoon session started with a poster presentation with more than 50 posters of original research work and reviews in pharmacy practice being presented.

National Science Day Celebration

G. Pulla Reddy College of Pharmacy celebrated National Science Day on 28th February, 2022. Science Day is celebrated every year in commemoration of Sir C.V. Raman's discovery, to spread awareness and promote interest in science among the students. About 80 students presented videos and e-Posters on various scientific discoveries.

International Women's Day

G. Pulla Reddy College of Pharmacy celebrated International Women's Day on 8th March, 2022 with the theme, 'Break the Bias'. The Chief Guest for the event was Shri Ajay Mishra, IAS, former Special Chief Secretary, Energy Department, Government of Telangana, Director-General, Renewable Energy Society of India. Guest of Honour, Smt. Anjali Razdan, Education Advisor and Academic Director, Schools. Students and faculty actively participated in the event.

Chancellor of Amrita Vishwa Vidyapeetham, Mata Amritanandamayi with an official from University of Arizona, US.

"Besides being given the unique opportunity to receive two degrees, one M.Sc. Biotechnology, Microbiology or Bioinformatics from AVV and the other M.S. Cellular & Molecular Medicine from the U-of-A, the students enrolling for this spectacular dual degree programme in lifesciences would benefit tremendously from this innovative approach of flexible one-of-its-kind modular courses offered by DCMM at the U-of-A as-well-as to conduct research within the U-of-A laboratories.

About the programme, Carol C. Gregorio, Head of DCMM & Assistant Vice Provost of Global Health Sciences, U-of-A said, "We are honored to have entered this dual degree partnership with AVV University - one of the top research institutions in India. This opportunity allows us to push the boundaries in our own university by tapping expertise of our renowned and internationally recognized faculty. This exciting opportunity is part of our larger mission to expand access to Arizona Health Sciences education within the US and around the world." Dr Maneesha Ramesh, Dean, International Programs, AVV added, "Amrita was ranked the fourth Best Overall University in India in the 2020 NIRF (National Institutional Ranking Framework) rankings. In continuing with our quest for excellence, this dual degree arrangement with the U-of-A is a strategically important step to ensure that our students receive the best possible training as a stepping stone to a bright future."

G. Pulla Reddy College of Pharmacy Organizes e-Student Skill Development Programme, Independence Day Celebrations, B. Pharm. Convocation Day and International Yoga Day

HYDERABAD: An **"e-Student Skill Development Programme (SSDP)"** was jointly organized by Department of Pharmaceutics and Department of Pharmaceutical Analysis, G. Pulla Reddy College of Pharmacy (GPRCP), Mehdiapatnam, Hyderabad from August 12-14, 2021. Two scientific sessions were conducted each day and six eminent speakers delivered their online presentations on various experimental skills and theoretical knowledge required for the students to develop professional career in pharma sector. More than 700

Chairman of BOS in Pharmacy (UG), RGUHS-Bengaluru, Dr Md. Salahuddin (top left) speaking at a webinar on e-SSDP organized by GPRCP.

participants from various academic institutions registered for the three-day programme.

The webinar was inaugurated with an invocation song and virtual lamp lighting ceremony. Dr B. Madhava Reddy, Principal of GPRCP & Convener of the programme gave the welcome address. Both the organizing secretaries of e-SSDP, Dr Y. Padmavathi, Professor, Department of Pharmaceutical Analysis, GPRCP; and Dr K. Latha, Professor, Department of Pharmaceutics, GPRCP spoke during the inaugural session of the digital event.

In his keynote address, the chief guest, Dr Md. Salahuddin, Chairman, Board of Studies (BOS) in Pharmacy (UG), Rajiv Gandhi University of Health Sciences (RGUHS), Bengaluru, emphasized on various entrepreneurial opportunities and skills required for pharmacy graduates. Anirudha Bharadwaj Kulkarni, Principal Scientist, Baxter Innovations & Business Solutions Pvt. Ltd., Bengaluru, highlighted various regulatory aspects and skills required for career development in regulatory affairs division of the pharma industry. Dr Biswa Mohan Sahoo, Professor & Research Coordinator, Roland Institute of Pharmaceutical Sciences, Berhampur, Odisha demonstrated various experimental skills in microwave synthesis and chemistry software tools. Leander Corrie, Research Scholar, Lovely Professional University, Punjab, explained about Quality by Design (QbD) approach as solution for various quality issues in drug development. Ms Anjali Akari, Analyst, Novartis, Hyderabad discussed patenting issues and simple ideas that can be developed into innovations. Dr M. Sneha Latha, Senior Principal Scientist-II, STA Pharmaceuticals (a WuXi App Tec Company), Shanghai, China discussed importance of various technical skills and regulatory issues in generic drug development. On the third and concluding day of the webinar, a valedictory function was held which was graced by the chief guest, V. Sangram, Drug Inspector (India), Central Drugs Standard Control Organization (CDSCO), Ministry of Health & Family Welfare, New Delhi. Also, feedback of the digital session were taken and e-Certificates were distributed to all the participants of the three-day programme.

In another activity, Prof B. Madhava Reddy hoisted the national flag on August 15, 2021 to celebrate the **"75th Independence Day"** of the country at GPRCP. While

Prof B. Madhava Reddy, Principal, GPRCP speaking during the 75th Independence Day celebrations.

addressing the staff and students of the college, he mentioned, "If each and every citizen works in his / her domain with patriotism; that itself is a great respect and tribute to the freedom fighters of the country." An essay writing competition was also organized for students of the College on the topic '*The stories of Indian Freedom struggle and the sacrifices of Indian Defence personnel*'. Other competitions that were also held to mark the occasion included e-Poster presentation and patient information leaflet preparation for Pharm.D students. In the end, the winners of all the competitions were presented with merit certificates and prizes.

A "**Convocation Day**" for B. Pharm. students of GPRCP who completed their course during the academic year 2020-21 was conducted on August 14, 2021 in the new auditorium of GPRCP campus. Ms Rajyalakshmi Rao, Former Judge, Consumer Court, Mumbai was the chief guest of the function. While addressing the graduate students, she praised the medical and pharma professionals for their noble services and humanitarian attitude in the society. She also encouraged women graduates to be positive and strong to take up any professional career on par with men. In his valuable message, A. Issac George, Chief Executive Officer (CEO) & Director of GVK Group of Companies mentioned some of the important protocols to be followed in corporate sector for a successful career. Prof Prasada Rao, Director, Sharada University, Gurgaon, Haryana stressed upon the importance of practical skills learned in the college.

(Left Photo): An international yoga trainer, Ms M. Supraja Reddy explaining the importance of yoga during the International Yoga Day virtual celebrations by GPRCP. (Right Photo): Students and teaching staff members of GPRCP actively participating in the session.

Earlier, in his welcome address, Prof B. Madhava Reddy informed that the pharma industry worldwide faced many challenges during COVID-19 pandemic and "Indian pharma industry always stood on the forefront in producing COVID-19 drugs at affordable cost & in short time and even exported to other countries. All this was possible because of the constant efforts and hard work of the pharmacy professionals working in the industry." Prof Reddy also appreciated the students for their good performance in national level competitive exams like GPAT, NIPER, JEE, etc. After the inaugural session, the successful graduate students were presented with graduation certificates. The programme was coordinated by Ms P.C.S. Mahalakshmi and Ms Ch. Rajeshwari, Assistant Professors of GPRCP.

Also, GPRCP virtually celebrated the "**7th International Yoga Day**" on June 21, 2021. Dr B. Madhava Reddy, in his welcome address, briefed the gathering about the importance of yoga during the corona pandemic. The speaker of the online session, Ms M. Supraja Reddy, an international yoga trainer & founder of 'The Yoga Hive', Hyderabad, explained the importance of yoga for management of COVID-19. She also gave demonstrations of certain yogasanas and breathing techniques to control corona complications. Around 100 students and teaching staff members actively participated in the yoga day celebration. The programme concluded with vote of thanks proposed by Dr Veeresh B., Professor, Department of Pharmacology, GPRCP.

Best Pharmacy Teacher Award 2017

Dr. Sama Venkatesh, Professor, Department of Pharmacognosy, G.Pulla Reddy College of Pharmacy, Hyderabad received the Best Pharmacy Teacher of the year 2017 award for Telangana state. The Award was presented by the Chief Guest Prof. C. K. Kokate, Former Vice - Chancellor, Kakatiya University and KLE University and Guest of Honour Dr. V. P. Singh, Officiating Vice-Chancellor, Sumandeep University, Vadodara.

Pharma Times Vol.50 No-03 March 2018 Page No:41

Best Pharmacy Teacher Award 2017

Also, Prof Farhan Ahmad was invited as a guest at Mustafa Prize Ceremony in Tehran, Iran from December 1-6, 2017. The Mustafa Prize is a platform for top scientists and innovative engineers from Other Islamic Countries (OIC) member states to present their achievements to the world. It also aims to improve scientific relations between academics and researchers in order to facilitate the growth of science in OIC member states.

Prof Farhan also visited Shahid Beheshti University of Medical Sciences under KANS (Knowledge Application & Notion for Society) Forum along with Professor Jackie Ying, Executive Director, Singapore Institute of Bioengineering & Nanotechnology. Both of them visited research centers, laboratories and saw various activities of the Institute. They also attended a general conference where large number of students and faculty members were present to exchange views on the latest achievements in the field of nanotechnology & drug delivery. Dr Harirchi, Deputy Minister of Health; Dr Ranjbarzadeh, member of Iran's Parliament; and Dr Faizi, Vice-Chancellor of International Affairs graced the occasion. Also, two of the world's premier science researchers presented their achievements and enlightened the audience with their advancements. At the end of the session, they responded to questions from students.

పరిశుభ్రతపై శ్రద్ధ చూపాలి

పరిశుభ్రతగా ఉండే ప్రతి ఒక్కరు అరోగ్య కరంగా ఉండగలుగుతారు. శుభ్రతపై ప్రత్యేక శ్రద్ధ చూపాలి. కొత్త సంవత్సరం గుర్తుండే విధంగా కార్వాన్ నియోజకవర్గం ప్రజలంతా ప్రాంతాన్ని పరిశుభ్రంగా ఉంచుతామని శపథం చేయాలి. ఎప్పుడవదీతే అక్కడ వెళ్తను పడిపోయేటట్లుగా ప్రతి ఒక్కరిలో అవగాహన కలిగించే ప్రయత్నం ప్రతి ఒక్కరు చేయడం సమాజానికి ఎంతగానో ఉపయోగపడుతుంది. తమ బాదిలో పాటు తమ ప్రాంతాన్ని, నగరాన్ని పరిశుభ్రంగా ఉంచుతూ స్వచ్ఛ హైదరాబాద్గా తీర్చిదిద్దాలి. - మహ్మద్ కౌసర్ మొయినుద్దీన్, ఎమ్మెల్యే కార్వాన్

నీటిని పాడుపుచేద్దాం

మనదగ్గరే కాకుండా ప్రపంచ మొత్తంలో కూడా తాగునీటి వనరులు తగ్గి పోతున్నాయి. ఇది ప్రపంచంలో అందరూ ఎదుర్కొంటున్న సమస్య. ఈ సమస్యను అందరూ కలిసి అధిగమించాలి. ఇందుకోసం ఏం చేయాలన్న విషయాన్ని కనీసం ఈ కొత్త సంవత్సరంలోనేనా ఆలోచించాలి. మనకు తెలిసినవి విషయాలు ఏమిటంటే నీటిని పాడుపుగా వాడాలి. ఆ నీటి రొదుపే, రేపు మనల్ని లక్షిస్తుంది. ప్రతి ఇంట్లో ఇంకుడు గుంత తవ్వనినరిగి ఏర్పాటు చేయాలి.

- టి. ప్రభాష్ గౌడ్, ఎమ్మెల్యే, రాజేంద్రనగర్

మొక్కలు నాటడం

2018 నూతన సంవత్సరానికి గుర్తుగా ప్రతి వ్యక్తి 1 మొక్కను నాటాలి. అనేక భావితరాలకు ఉపయోగపడుతుంది. చెట్లు జలాభావ తగ్గట్టుగా లేకపోవడంలో పర్యావరణంపై తీవ్ర ప్రభావం చూపుతుంది. వాతావరణంలో అనేక మార్పులు లేకుండా చేసుకుంటున్నాయి. వీటన్నింటినీ సమతుల్యతలో ఉంచాలంటే ప్రతి ఒక్కరు మొక్క నాటి నూతన సంవత్సరానికి గుర్తుగా దాన్ని పెంచాలి. అప్పుడే పర్యావరణ పరిరక్షణకు మనవంతు సహకారం చేసినవారం అవుతారు.

- చౌద రమేష్, పశ్చిమ మండలం ఆర్డీఏ

కాలుష్యాన్ని తరిమేద్దాం

నగరంలో లేజు రోజుకు పెరుగుతున్న కాలుష్యాన్ని రానున్న 2018 నూతన సంవత్సరంలోనేనా తరిమికొల్పేందుకు అందరూ ముందుకు రావాలి. నగరంలో వాహనాల సంఖ్యను తగ్గించేందుకు అవసరమైన రవాణా పోలీసులను ఉపయోగించుకోవాలి. తమ తమ వాహనాలను ఎప్పుడీకప్పుడు యాంత్రిక సమస్యలేకుండా, అధికకాలం పొగ వెదుదలకాకుండా ఉండేందుకు వాహనదారులు జాగ్రత్త పడాలి. వాహనదారుల్లో అవగాహన పెంచాల్సిన అవసరం ఎంతైనా ఉంది.

- బి. మాధవరెడ్డి, పుల్లారెడ్డి ఫార్మస్ కళాశాల ప్రిన్సిపాల్

ఇతరులకు హానికలిగించొద్దు..

కొత్త సంవత్సరం పేరుతో ఇతరులకు హాని కలిగించే పనులు చేయవద్దు. నూతన సంవత్సరం సందర్భాలను తమ తమ ఇళ్లవద్దే అనందంగా జరుపుకోవాలి. రోడ్డుపైకి వచ్చి పొంగిమోసాడుకునేవారే సరికాదు. తమ నిర్లయం వల్ల ఇతరులకు హాని కలిగే ప్రయోజనాలు అరికేలా ఉంటాయన్న విషయాన్ని మనవద్ద 2018 నూతన సంవత్సరాన్ని తమ భార్య బిడ్డలతో సంతోషంగా జరుపుకోవడమే ఉద్దేశమైంది. నూతన సంవత్సరం సందేశంగా ప్రతి ఒక్కరు రోడ్డు ప్రమాదాలు తగ్గించేందుకు కంకణం కట్టుకోవాలి.

- అశోక్ చక్రవర్తి, ఏసీపీ, ఆసిఫ్ నగర్

మంచి సందేశం ఇవ్వాలి

నూతన సంవత్సరం జరుపుకోవడం మన భారతదేశ సంస్కృతి కాబోయి సస్పెన్షి అందరూ తమ తమ ప్రాంతాల్లో సమావేశమై సమాజానికి ఉపయోగపడే 1 మంచి సందేశాన్ని ఇవ్వకోవాలి. అంతేకాక ఆధ్యాత్మిక పరంగా సందేశాలు ఇవ్వాలి. 2018 నూతన సంవత్సరం పేరుతో తెల్లవాడ మేలుకోవా అనుకుంటే అందరూ ఒక దగ్గర సమావేశమై మంచి సందేశాలు ఇచ్చుకోవడమే మంచిది.

- చెన్న జయదేవ్, రిటైర్డ్ చీఫ్ ఇంజనీర్

ప్లాస్టిక్ ను తగ్గిద్దాం...

ప్లాస్టిక్ కారణంగా అనేక వాతావరణ సమస్యలు వస్తున్నాయి. ఈ ప్లాస్టిక్ వల్లనే ఎక్కడె కాలుష్యంతో గాలి, నీరు, అన్ని వివహరితంగా మారుతున్నాయి. ఈ కొత్త ఏడాదిలోనేనా కనీసం ప్లాస్టిక్ వాడడం తగ్గిద్దామన్న నిర్ణయాన్ని ప్రజలందరూ రావాలని కోరుకుంటున్నాను. మనం నిత్యం వాడే బ్యాగులు, చేతి సంచులు, బ్యాట్ గానీ, ఇతర వై ఉండాలి. లేదా మంచి ప్లాస్టిక్ బ్యాగు అయితే కనీసం దాన్ని ఇర్రై పార్కు వాడాలి. ఇలాంటి నిర్ణయాలు ప్రజలు తీసుకోవాలి. ప్లాస్టిక్ ను ఎంత తగ్గిస్తే అంత మంచిది.

- జి.ఎన్.ఆర్.ప్రసాద్, ఆసోసియేట్ ప్రొఫెసర్, నీటిబిటి కళాశాల

పిల్లల బాధ్యత తీసుకోవాలి

నూతన సంవత్సరం సందర్భంగా ప్రతి ఒక్కరు తమ అల్లులను సాధించా అని ఆమె అభిప్రాయం. ముఖ్యంగా తల్లిదండ్రులు తమ పిల్లల ప్రవర్తన పై ప్రత్యేక శ్రద్ధ చూపాలి. నూతన సంవత్సరంలోకి అడుగుపెడుతున్న ఈ సందర్భంగా తల్లిదండ్రులంతా ప్రత్యేకంగా తమ పిల్లల బుచ్చెత్తుకు సమయాన్ని కేటాయించి వారికి మంచి మార్గాన్ని చూపాలి. నేను యువత మత్తుకు బానిస అవుతున్నాను. అలాంటి ఉచ్చులోకి తమ పిల్లలు వెళ్లకుండా, తమ పిల్లలను భావితరాలకు అందించడమే అట్లుగా తల్లిదండ్రులు ఒక శపథాన్ని తీసుకొని ముందుకు పోగలిగి.

- చంద్రశేఖర, సికింద్రాబాద్ ఆర్డీఏ

ఆంధ్రజ్యోతి

education, pharmaceutical research and outreach. Continuing with the student exchange program, five students of the Third Year B.Pharm. from Sinhgad College of Pharmacy did their project in France from 1st June 2017 to 31st July 2017.

Five students namely, Ms. Akshata Mayekar, Ms. Samruddhi Bhide, Ms. Rucha Rokade, Ms. Preeti Sathe and Ms. Samruddhi Kavishwar carried out two months research project at the University of Auvergne, France in various areas. Ms. Akshata Mayekar and Ms. Rucha Rokade worked on Formulation of Microparticles, checking the viability of probiotic and coating of microparticles in Mini Glatt under the guidance of Dr. Jean Michel-CARDOT. Ms. Preeti Sathe worked in the area of Pharmaceutical Chemistry on chemical synthesis and physical evaluation of gadolinium chelates used as specific contrast agents in MRI under the guidance of Dr. Magali Vivier. Ms. Samruddhi Bhide carried her project in the area of Pharmacology in assessment of the structure of the enteric nervous system by two techniques: whole mount and immunohistochemistry and perspectives for visceral hypersensitivity studies under the guidance of Geoffroy Mallaret. Ms. Samruddhi Kavishwar did her project in the area of Pharmacology on the topic of 'Behavioral explorations of animal models of chemotherapy-induced peripheral neuropathy'.

This MOU was initiated and executed by Dr. Amelia M. Avachat, Professor, Dept. of Pharmaceutics and ably supported and guided by the principal Dr. K.N. Gujar.

India's first pharmacy institute, L. M. College of Pharmacy at Ahmedabad, Gujarat has been selected for setting up **ATAL INCUBATION CENTER** by Niti Aayog. The institute will receive a grant up to 10 crores over 5 years for establishing and running the centre. The incubation centre is only healthcare specific incubation centre of the country. Ultra sophisticated laboratory facilities will be developed to support and mentor the innovation ideas of the students and faculties of the country. The training program will be conducted round the year to motivate the young brains for innovative ideas and solutions to existing healthcare and pharmaceuticals related problems. The generated ideas will be mentored in the incubation centre to convert it in to a start-up.

The incubation centre facilities can also be extended to support the small and medium scale healthcare industry for bringing solution to their day to day problems. The centre will have a full time CEO and pool of mentors from variety of fields such as healthcare industry, academics, management, law etc. to provide continuous support to convert an innovative idea to a start-up.

Graduation Day for B.Pharm 2013-17 batch students was celebrated on 22nd July 2017 in the college. The programme was presided by Dr B. Madhava Reddy, Principal, **G. Pulla Reddy College of Pharmacy**. Chief Guest Prof V.V. Basava Rao, Dean, Faculty of Pharmacy, University College of Technology, Osmania University, and guest of honour Prof. K. Janardhan Reddy, Former executive council member, Osmania University, Former Principal, University College of Science, Osmania University inaugurated the programme.

Dr B. Madhava Reddy, Principal gave welcome address and conveyed his wishes to the students and emphasized on the role and responsibilities, ethics to be followed in their future career.

Prof. V.V Basava Rao addressed the graduate students and conveyed the importance of pharmaceutical technical skills and English communication skills in their professional jobs. Prof. Janardhan Reddy has spoken on the achievements of popular Indian scientists and their scientific contribution. Prof. Reddy stressed that the graduate students shall continue their efforts to excel in their career and be motivated by the spirit of great Indian scientists. Later graduation certificates were presented by the chief guest, guest of honour and principal to the students who have completed B.Pharmacy (2013-2017). Students have shared their memories in the college. Teaching staff conveyed wishes to the students. Principal Dr B. Madhava Reddy honoured the guests with mementos.

World Environment Day and World Anti-Tobacco Day was observed at J.K.K.Nataraja College of Pharmacy. World Environment Day was announced by the United Nations General Assembly in 1972 to mark the opening of the Stockholm Conference on the Human Environment on June 5, 1972. It is on the same day the United Nations Environment

demonstration and Hands on Training sessions. In the end session the students and faculty members had deep insights in these analytical instruments and were inculcated with objective on working in the field of Pharmaceutical Analysis.

14th September, 2017

Delhi Pharmaceutical Science and Research University (DPSR University), New Delhi organized an **Orientation Programme** for the newly admitted M. Pharm/ Pharm MBA/ MPH/ MHM students at the university auditorium 14th Sept. 2017. The 14 Sept 2017 was marked as a memorable day in the life of every fresher at DPSR University, New Delhi. The orientation programme was a day that was filled with excitement, joy, music, enthusiasm, laughter and happiness. DPSR University welcomes the PG students and all guest speakers Prof. R.K. Khar (Ex-Dean, Jamia Hamdard), Dr. Arun Purohit (Ex-Vice President, Ranbaxy Global Market), and Satya Narayanan (Founder & Chairman, CL Educare), who graced the occasion with their presence. The programme was celebrated in the presence of our Honorable Vice Chancellor Prof. R.K. Goyal, Registrar of the University Prof. D.P. Pathak, Principal & Dean, Pharmaceutical Sciences, Prof. Harvinder Popli, Distinguished Professor Prof. S.K. Gupta, Dr. Madhu Gupta and Dr. Ajit Thakur (co-ordinator of Programme), and faculty members of DIPSAR and DPSRU, administrative staff and students.

The celebration of Orientation started off sharp at 09:30 AM with the opening prayer of goddess Saraswati with the Lamp Lightening, University Songs followed by the welcome address by Prof. Harvinder Popli. She expressed a brief description of the university, which included the motto, history and reputation of university. The freshers were formally welcomed into the DPSR family, and the guest speakers were introduced.

After then, a brief introduction of the University was given by Prof. D.P. Pathak. Then, orientation programme was started with the blessings of Honorable Vice-Chancellor Prof. Ramesh K. Goyal, while delivering a speech on the occasion, said that it was not the events but the attitude that caused success as well as an introduction regarding the academic disciplines.

To aware the Pharmaceutical sciences and its scope, the first speech was presented by Prof. R.K. Khar on the topic Pharmaceutical Sciences: Moving with the new time. His interactive lecture followed by Global Healthcare: An Industrial Perspective by Dr. Arun Purohit. After that, next interactive session was delivered by Mr. Satya Narayanan R. on the today's demanding aspects as Innovation & Entrepreneurship: Today & Tomorrow. He discussed the importance of entrepreneurship and how innovation and incubation centre set up at the college can facilitate in shaping and honing startups at the institute. He further discussed the vital role of development of new technologies.

To aware the Pharmaceutical sciences and its scope, the first speech was presented by Prof. R.K. Khar on the topic Pharmaceutical Sciences: Moving with the new time. His interactive lecture followed by Global Healthcare: An Industrial Perspective by Dr. Arun Purohit. After that, next interactive session was delivered by Mr. Satya Narayanan R. on the today's demanding aspects as Innovation & Entrepreneurship: Today & Tomorrow. He discussed the importance of entrepreneurship and how innovation and incubation centre set up at the college can facilitate in shaping and honing startups at the institute. He further discussed the vital role of development of new technologies.

Next up, was the interactive session between the first year and final year PG students with various activities such as quiz competition, poster session and fun games. The students displayed their skills and conveyed their messages through their posters, which came out to be 100 in number. The winners were awarded by the prizes. The program concluded with the vote of thanks and finally all the freshers including the seniors rocked the show and enjoyed the celebrations and all thanked the HOD, staff and seniors students for hosting such a nice program that they could cherish lifelong. All the faculties and students participated in this programme with great enthusiasm. The 1-day extravaganza came to an end with the provision of refreshments.

Teacher's Day & Traditional Day Celebrations on 9th Sep,2017

Teachers Day and Traditional Day Celebrated at G. Pulla Reddy College of Pharmacy

HYDERABAD: The students of G. Pulla Reddy College of Pharmacy (GPRCP), Hyderabad celebrated Teacher's Day on 9th September 2017 in the college premises in a distinctive way. The programme was inaugurated by the chief guest Dr Kavita Waghrey, Head, Department of Pharmaceutical Sciences, OUCT, Osmania University, Hyderabad.

(Left Photo): Dr Kavita Waghrey, Head, Department of Pharmaceutical Sciences, Osmania University seen lighting the traditional lamp on the occasion of Teacher's Day at GPRCP. *(Right Photo):* Students of GPRCP celebrating Teacher's Day in the college premises.

In his welcome speech, Dr B. Madhava Reddy, Principal of GPRCP explained the importance of teachers in the society and how former President of India Dr Sarvepalli Radhakrishnan dedicated his life for teacher's fraternity. In her inaugural address, Dr Kavita Waghrey appreciated the students for celebrating teacher's day and advised them to interact closely with the teachers. She also shared her teaching experiences and motivated the students by differentiating formal and informal teachers who will help them in developing their career.

After the inaugural session, Dr Y. Padmavathi, Professor, Department of Pharmaceutical Analysis, GPRCP; and Dr B. Madhava Reddy felicitated Dr Kavita. On the occasion, few students expressed their feelings in appreciation of the teachers who imparted knowledge to them. All the staff and the students of the College appeared in traditional attire. Moreover, students conducted some competitions like antakshari, treasure hunt and few other activities for the teachers of the College.

Training Program for Pharmacy Students from Sudan conducted by GPRCP (Feb.24-March 1,2014)

Training Program for Pharmacy Students from Sudan Conducted by GPRCP

HYDERABAD: A week-long technical training program on **"Industrial Pharmacy"** was organized by G. Pulla Reddy College of Pharmacy (GPRCP), Hyderabad from February 24 – March 1, 2014 at the college premises. The program was inaugurated by Prof (Dr) B. Madhava Reddy, Principal, GPRCP; and the coordinator, Dr A.V. Srikanth, Principal, Government Polytechnic, Yadagirigutta, Andhra Pradesh.

Around 25 pharmacy students from Sudan's Omdurman Islamic University participated in the training, which provided insights into the aspects of industrial pharmacy. The international students were given practical hands-on training in tablet compression process, High Performance Liquid Chromatography (HPLC) and formulation of nanocarriers. They were also given lectures on various theoretical aspects of solid dosage form production process, in-process quality control tests, quality assurance, method development using HPLC, preformulation, International Conference on Harmonization (ICH) guidelines, investigational new drug applications, new drug applications and therapeutic drug monitoring. The lectures were delivered by senior professors of the College; chiefly among them were Dr P.K. Lakshmi, Dr B. Veeresh, Dr Padmavathi, Dr K. Latha and Ms D. Prasanthi. An interactive session after each lecture was also conducted between teachers and students. As part of the training program, the international students also visited Natco Pharma at Kothur, Hyderabad. The College was overwhelmed by the encouraging feedback received from both students and faculty regarding the training program.

The workshop ended with distribution of certificates to all the students by Prof Madhava Reddy and Dr Srikanth. Finally, Dr P.K. Lakshmi, Professor, GPRCP proposed vote of thanks.

Teacher's Day celebrations, 2014

Teachers' Day Celebrated at GPRCP

HYDERABAD: The students of G. Pulla Reddy College of Pharmacy (GPRCP), Mehdiapatnam, Hyderabad celebrated teacher's day on September 5, 2014 in the college premises in a unique manner. The programme was inaugurated by the chief guest, Dr P. Amareshwar, former Professor of Kakatiya and Osmania universities; and guest of honours*, Dr K. Janardhan Reddy, former Professor of Osmania University and Dr R. Shyamsunder, Dean-Faculty of Pharmacy, Osmania University.

Teachers' Day celebration at GPRCP in progress. Also seated among the dignitaries is the principal of the College, Prof B. Madhava Reddy (extreme right).

In his keynote address, Prof (Dr) B. Madhava Reddy, Principal of GPRCP stressed the importance of teachers in the society and how former president of India, Dr Sarvepalli Radhakrishnan, dedicated his life for teacher's fraternity. Dr Amareshwar shared his valuable experiences when he was a teacher with the audience. In his message, Dr Janardhan Reddy remarked, "We should always remember the principles of Dr Radhakrishnan whose birthday is celebrated as teacher's day." Stressing the need for friendly teacher-student relationship, Dr Shyamsunder advised teachers to constantly monitor student's progress.

After the inaugural function, there were competitions like quiz, treasure hunt and musical chairs for teachers. Few students expressed their feelings in appreciation of the teachers who imparted knowledge to them. Finally, as a token of respect, students presented mementos to all teaching and non-teaching staff of the college.

Sudan- a weeklong training program from 24th Feb to 1st March, 2014

G.Pulla Reddy College of Pharmacy

G.Pulla Reddy College of Pharmacy organized a weeklong training program on industrial pharmacy from 24th Feb to 1st March, 2014. The program was coordinated by Dr. A. V. Srikanth, Principal, Government Polytechnic, Yadagirigutta, AP. The training program was aimed at providing insight into industrial pharmacy aspects. The program was inaugurated by Prof. Dr. B. Madhavareddy, Principal, G.Pulla Reddy College of Pharmacy, Mehdiapatnam, Hyderabad and Dr. A.V. Srikanth. The hospitality arrangements of the trainees were looked after by Smt. Prema Kumari Srikanth. 25 pharmacy students of Omdurman Islamic University from Sudan participated the training. The students were given practical hands-on training on various industrial equipments and machines. They were also given detailed lectures on various theoretical aspects. The program ended with a happy note and certificate distribution by Prof. Dr. B. Madhava Reddy, and Dr. A. V. Srikanth. Dr. P. K. Lakshmi proposed Vote of Thanks.

KOLKATA: Dr Surinder Singh, Director, National Institute of Biologicals (NIB), Government of India (GoI), New Delhi; and Ms Akanksha Bisht, Member Secretary-Haemovigilance Programme of India (HvPI) & Scientific Assistant, Indian Pharmacopoeia Commission (IPC), Ministry of Health & Family Welfare, GoI has received the prestigious "Dr B.C. Roy Memorial Award 2014" for their excellent contribution towards blood safety programme in India. The award was given by the Kolkata-based Federation of Blood Donor Organization of India at a CME (Continuing Medical Education) held at Science City, Kolkata on Doctors Day on July 1, 2014.

Dr Surinder Singh, who belongs to Reasi in J&K, is credited with implementing 'Haemovigilance' – a set of surveillance procedures covering the whole transfusion chain from the collection of blood and its components to the follow-up of its recipients. It is an important tool for improving safe blood transfusion practices in the country.

HvPI was launched on December 10, 2012 in India. The National Coordinating Centre of this programme is at NIB, Noida, Uttar Pradesh and is being implemented by Dr Surinder Singh with financial assistance being provided by the IPC under the Pharmacovigilance Programme of India. At present, 154 centres [medical colleges (government & private), institutions, hospitals (government & private) and blood banks] are enrolled under this programme. An indigenous software 'haemo-vigil' has been developed by the software development team of NIB & IPC for collecting & collating transfusion reaction data from enrolled centres.

One Day Seminar on "Innovations in Pharmaceutical Research - 2014 "& Poster Presentations on 23rd August,2014.

SEMINARS ORGANIZED

G.Pulla Reddy College of Pharmacy

Innovations in Pharmaceutical Research 2014 and Scientific
Poster Presentations.

A one day seminar on "Innovations in Pharmaceutical Research 2014 and Scientific Poster Presentations" was organized by G. Pulla Reddy College of Pharmacy, Hyderabad on 23rd August, 2014.

The seminar was aimed to provide the knowledge on "Innovations in pharmaceutical research" to undergraduate and post graduate students. The program was inaugurated by the chief guest Dr. S. SApte, Vice president, NDDS division, Natco Research Centre, and Guest of honour Dr. D. Vijayabharathi, Principal Scientist Grade II, Bioanalytical division, Aurobindo Pharmaceutical Ltd.,. Scientific abstract book was released on this occasion. In the first session Dr. S. S. Apte delivered a lecture on "Formulation development of nanoparticle drug delivery systems." Dr. D. Vijayabharathi delivered a talk on "Bio analytical method development and validation". In the afternoon session, students from various colleges presented posters in various aspects of Pharmaceutical research and development. In the evening Valedictory programme was conducted. Dr. A. V. Srikanth, Principal, Govt. Polytechnic, Yadagirigutta and also the governing council nominee to G.Pulla Reddy college of Pharmacy was the chief guest and distributed the prizes to the winners of poster presentation competition. The programme concluded with Vote of Thanks.

presentation. This exclusive topic comprises with the correlation approach of far-sight of pharmacy which is the vision of pharmacy (phar-sight) in globalization during past & current millennium. The topic has been supervised by Prof. Dr. Dhruvo Jyoti Sen of the same college. Mr. Sarker is the first international student of SSPC who came from Bangladesh.

Mr. P. Bala Raju

Dr. Samavenkatesh

Rajinibhai V. Patel Best M. Pharm thesis award for the year 2013-14 is conferred to Mr. P Bala Raju as winners for his thesis entitled on

"Bioenhancing effects of Naringin on Atorvastatin" in Pharmacognosy. Mr. Bal Raj is the student of G. Pulla Reddy college of Pharmacy, Hyderabad and worked under the guidance of Prof. Sama Venkatesh. The objective of the award is to encourage innovative thinking amongst students pursuing their Masters in Pharmaceutical sciences. The award is sponsored by Rajinibhai V. Patel Trust, in co-sponsorship of Department of Science & Technology, Govt of India & M/s Troika Pharmaceuticals and coordinated by LM college of Pharmacy Ahmedabad. The Award Ceremony will be held on 24th May 2014 at Ahmedabad to felicitate winners, runners-up and their research guides with cash awards of Rs. 51000/- to the student and Rs. 25000/- to research guide along with trophy and certificate. Hon'ble Dr. A. P. J. Abdul Kalam, Former President of India has kindly given his consent to address & interact with the research scholars & students of Pharmacy on this occasion. Mr. Bala Raju also received Best Outstanding Pharmacy Student of the year 2011-12 from 54th Indian Pharmaceutical Congress Trust, Pune. The management, staff and students of G. Pulla Reddy college of Pharmacy has congratulated the awardees.

Meanwhile, to mark the platinum jubilee celebrations of IPA, postal stamp was released by the dignitaries on the dais. Also, a pocket booklet *'A guide to medication by Pharmacist'* was released during the convention.

Harkishan Singh Honoured with D.Sc. Degree from Philadelphia USciences

CHANDIGARH: Dr Harkishan Singh, Professor Emeritus, University Institute of Pharmaceutical Sciences (UIPS), Panjab University, Chandigarh, was recently honoured with an honorary degree of Doctor of Science (D.Sc.) from the University of Sciences (USciences) in Philadelphia, USA. The honorary degree, the highest honour bestowed by the University, was awarded to Dr Singh during a ceremony of Founder's Day at USciences on February 20, 2014. USciences is the parent organization of the historic Philadelphia College of Pharmacy, the first College of Pharmacy in the USA. By receiving this honour, Dr Singh has joined a number of eminent scientists, including Nobel laureates, who have also received the honorary degree from USciences. Dr Singh is a well-recognized pharmaceutical academician, medicinal chemistry researcher and a science historian with over half-a-century of experience.

On receiving the coveted recognition, Dr Singh remarked, "I am grateful to the Board of Trustees and the President of USciences to have considered me worthy for the honour which has been bestowed upon me. This does credit also to several dozens of my research students who have been associated with me in the creation of new knowledge and to UIPS to which I belong." He further added, "Experimental science has been my vocation till my superannuation from the Panjab University in 1988 and the fields of investigations have been chemistry of natural products, organic chemistry and medicinal chemistry." He added,

"After superannuation, I chose to be a science historian and that is the field I am continuing to engage in for the last 25 years. My major interest has been on the study of history of pharmaceutical developments in India during the last couple of centuries. Dozens of research papers and many book monographs have been published. For collecting the archival material, I have visited several libraries in India, England and USA. The source material I have collected has been properly organized and housed in the upper floor of our house at Chandigarh. The collection is of its own kind with so much of archival material on pharmaceutical history of India available anywhere under one roof. There are over 1200 bound volumes of the collection." He finally ended his speech and said, "Earlier when I came to Philadelphia College of Pharmacy I was an outsider but now on my getting a degree from the University I consider myself to be a member of the USciences family."

G. Pulla Reddy Memorial Oration Lecture Conducted at GPRCP

HYDERABAD: A one-day G. Pulla Reddy Memorial Oration lecture on "Use of Novel Computer-Aided Drug Design (CADD) Methods and Structural Biology in the Discovery of Clinical Candidates for Diabetes and Marketed Drugs for AIDS" was organized by G. Pulla Reddy College of Pharmacy (GPRCP) on July 25, 2014 at Mehdiapatnam, Hyderabad. Dr B. Madhava Reddy, Principal of GPRCP gave the welcome address and briefed the audience about the life and achievements of Late Sri. G. Pulla Reddy. On the occasion, Dr K. Janardhan Reddy, former Executive Council Member, Osmania University, Hyderabad introduced the speaker, Dr M. Rami Reddy, Chairman, Rational Labs (P) Ltd., Hyderabad and Rational Labs Inc., USA, who has vast experience in drug design development of new lead compounds. The programme was attended by staff and B. Pharm. & M. Pharm. students of the college.

Harkishan Singh (centre) receiving the coveted award at Philadelphia, USA. Also standing (from left) are: Heidi Anderson, Provost & Vice-President for academic affairs; Helen Giles-Gee, President of the University; Marvin Samson, Chairman of the Board; and B.J. Cunningham, Dean of Students.

Dr B. Madhava Reddy, Principal of GPRCP felicitating the speaker, Dr M. Rami Reddy, Chairman, Rational Labs on the occasion. Also seen sharing the dais is Dr K. Janardhan Reddy (extreme right).

Lecture on

"Use of Novel Computer Aided Drug Design Methods and Structural Biology in the Discovery of Clinical Candidates for Diabetes and marketed drugs for AIDS" by Dr.M.Rami Reddy on 25-07-2014

జైషధ ఆవిష్కరణ రంగంలో ఎన్నో మార్పులు వచ్చాయి

రేషనల్ ల్యాబ్స్ ఇన్ కార్పొరేషన్ చైర్మన్ డా.ఎమ్.రామిరెడ్డి

మెహిదీపట్నం: కంప్యూటర్స్, సాఫ్ట్వేర్ టెక్నాలజీ అందుబాటులోకి వచ్చిన తరువాత జైషధ ఆవిష్కరణ రంగంలో ఎన్నో మార్పులు వచ్చాయని రేషనల్ ల్యాబ్స్ ఇన్ కార్పొరేషన్ (అమెరికా) చైర్మన్ డా.ఎమ్.రామిరెడ్డి అన్నారు. కుత్రవారం మెహిదీపట్నంలోని జి.పుల్లారెడ్డి ఫార్మసీ కళాశాలలో కంప్యూటర్ ఆధారిత జైషధ ఆవిష్కరణ అనే అంశంపై జి.పుల్లారెడ్డి స్మారక కోవ్వూసంలో ఆయన ముఖ్య అతిథిగా పాల్గొని ప్రసంగించారు. గతంలో జైషధాల ఆవిష్కరణ ఎన్నో వేల కాంపౌండ్స్ ల్యాబ్లో తయారీ చేస్తే వాటిలో కొన్ని మాత్రమే జైషధంగా రూపుదిద్దుకొని అందుబాటులోకి వచ్చాయన్నారు. కాగా కంప్యూటర్స్ సహాయంతో

రేషనల్, కంప్యూటేషన్ కెమిస్ట్రీ పద్ధతులలో సరికొత్త రసాయన పదార్థాలు డిజైన్ చేస్తున్నారున్నారు. అనంతరం వాటిలో కొన్నింటిని మాత్రమే ల్యాబ్లో తయారు చేస్తున్నారు. దీనివల్ల జైషధ పరిశోధనలో సమయం చాలా తగ్గడమే కాకుండా ఖర్చితక్కువ పెరుగుతున్నదన్నారు. డాక్టర్, ఎయిడ్స్కు సంబంధించిన జైషధ ఆవిష్కరణలో ఈ పద్ధతి వల్ల ఎన్నో జైషధాలు వచ్చాయన్నారు. ఈ పద్ధతులు విద్యార్థులకు, యువ శాస్త్రవేత్తలకు ప్రయోజనకరంగా ఉంటాయన్నారు. ఈ కార్యక్రమంలో డా.జనార్దన్రెడ్డి, కళాశాల ప్రిన్సిపాల్ డా.మాధవరెడ్డి, అధ్యాపకులు, విద్యార్థులు పాల్గొన్నారు.

జి.పుల్లారెడ్డి కళాశాలలో జైషధ ప్రజ్వలన చేస్తున్న డా.ఎమ్.రామిరెడ్డి

Seminar on Teaching Skills By Mr. Senapathy

G. Pulla Reddy College of Pharmacy

Seminar on teaching skills –Back to Basics

Mr. Senapathy, Associate Professor and Associate Director at Shiv Shivani Institute of Management and Sciences delivered a "Seminar on teaching skills –Back to Basics" on 19th October, 2012 at G.Pulla Reddy College of Pharmacy. The seminar included steps for managing students, improvement in teaching quality, improving knowledge, communication skills, behavior, attitude, actions and few add-ons like presentability, etiquette, personal hygiene, and commanding personality. The speaker made the session very interactive by involving all the faculty members in few self assessment tests. The programme was completed with a vote of thanks by Y.Sreehari, Asst. Professor.

Teachers Day Celebratinos-2011

Teachers Day Celebrated at GPRCOP

The Teachers' Day was celebrated at G.Pulla Reddy College of Pharmacy, Mehdiapatnam, Hyderabad on September 9, 2011. Speaking on the occasion Dr. B. Madhava Reddy, Principal of the institute said that we should always remember the principles of former President of India and Bharat Ratna awarded S Radhakrishnan whose birthday is celebrated as Teachers' day. Throughout his life, even after his retirement, a teacher directs and guides the students as well as the society.

All the teachers and non-teaching staff of the institutes were present there and cultural programmes were performed by students and some staff members.

Institute of Pharmaceutical Education and Research, Pune's, Principal of the Year Award -2011

Prof.Dr. Bommineni Madhava Reddy.

Citation

The Association of Pharmaceutical Teachers of India is extremely happy to recognize the services of Prof. Dr. Bommineni Madhava Reddy, as principal, in making G. Pulla Reddy College of Pharmacy, Hyderabad, as one of the model institution in the country, by honoring him with "IPER's, Principal of the Year Award 2011" during the 16th Annual National convention of the association being held at Moga, Punjab during Oct 7-Oct, 9, 2011.

Prof.Dr. B. Madhava Reddy, born in 1962, is a B. Pharm, Kakatiya University 1984, M. Pharm, BIT, Ranchi, 1986, and Ph.D, Kakatiya University 1992, specializing in phytochemistry

and pharmacognosy. He started his teaching career as lecturer at Kakatiya University in 1987. He was an Assistant Professor at Al-Ameen College of Pharmacy, Bangalore during 1993 – 1997. He joined G. Pulla Reddy of Pharmacy, Hyderabad in 1997 as professor and principal. The college was just two years old then, and it was very challenging task to build the institution almost from scratch. It was one of the earliest private pharmacy colleges in Andhra Pradesh and first one under Osmania University. He supervised the construction of the building, the design and layout of which has been a model for many other colleges of the region. He has developed standards for quality of teaching and facilities. He has designed and framed B. Pharm and M. Pharm syllabus for Osmania University and the affiliated colleges are rated very high in Andhra Pradesh. M. Pharm courses in four streams have been started by him and an excellent research culture has been set, leading to become the first private college to have a research center. The top rankers of the entrance examination of Andhra Pradesh prefer admission in his college, proving that it is an outstanding pharmacy institution. The alumni of the college are excelling in their careers.

Prof.Dr.B.Madhava Reddy did his research in collaboration with Prof.G.A.Cordell University of Illinois, Chicago. He is a recipient of UGC, JRF and CSIR-SRF. He has published 32 research papers and presented 10 papers. He has supervised 25 M. Pharm students. He has received many grants from different funding agencies.

Prof.Dr.B.Madhava Reddy is a very able teacher and principal with several values being adopted in his day-to-day work. He is a very good counselor, particularly for the students who lag behind. The Association of Pharmaceutical Teachers of India hopes that both Dr. Madhava Reddy and his college will grow from strength to strength in the coming years.

15th National Convention of APTI Celebrated Successfully

HYDERABAD: A two-day national convention on the theme "Quality in Pharma Education: Role of Teacher, Technology and Management", organized by the Association of Pharmaceutical Teachers of India and hosted by the Andhra Pradesh (A.P.) branch of the Association, was held on November 2-3, 2010 at Shilpakala Vedika, Hi-Tech City, Hyderabad. Around 1200 teachers representing 200 pharmacy colleges of various states of the country attended the meet. 11 scientific sessions and 850 poster presentations were also conducted to mark the event. The 15th annual convention called for measures to improve the quality of pharmacy education in India as it was not matching the global standards. "The education offered by pharmacy institutions in the country varies widely and there are only few institutions that maintain global standards," opined the academicians and policy makers who shared the dais of the inaugural function.

The Convention was inaugurated by the chief guest, M. Venkata Ramana, Minister of Technical Education, Government of A.P., who said, "There are over 300 pharmacy colleges in A.P. and they, like other pharmacy colleges of the country, need to be improved upon in the quality of education." Dr J.N. Suresh Kumar, Principal, Deccan School of Pharmacy, Hyderabad and vice-chairman of the Local Organizing Committee (LOC) of the Convention welcomed the gathering.

While delivering his presidential address, Dr P.G. Yeole, president of APTI, said, "The main drawback in the quality of education is that the graduates coming out from pharmacy institutions lack the skills needed for practice. Most of the academic institutions providing education in pharmacy are away from practice environment and much of what is taught does not offer the student a feel for what to expect in the industry, hospital or in community setting." He emphasized that the interaction between industry and healthcare organizations was necessary to know their needs which would help pharmacy institutions to include what was possible and appropriate into the educational system. He further added, "Quality issues in teaching and training have not received adequate attention. Shortage of trained and committed teachers is a major problem faced by the pharmacy colleges within the country. The academic position in pharmacy institutions is not an attractive option for the

pharmacists as compared to many areas of industrial pharmacy." Finally, he informed, "APTI has taken up this task of improvement of pharmacy education as a national mandate and the Association's proposal for the establishment of an Academic Staff College for pharmacy teachers is now under active consideration."

The guest of honour, Dr B. Suresh, president of Pharmacy Council of India (PCI), in his keynote address, said, "PCI will support and provide all possible help for the establishment of the Academic Staff College envisaged by APTI." He informed, "PCI has got several complaints from teachers and students of various pharmacy colleges in the country regarding poor quality of education and shortage of qualified teachers in several institutions. Some colleges in the country have no adequate faculties and no proper conduct of classes. Some colleges exhibit the names of industry professionals' working in foreign countries as their faculty members and even pay salaries, but they are not visiting those colleges even once in a year." He warned, "PCI will initiate action against such colleges." While addressing the audience, the acting chairman of the All India Council of Technical Education (AICTE), Dr S.S. Mantha, said, "AICTE has filed FIR against 11 institutions, including engineering colleges, for not maintaining quality education. He further said that the regulatory institution has now started moving from the position of regulator to a facilitator. "So many changes are taking place in AICTE, which are the indicators of facilitation for quality upgradation," he informed. Mantha also gave his nod to support the establishment of Staff Training College for pharmacy teachers.

Dr C.K. Kokate, vice-chancellor of KLE University, Belgaum, Karnataka; Prof K. Chinnaswamy, emeritus professor, JSS College of Pharmacy, Ooty, Tamil Nadu; Prof Shete Rajkumar, vice president, APTI; and Prof B. Madhava Reddy, Principal of G. Pulla Reddy College of Pharmacy, Hyderabad and the organizing secretary of the LOC of the Convention also spoke on the occasion. The program culminated with a valedictory function on November 3, 2010 where Dr Kokate gave away the prizes to the winners of poster presentation.

APTICON - 2010

APTICON-2010 calls for measures to improve quality of pharmacy education in India.

The 15th Annual Convention of the Association Pharmaceutical Teachers of India (APTICON 2010) conducted in Hyderabad has called for measures to improve the quality of pharmacy education in India as it is not matching the global standards. The education offered by pharmacy institutions in the country varies widely and there are only few institutions maintain global standards, the academicians and policy makers who shared the dais of the inaugural function opined.

The Convention was inaugurated by the minister of Technical Education, Government of Andhra Pradesh, M Venkata Ramana, who said there are over 300 pharmacy colleges in Andhra Pradesh and they, like other pharmacy colleges in the country, need to be improved in the quality of education.

Dr P G Yeole, president of APTI, while delivering his presidential address, said the main drawback of the quality in education is that the graduates coming out from the pharmacy institutions lack the skills needed for practice. Most of the academic institutions providing education in pharmacy are away from practice environment and much of what is taught does not offer the student a feel for what to expect in industry, hospitals or in community settings. He said interaction between industry and healthcare organizations is necessary to know their needs and it would help them to include what is possible and appropriate into the educational system.

Likewise, he said, quality issues in teaching and training have not received adequate attention. Shortage of trained and committed teachers is a major problem faced by the pharmacy colleges in the country. Academic position in pharmacy institutions is not an attractive option for the pharmacists as compared to many areas of industrial pharmacy. So APTI has taken up this task of improvement of pharmacy education as a national mandate and the association's proposal for the establishment of an Academic Staff College for Pharmacy Teachers is now under active consideration. The president of the association said this upcoming facility will give training to the teachers as professional, teaching and behavioural skill development organ of the association.

In his key note address, Dr B Suresh, President of Pharmacy Council of India said, PCI will support and provide all possible help for the establishment of the Academic Staff College envisaged by APTI. He said PCI has got several complaints from teachers and students of various pharmacy colleges in the country regarding poor quality of education and shortage of raw materials and qualified teachers in several institutions. Some colleges in the country have no adequate faculties and no proper conduct of classes. Some colleges exhibit the names of industrial professionals working in foreign countries as their faculty members and even pay salaries, but they are not visiting those colleges even once in a year. Pharmacy Council of India will initiate action against such colleges, he said.

While addressing the audience, the acting chairman of AICTE, Dr SS Mantha said AICTE has filed FIR against 11 institutions, including engineering colleges, for not maintaining quality education. He further said the regulatory institution has now started moving from the position of regulator to a facilitator. So many changes are taking place in AICTE which are the indicators of facilitation for quality upgradation. Mantha also said AICTE will support the establishment of Staff Training College for pharmacy teachers.

M. William Carey, Chairman of the Local Organizing Committee welcomed the gathering. Dr CK Kokate, vice-chancellor, KLE University, Belgaum, professor K Chinnasamy, emeritus professor, JSS College of Pharmacy, Ooty, professor Shete Rajkumar, vice president, APTI, Prof Krantikumar Sirse, Vice-President, APTI, Prof B.G.Shivananda, Secretary, APTI, Prof JN Suresh Kumar, Vice

Chairman, LOC, and Prof B Madhava Reddy, organizing secretary, LOC spoke on the occasion. Dr A Ramesh, Executive Secretary, LOC presented a vote of thanks.

In the Valedictory function of the APTICON 2010, The Chief Guest, Dr. K. Lakshminarayana, I.A.S., Commissioner of Technical Education, Govt of A.P, Hyderabad, stressed the importance of teacher to maintain quality in Educational Institutions. He mentioned the need to attend seminary/workshops to update their knowledge. He welcomed the APTI's intention to start academic staff college for Pharmacy teachers. The guest of honour, Dr M.Venkata Reddy, stressed the commitment of teachers is more important to produce well trained students.

No. of Delegates attended : 1350

No. of poster presentations : 835

No. of Exhibition stalls : 15

APTI Awardees

1. APTI - Shri Bhojraj Panjamool Lifetime Achievement Award - 2010
Prof. Srinivas K. Kulkarni
2. Dr (Mrs.) Manjusree Pal Memorial Award for the Best Pharmaceutical Scientist - 2010
Prof. Raghuram Rao Akkinepally
3. IPER's Principal of the Year Award - 2010
Prof. (Dr) Badri Prakash Ramratan Nagori
4. Pharmacy Teacher of the Year Award - 2010 sponsored by BVDUPCP, Pune
Dr. Mange Ram Yadav
5. APTI - Young Pharmacy Teacher of the Year Award - 2010
Prof. (Dr) Dilip Kumar Pal

IJPER Awardees

1. Prof. B.M. Mithal Memorial Award, for Best Paper in Pharmaceutical Education
C. Tapia, J. Sapag-Hagar, L. López, G.F. Zunino, F. Valenzuela, C. Basualto
2. Prof. S.B. Sonawane Memorial Award, for Best Paper in Pharmaceutical Chemistry
A. Lohade, P. Jain and K.R. Iyer
3. Dr. R.L. Nicore Award, for Best Paper in Pharmaceutics
Gowde D.V., Srikrishna R.M. and Shivakumar H.G.
4. Al-Ameen College of Pharmacy Award, for Best Paper in Pharmacognosy
B. Geetha, K.P. Shivalinge Gowda, G.T. Kulkarni and Shrishailappa Badami
5. Prof. Duggirala Visweswaram & Prof. Sreemantula Satyanarayana Award, for Best Paper in Pharmacology
Mohammad Abid Ansari, Shibli Jameel Ahmad, Razia Khanum and Mohammad Akhtar
6. St. John's Pharmacy College Award, for Best Paper in Pharmaceutical Analysis
Sushant K. Shrivastava

IJOPP Awardees

1. Smt. V.G. Yeole Memorial Award, for Best Paper in Pharmacy Practice
Mandavi, Padmavathi R., Mangu R., Pramit T. and Vinay K.
2. Late Shri. Ishwar N. Hukkeri award, for Best Paper in Pharmacy Practice.

Two Day National Seminar on "Recent advances in Pharmaceutical Research" on 9 & 10 th October,2009

Two Day National seminar on "Recent Advances in Pharmaceutical Research" on 9th & 10th October, 2009.

A Two Day National Seminar on "Recent Advances in Pharmaceutical Research" was organized by G. Pulla Reddy College of Pharmacy, Mehdiapatnam, Hyderabad on 9th & 10th October, 2009.

The Seminar was aimed to provide the knowledge on "Recent Advances in Pharmaceutical Research" to pharmacy teachers and post graduate students.

The program started with welcome speech by Dr. B. Madhava Reddy, Principal, G. Pulla Reddy College of Pharmacy. The Seminar was presided by Sri Gopalakrishnamurthy, former Drug Controller of the state of Andhra Pradesh.

Eminent speakers were drawn from industry and topics such as Drug Discovery-The Multidisciplinary Process, NDDS-Nano Technology, Differentiated Instruction, Phytochemical Investigations – Indian Medicinal Plants, Polyamino acids: From protein models to a drug for treatment for Multiple Sclerosis, Pharmacokinetic modeling of Drug Development, were dealt by Dr. Ranjan Chakrabarti, Senior Vice President, Discovery Biology G. V. K. Bio Ltd, Hyderabad, Dr. D. Rambhau, Director – Relisys Medical Devices, Hyderabad, Dr. Uma Garimella, Director, Teachers Academy, Hyderabad,

Dr. A. V. N. Appa Rao, Dean, Faculty of Pharmaceutical Sciences, Kakatiya University, Warangal, Dr. Kota Satyanarayana, General Manager R&D, Natco Pharma, Hyderabad and Dr.V.Eswari Y. Muthukrishnan, Group Leader-Research Biology (PK) Nektar Therapeutics (India) Pvt. Ltd, respectively.

Poster and Oral presentations of the original research by the teaching faculty and M.Pharm students were also conducted during this two day seminar. About 20 Poster and 30 Oral presentations were there. Best Oral and Poster presentation awards were given.

The Seminar was attended by more than 200 teachers and students from colleges of Andhra Pradesh and few colleges from Karnataka, Tamilnadu and Kerala.

The Seminar ended with prize distribution and vote of thanks by Dr. B. Madhava Reddy, Principal, G. Pulla Reddy College of Pharmacy.

Seminar on Pharm. Research On October 9-10,2009.

Seminar on Pharmaceutical Research Conducted at G. Pulla Reddy College of Pharmacy

HYDERABAD: A two-day seminar on "**Recent Advances in Pharmaceutical Research**" was organized by G. Pulla Reddy College of Pharmacy (GPRCP), Hyderabad on October 9-10, 2009. Around 200 teachers and postgraduate students from the pharmaceutical institutions of Andhra Pradesh, Karnataka, Tamil Nadu and Kerala attended the workshop. Dr B. Madhava Reddy, Principal of GPRCP gave the welcome address, and Gopalakrishnamurthy, former Drugs Controller of A.P. presided over the function.

Various topics such as drug discovery-the multidisciplinary process, novel drug delivery system-nanotechnology, phytochemical investigations-Indian medicinal plants, polyamino acids: from protein models to a drug for treatment of multiple sclerosis, and pharmacokinetic modeling of drug development were discussed by such eminent speakers drawn from the pharmaceutical industry as Dr Ranjan Chakrabarti, Senior Vice President-Discovery Biology, GVK Bio, Hyderabad; Dr D. Rambhau, Director, Relisys Medical Devices, Hyderabad; Dr Uma Garimella, Director, Teachers Academy, Hyderabad; Dr A.V.N. Appa Rao, Dean-Faculty of Pharmaceutical Sciences, Kakatiya University, Warangal, A.P.; Dr Kota Satyanarayana, General Manager-R&D, Natco Pharma, Hyderabad; and Dr V. Eswari Y. Muthukrishnan, Group Leader-Research Biology (PK), Nektar Therapeutics (India).

About 20 poster and 30 oral presentations were presented by the teaching faculty and Master of Pharmacy students and the best poster and oral awards were given to the winning candidates at the end of the two-day workshop. Finally, Dr B. Madhava Reddy, convener of the workshop, delivered the vote of thanks.

College Magazine 'Adya' Release On March 13, 2009.

GPRCP Releases College Magazine and Conducts Seminar on Regulatory Affairs

HYDERABAD: G. Pulla Reddy College of Pharmacy (GPRCP), Hyderabad has brought out the latest edition of its college magazine 'Adya 2009'. Releasing the magazine on March 13, 2009 in a glittering ceremony, the chief guest, Dr K. Sathyanarayana, General Manager-R&D, Natco Research Centre, Hyderabad, congratulated the college on bringing out the magazine. He said, "A magazine is not only important for a college but also an appropriate outlet for students to express their great ideas and promote their writing skills." "Moreover, the magazine serves as a memoir of the college days which students cherish and treasure lifelong," he added.

Aesthetically done in a soothing green colour and beautiful motifs of leaves, it garnered praises from one and all. Overall quality of the magazine was also quite appreciable. Dr B. Madhava Reddy, Principal, GPRCP lauded the students' editorial team in bringing out such a colourful and nicely designed magazine.

Prof Erie Kupferberg, Associate Dean, Northeastern University, US (centre) going through the college magazine 'Adya 2009'. Seated next to him are: chief guest, Dr K. Sathyanarayana, General Manager-R&D, Natco Research Centre, Hyderabad (left); and Dr B. Madhava Reddy, Principal, GPRCP (right).

Prof Erie Kupferberg, Associate Dean, Northeastern University, US was also very much impressed by the quality of the magazine. He was present on the occasion to conduct a seminar at GPRCP on the topic "Regulatory Affairs in US and Opportunities in the Field".

Thought-provoking messages mark college day

Colourful cultural events marked the 20th annual day celebrations of Ideal Degree College for Women, Dilsukhnagar, held at Ravindra Bharati. Founder President of Lok Satta Party Dr. Jayaprakash Narayan who was the chief guest at the function said that the right education imparts a clear understanding of various concepts, promotes logical thinking and improves communications skills. "True education teaches not only how to make a living but how to live as well," he said.

Classical dances, skits and Miss Ideal contest were some of the events organised at the function. The college's magazine was also released and prizes distributed to winners of various competitions at the event.

Member of Legislative Council Dr. K. Nageshwar and college principal Shashidhar Reddy were also present on the occasion.

TIME TO CELEBRATE: Students of Ideal Degree College for Women, Dilsukhnagar, giving a dance performance during the 20th annual day celebrations of their college. (Right) Students of G. Pulla Reddy College of Pharmacy handing over a cheque to an official of the Hyderabad Council of Human Welfare.

Farewell with a difference

The budding pharmacists wrote the right prescription and it was appreciated by their teachers, peers and juniors. The final year students of B.Pharmacy course of G. Pulla Reddy College of Pharmacy bid farewell to their alma mater with a difference. They pooled in Rs. 12,000 and donated the same to an orphanage managed by Hyderabad Council of Human Welfare. The cheque was handed over the orphanage during the annual day celebrations.

Praneet Kumar, who was involved in collecting the contributions said, "It is a noble initiative from the outgoing students. It is a reminder to every one of us of making

from the students and it reflects the values inherited by them.

Prizes galore for college

The N.S.S unit of Badruka College of Commerce bagged three prizes at the National Integration Camp held recently in New Delhi. The camp organised by Jamia Millia Islamia University was attended by nearly 150 delegates from different States of the country.

The camp comprised of daily lectures by eminent persons who inspired the delegates with their excellent speeches on subjects like communal harmony, basic Indian identity, HIV/AIDS, peace and brotherhood among all Indians, terrorism etc. As part of the camp, com-

CAMPUS JOTTINGS

nash & Sameer Dattani bagged the first prize in debate; second prize in Group Song while P. Sunita won the third prize in classical dance.

Badruka College of Commerce representing Osmania University was the only college chosen from the State. The Contingent of selected volunteers was lead by Mr. Rajesh Agarwal, vice-principal and senior NSS programme officer of the college. The National Integration Camp is based to promote cultural values and create a sense of oneness among the youth of our country.

Vivekananda

of sun rays in all directions.

It becomes powerful only when it concentrates on a target, said Swami Aunpamananda, Director of Vivekananda Institute of Languages, Ramakrishna Math.

He was addressing students of J.B.R. Engineering College at a function held on the occasion of Vivekananda Jayanti, organised by Nirman, forum of students of the college.

He said believing in one's own capabilities and achieving goals is an important message from the life of Swami Vivekananda.

Swami said attaining higher qualifications without character is dangerous to society. Reaching out to mankind and serving society should be the outcome of education, he said.

Rao and college principal Raghavendra were present on the occasion.

Seminar on urbanisation

No city in India has perfect urban planning and facilities. Neglect of the successive governments is to be blamed for the situation, Policy Adviser to the Ministry of Urban Development and former Director of Regional Centre for Urban and Environmental Studies D. Ravindra Prasad said.

Delivering the key-note address at the two-day, 'National Seminar on Urbanisation in India - Problems and Prospects', he noted that no government had anticipated the kind of growth that is han-

comes to providing the required amenities.

He cited Kalyani, a city-suburb near Kolkata, as the only region in the whole country to have 100 per cent sanitation facilities.

While Bihar and Kerala topped the charts of huge urban inequalities, the situation in Gujarat is somewhat better, he observed. Chairman of the State Council of Higher Education K.C. Reddy inaugurated the conference at Osmania University College for Women at Koti.

Mr. Reddy stressed the importance of developing satellite townships and tier-II and tier-III cities to reduce the pressure on metropolis. Only by providing proper health and education facilities at mandal and taluq levels, can one contain large scale migra-

Seminars on Career in CR and Personality Evolution Conducted at GPRCP

HYDERABAD: G. Pulla Reddy College of Pharmacy (GPRCP) conducted two seminars for the benefit of their students on "**Career in Clinical Research (CR)**" and "**Personality Evolution**". The first seminar was conducted by RX Professions Pvt. Ltd. on September 8, 2008, while the second by Anthem Consultancy Company on September 9 and September 11.

The lectures on "*Career in CR*" were given by Dr Santosh Kumar, CEO of RX Professions and Dr Brijesh, MD, Pharmacology. Both gave an insight into the lucrative profession of CR where India was fast becoming a hub. Various jobs available for pharmacy students and how they can exploit them were also discussed briefly. Also, different types of courses like diploma in CR or Master of Science were discussed. The branch manager of HDFC, A. Suresh Babu, gave details about education loans and their repayment plans. The seminar ended with distribution of pamphlets and leaflets regarding the courses being offered.

In the second seminar, an oral presentation on "*Personality Evolution*" was given by Glenn Francis who involved the students of the College for an interactive session over confidence building and development of soft skills. The emphasis was laid on grooming and skills for handling tough situations in a job. A power-point presentation was also given regarding approach towards life. A brief lecture was also given by Raj Sukheja, MD of Anthem Consultancy, about the need for developing professional skills before taking up a job.

Meanwhile, the final year Bachelor of Pharmacy, Diploma of Pharmacy and Master of Pharmacy students of GPRCP celebrated teachers' day on September 5th. After lighting the traditional lamp, Prof B. Madhava Reddy, Principal of GPRCP, spoke about the life history of Sri Sarvepalli Radhakrishnan, his morals, achievements and contribution to the teaching profession. The students, as a token of respect for their teachers, played antakshari on the occasion.

46th NATIONAL PHARMACY WEEK CELEBRATIONS(NPW),2007.

HYDERABAD: G. Pulla Reddy College of Pharmacy (GPRCP), Hyderabad, in association with IPA-Andhra Pradesh (AP) branch organized a valedictory function of NPW on 24th November. Around 150 students from different colleges of the State and IPA members attended the meet. Dr B. Madhava Reddy, Principal, GPRCP, welcomed the gathering and urged the students to participate in community based programs of pharmacy profession. The function was presided by R. Ranga Rao, Chairman, IPA-AP, who presented IPA Gold Medals to Bachelor of Pharmacy (B. Pharm) toppers for the year 2006-07. The prizes for elocution competition winners and participation certificates for volunteers were also presented on the occasion. The program was co-ordinated by Ms T. Shailja, Assistant Professor; and A. Ravikiran, Lecturer, GPRCP; with active support from other staff members of the college.

M.Pharm. (Pharmaceutics) Inauguration

New PG Course at GPRCP

HYDERABAD: A new post-graduate (PG) course in Pharmaceutics has been started from the academic year 2008-09 in G. Pulla Reddy College of Pharmacy (GPRCP), Mehdiapatnam, Hyderabad. The college is already conducting PG courses in Pharmaceutical Chemistry and Pharmacognosy.

The newly launched M. Pharm. (Pharmaceutics) course was inaugurated by the chief guest, Dr S.S. Apte, General Manager-NDDS Research, Natco Research Centre, Hyderabad, on October 20, 2008, and opened the laboratories of the Department. While addressing the students, Dr Apte advised them to fully utilize the infrastructure and gain knowledge about the course. He stressed the importance of practical skills that would be useful later in their professional career.

Dr S.D. Rajendran, Head-Pharmacovigilance, Siristek Ltd., was the guest of honour and released the college newsletter 'Pharma Flair', issue no. 5, on the occasion. He spoke about the upcoming trends in jobs in the pharmaceutical industry. Dr B. Madhava Reddy, Principal of the College, welcomed the gathering; and Ms Nazia Zareen, Lecturer of the college, coordinated the programme.

Learning foreign languages can be fun

BE MULTILINGUAL: *Learning a foreign language has a surprising number of advantages.*

N. S. NIRUPAMA

DIL SE

G. Pulla Reddy College of Pharmacy: "Learning a foreign language has a surprising number of advantages for people of any age group. When you enrol in such a course, most conversations may seem strained and uncomfortable at the beginning but then you realise how important they are to effective communication skills of the student. All the conversations and dialogues in the language will be simulated, but to be able to hold up your end of the conversation confidently, sometimes by adding your own touch, allows you to increase your exposure to the language and simultaneously, to accept that other points of view can exist."

This is what one of the top teachers at Goethe

Zentrum Sharayu Ghurye said when I asked her about the basic importance of learning of an alien language. The Goethe Institute at Munich is the official cultural wing of the German Embassy and its branches are located around the world. They also promote a number of cultural activities and ran a beautifully vibrant awareness programme in May, which is known unofficially as the International Women's month.

New language doesn't just impart language skills but the experience gives a new shape to the whole personality. Acceptance of another's point of view without disparaging it is in a way, suggestive of a person's levels of patience and overall character. Many students who pass out not only learn a new language, but also become better people. They learn to accept a foreign culture, its idiosyncrasies, its people and the history behind the

nation as such.

Why anyone would want to learn German specifically? I'll have you know that Germany's trade market in relation to India has been developing at a rapid pace. Numerous articles in the newspapers indicate that and India emerging as a super power and western countries engaging Indian companies in business only prove that foreign languages have their own role to play.

Check out the lucrative aspect of learning a new language, "Interpreters and translators are paid extravagantly (by the EC, the UN, the WHO etc.); their fees rival those of most software engineers'. Most IT companies and many BPOs (to name a few) prefer employees who know at least one foreign language to those who don't." Who ever knew there were so many perks to learning a new language? Maybe it's about time you started learning one eh?

TEACHER'S DAY CELEBRATIONS
On 5th September, 2007.

Teacher's Day Celebrations at GPRCP

HYDERABAD: Teacher's day was celebrated at G. Pulla Reddy College of Pharmacy (GPRCP), Hyderabad on 5th September. After the welcome address and lighting of the traditional lamp, Prof B. Madhava Reddy, Principal of the college, spoke about the life, morals and values of Sri Sarvepalli Radhakrishnan at the function. There was a quiz competition for teachers and mementos were presented to the staff members of the college. More than 200 students of masters, Bachelors and Diploma of Pharmacy participated in the celebrations.

HYDERABAD: G. Pulla Reddy College of Pharmacy (GPRCP) conducted intercollegiate competitions on various events on the theme of NPW on 23rd November. Competitions were held in three events - Creative art presentation on self-medication through posters, Caption-writing on self-medication and Debate on "pharmacy course upgradation to six years". Nearly 30 students from various pharmacy colleges in Hyderabad participated. The one-day event ended with an address by Prof B.S. Sastry of Andhra University and Dr B. Madhava Reddy, Principal of GPRCP. Certificates were distributed to all the participants. Mohan Gupta K., B. Pharm final year student of GPRCP won the second prize in quiz competition held at Sri Venkateswara College of Pharmacy, Hyderabad on 24th November, which was organized by Indian Pharmaceutical Association (Andhra Pradesh branch).

NATIONAL ELOCUTION COMPETITION-2006

HYDERABAD: Ms Nazia Zareen, student of Master of Pharmacy-Second Year (Pharmacognosy) of G. Pulla Reddy College of Pharmacy, won the first prize in IPA National Elocution Competition, held on 2nd December during the 58th IPC at Mumbai. The topic of the elocution was *'Pharma Vision 2020 - Current challenges and future prospects of a Community Pharmacist.'*

THE INDIAN PHARMACIST, FEB 2007 VOL-VI -56 PAGE NO:51

Topic - Pharma Vision 2020 – Current Challenges and Future Prospects of A Community Pharmacist

IPA's National Elocution Competition 2006

The Education Division of the Indian Pharmaceutical Association organized the Final round of IPA's National Elocution Competition 2006 on 2nd December 2006, during the 58th Indian Pharmaceutical Congress, Mumbai.

Dr. T. K. Ravi, Convener of the National Elocution

1st Prize Winner

2nd Prize Winner

Competition 2006 conducted the event. Five participants were selected from the semifinal round. The topic given to them was "Pharma Vision 2020: Current Challenges and Future Prospects of

3rd Prize Winner

Panel of Judges:

Community Pharmacist." Each participant was allowed to present the topic for eight minutes in English.

The judges were Mr. P. D. Sheth, Mr. C. Gopalkrishna Murty, Dr. M. K. Raina, Dr. V. S. V. Vadlamudi Rao and Mr. A. I. Mehta.

The first place winner of the competition was Mrs. Nazia Zareen, First M. Pharm from G. Pulla Reddy College of Pharmacy, Hyderabad.

The second place winner was Mr. Abhishek Sharma, Final B. Pharm from the Institute of Pharmacy, Pandit Ravishankar Shukla University, Raipur. The third place winner was Ms. Habeela Jainab First M. Pharm from College of Pharmacy, Sri Ramakrishna Institute of Paramedical Sciences, Coimbatore.

Text of the presentations will be published
in next issue

**Text of the presentations
First Place Winner - Ms. Nazia
Zareen, G. S. Pulla Reddy College of
Pharmacy, Andhra Pradesh**

The science of drug discovery has come a long way that began with the administration of crude, bitter, and unpalatable drugs to new levels of pharmaceutical technology. There has been a giant leap in this direction not only by the developed countries but also by the developing countries like India. The pharmaceutical scenario in India is at the threshold of a new era where technology, information, and healthcare are converging to create unprecedented opportunities. Although the Pharma industry in India has undergone a sea change, the pharmacy practice has not kept pace in with the requirements of the patients.

According to the WHO community pharmacists are the health professionals most easily accessible to the public. They are bound by professional ethics and the public's trust to help patients to achieve better health through appropriate and rational use of medications. They have a lot of potential and are well-placed to deliver high-quality patient care. But they have lacked recognition and over many years have been paid inadequately. Thus, we need concerted and unified efforts from within the profession as a definite prerequisite to change.

We have to realize that the boundaries of our profession are not static and circumscribed, but dynamic and ever evolving. The responsibilities of our profession must expand beyond an exclusive identification was dispensing. Thus choosing health through pharmacy should be the motto of a community pharmacist that can set all sectors of pharmacy to improve the public health over the next decade. The profession as a whole now must unequivocally dedicate itself to a philosophy of practice that clearly identifies the patient as its primary beneficiary.

Current Challenges of Community Pharmacist

The role of a pharmacist is yet to be recognized by the public as a part of the healthcare profession. The need of the hour is to recognize the importance of the community pharmacist as an indispensable partner in the healthcare system. But if we see the scenario in India, even though the number of pharmacists is increasing every year, their importance is recognized neither by the doctor nor the patient. Why is it that community pharmacists are not respected even today despite their proactive role in dispensing of medicines? The reason behind is, we have to accept the fact that more than the graduates it is the diploma holders who

are running the community pharmacies. They lack the necessary knowledge and skill to deal with the safe dispensing of medicines. Unless we have the knowledge and the necessary skills, we will be helplessly witnessing an impressive growth of pharmaceutical Industry vs. outdated, unskilled medicine dealers defeating the very purpose of making the quality medicines available to the public with professional care and advice.

And hence, I firmly believe that the primary aim of the Pharmavision 2020 should be 'Graduation for all and diploma for none.' By 2020 our country should have clinically skilled graduate pharmacists, well-equipped with the necessary infrastructure, and a confident personality to show the health world.

Yes we have Arrived

The state governments should develop a policy and encourage universities to educate the diploma holders to raise their level to that of a graduate one. Develop an Academic Improvement Program on the lines of the Quality Improvement Program, which was developed for teachers, to improve the education of the diploma holders to the graduate and PG level. Establish the need for a minimum qualification of graduation to open a community pharmacy on par with the developed countries. The graduates should be encouraged to become entrepreneurs and start their own community pharmacy. Pharmacy faculty must make the commitment to provide the expertise and co-operation, which is necessary to develop effective education and training programs that can enhance the clinical practice abilities of community pharmacists. The students should be equipped with clinical and professional knowledge-base and skills necessary to fulfil and extend their role in primary care. They should be provided with a structured learning program that will help applying knowledge and skills in daily practice. Develop the 'thinking' skills that will enable them to solve problems in practical situations relating to patient care and medicines management.

Pharmacist certification should administer through a co-ordinated national certification board that assures the assessment of knowledge and skills besides validating the appropriate level of training and experience. The community pharmacists should consistently and effectively make prescription interventions a core professional value. They should develop the necessary interpersonal skills to raise self confidence while dealing the patients during counseling and conduct patient counseling, and become more actively involved in patient drug therapy decision-making. First, serve as potential 'ambulatory clinic sites', by assessing and monitoring patients with chronic diseases during their pharmacy visits. Must assist in the interpretation of diagnostic genetic tests use their knowledge of pharmacokinetics and pharmacodynamics to optimize drug therapy for a specific patient? They must continue to justify their positions through documentation of clinical interventions and patient outcomes.

Pharmavision 2020 - future prospects of a community pharmacist

This vision should include promotion of ethical standards

in pharmacy practice through a revamp of the profession in the coming years. We need to identify the challenges that affect the professions' ability to fulfill its potential in the healthcare system. Adopt a unifying philosophy of practice that establishes the patient as the primary beneficiary of the profession. Develop a co-ordinated strategy to secure financial compensation for pharmacists' patient care services that are not directly related to drug distribution. Create a profession-wise strategy for both the development and use of technology. Work with professional regulators and state legislators to revise pharmacy practice acts to enable shared responsibility for direct patient care. Use computerized documentation systems, which offer compact storage of patient data, easy retrieval of patient information and generation of patient data reports. The uses of drug evaluation techniques, which understand, interpret and improve the prescribing, administration, and the use of medications. Such a system can help to improve the quality of care for patients and avoid unnecessary and inappropriate drug therapy. Support local pharmaceutical Service (LPS) schemes. Develop the necessary infrastructure to support all these initiatives like developing a private consulting area in the pharmacy, access to the internet, the need for a dispensing technician or assistant for help and processes for clinical governance within the pharmacy. Simultaneously, we have to develop full-fledged computerized drug information centers that enable quick access to important information before dispensing. Pharmacy in the future sets out a challenging agenda for community pharmacy services to meet which includes:

- Supporting self-care (for example, support on stopping smoking)
- Dispensing repeat prescriptions without the need to contact a GP
- Dispensing electronic prescriptions and offering e-consultations
- Prescribing by pharmacists
- Nicotine replacement therapy.
- Continuing professional developing.
- Reporting of adverse events.
- Use of clinical guidelines or evidence-based literature.
- Risk management procedures and protocols.
- Clinical audit.

Conclusion

Lastly, I would like to conclude by saying that, every community pharmacist should set for himself personal goals and objectives to make him to realize the vision 2020. In addition to these, all the pharmacists and the various organizations should work in close collaboration to establish the highest standards in pharmacy practice. Bring about the necessary changes in the curriculum to prepare the future pharmacists for the new age. Move forward toward the future ensuring that the current strategies are in place and working for the public and the profession. Execute the oath of the pharmacist very sincerely. Realize that all of us are essential members of pharmacy's vibrant community. Community only works if every one participates. There is no room for passivity. There is no time to wait for others. Take up the cause.

Community reflects a co-operative spirit. It conveys certain rights and it requires certain responsibilities. We need to strive for unity even in our diversity. And by coming together for the common cause of patient care, we can meet the challenges that face us to reach our vision of 2020.

Second Place Winner Mr. Abhishek Sharma, Institute of Pharmacy, Raipur, Chattisgarh

A community pharmacist is the most pious part of this great pharma profession and it is a proven fact, but friends I do not think that I have got this grand stage of IPC just to glorify my profession. IPA is not running this competition just to give away some prizes to the students. This is a serious effort to frame the future of our profession by taking inputs from those budding pharmacist who will be there serving by 2020. I have got a mission and responsibility of conveying the thoughts and the vision of the youth to the authorities. So let us start with current challenges.

Current Challenges

The first challenge in front of the community pharmacist is that he/she is not equipped in terms of educational standards. Degree and diploma are completed with an industry-centered approach, and they register as community pharmacists having little knowledge of clinical pharmacy.

The second basic challenge is lack of people awareness. How people will understand the role of a community pharmacist without knowing, What a pharmacist is?, What pharmacy is all about?

I remember that when I was preparing for this NEC finals, I used to go to a research center, a very own research center of mine, which was actually a medical store near my house. There, I encountered a challenge, which was created by a community pharmacist himself, which was 'lack of ethics'. I saw bribes and schemes, promoting the sale of sub-standard drugs. There, I saw the lack of strong political will to enforce laws and regulation. **Schedule H:** drugs were dispensed without any prescription. Alprazolam and Sildenafil citrate were like OTC products and more on that, if you have done any mistake by taking Sildenafil citrate, you can easily kill that 'unwanted features' because 'Mefipriston' was available in just 250 bugs. I saw a world where every thing was seen with view of profit.

I also remember that one day a person came to that store and asked for a typical rifampicin, pyrazinamide and ethambutol combination, but the strange thing was that he was asking just for a single tablet. I genuinely told that person! I think you should buy more of these because tuberculosis (TB) requires at least four to six months of regular therapy but instead of thanking me for saving his life that person got really angry. He fired me by saying that who gave you the authority to call me a patient of T.B. and questioned me that, Are you an agent of those multinational companies who are promoting the sale of these expensive drugs? I was speechless because suddenly I was aware of the challenges that a community pharmacist does not possess any authority, he does not possess any dignified social status, he is not backed with legislations and that was my last day in that store when I told that person that proper treatment and medication is available

TEACHER'S DAY CELEBRATIONS On 5 Th September 2005.

Teacher's Day Celebrations at G. Pulla Reddy College of Pharmacy

HYDERABAD: The students of G. Pulla Reddy College of Pharmacy, Hyderabad celebrated the teacher's day on 5th September 2005. On the occasion, Dr K. Satyanarayana, Scientist, NATCO, Research Centre, Hyderabad, was the guest of honour and delivered an informative lecture on 'Green Chemistry and Process Development'. Dr K. Satyanarayana, who himself was a teacher, was pleased to be a part of the occasion and stressed on friendly teacher-student relationship. Prof B. Madhava Reddy, Principal of the college, spoke about life, morals and values of Sri Sarvepalli Radhakrishna at the function.

The students honoured their teachers as a token of their respect and affection and conducted a quiz program and antakshari for the teachers. The Teachers Day best message contest for students was conducted by ICFAI University (Hyderabad chapter). K. Prabodh Kumar and Mohan Gupta of 3rd year got I and II prize, respectively, while B. Sushma of Final year got the III prize for their messages. More than 300 students of Master of Pharmacy, Bachelor of Pharmacy and Diploma of Pharmacy participated in the celebrations turning it into an impressive and memorable event.

HYDERABAD: Sama Venkatesh, Associate Professor in Department of Pharmacognosy, G. Pulla Reddy College of

Pharmacy (GPRCP), has been awarded the degree of Doctorate of Philosophy (Ph. D) by University College of Technology, Osmania University, Hyderabad on 29th February, 2005 for his research thesis entitled '*Phytochemical and Antidiabetic Studies on Helicteres Isora Linn. and Caralluma Attenuata Wight.*' The research work was carried out under the guidance of Prof B. Madhava Reddy, Principal, GPRCP.

He has more than 13 years of teaching experience, published his research finding in national & international journals and presented various research papers in national conferences. He is the life member of Indian Pharmaceutical Association and Association of Pharmaceutical Teachers of India. Dr Venkatesh has been recently promoted as Professor in the same department of the College.

Ph.D Award to our faculty member Mr. Sama Venkatesh.

Title : Phytochemical and Antidiabetic Studies on *Helicteres Isora* Linn. and *Caralluma Atenuata* Wight
Candidate : Sama Venkatesh
Institute : G. Pulla Reddy College of Pharmacy, Hyderabad 500 028 (A.P)
Guide : Prof. B. Madhava Reddy,
Principal, G. Pulla Reddy College of Pharmacy, Hyderabad
University : Osmania University, Hyderabad
Year : 2005

Received and Accepted on 26. 05. 2005

ABSTRACT

The root juice of *Helicteres isora* and whole plant of *Caralluma attenuata* are claimed to be useful in treatment of diabetes. The different extracts of *H.isora* and *C.attenuata* are screened for their antidabetic activity. All extracts were tested on blood glucose levels in glucose loaded and alloxan-induced diabetic rats. In all the tests, the butanolic extracts of both the plants, at the dose of 250 mg/kg, has shown statistically significant and considerable antidiabetic activity. The same dose did not cause any hypoglycemia in normal rats. The *H.isora* root extracts also have shown the significant effect on total cholesterol, triglycerides and urea levels in alloxan-induced diabetic rats.

The histopathological study of *H.isora* root extracts further strengthened the observed antidiabetic activity. The butanolic extract of *H.isora* has an effect on pancreas by stimulation and regeneration of β -cells. The butanolic extract also reversed the degenerative changes completely in liver and partially in kidney.

The steroids and/or triterpenoids and their glycosides may be the active constituents present in both plants. Chemical investigation of *C.attenuata* yielded steroid and steroidal glycosides. 3β , 14β -dihydroxypregn-5-en-20-one and 3-O- β -D-glucopyranosyl-(1 \rightarrow 6)- β -D-glucopyranosyl- 3β , 14β -dihydroxypregn-5-en-20-one, for the first time from this plant.

Best in infrastructure and faculty

EPP News Bureau

AMONG private pharmacy colleges in Andhra Pradesh, the Hyderabad based G Pulla Reddy College of Pharmacy has been rated as the best in terms of infrastructure and faculty. It is also the first private college in the state to introduce M Pharm course, which started from the last academic year. The college has also got ISO-9001/2000 certification.

The PG course has been started with one specialisation ie. pharma chemistry. In

Pulla Reddy College of Pharmacy

the near future the college plans to add four more specialisations like pharmacognosy, pharmaceuticals, pharmacology and pharma biotech which are in greater demand.

In terms of placement record the students are being sought by a good number of corporates. Every year, campus interviews are being held for the final year students. The college track record is such that a majority of the students who participate in campus interviews are getting offers. There are immense opportunities for the students in areas such as marketing, quality control, hospital pharmacy, community pharmacy etc. The college regularly conducts seminars on various current topics relevant to the industry, pharmacy education and global trends etc.

It also holds interactive sessions to clarify doubts of the students and educate them on the job market. Many experts from the industry have been participating in these interactive sessions.

ఫార్మసీ విద్యార్థులకు ప్రపంచవ్యాప్త అవకాశాలు

మెహిదీపట్నం, ఏప్రిల్ 12 (న్యూస్టుడే): ఫార్మసీ విద్యార్థులకు ప్రపంచ వ్యాప్తంగా ఉపాధి అవకాశాలు లభిస్తున్నాయని ఉస్మానియా విశ్వవిద్యాలయం ఉప కులపతి ప్రొఫెసర్ జె.అనంత స్వామి అన్నారు. సోమవారం రాత్రి మెహిదీపట్నం లోని పుల్లారెడ్డి ఫార్మసీ కాలేజీ వార్షికోత్సవంలో పాల్గొన్నారు. ఉస్మానియా యూనివర్సిటీలో పుల్లారెడ్డి కాలేజీ మంచి కాలేజీగా గుర్తింపు పొందిందని కొనియాడారు. ఫార్మసీ విద్యార్థులు ప్రపంచంలో హైదరాబాద్ పేరును ప్రతిబింబించేందుకు కృషి చేయాలన్నారు. స్టేట్ బోర్డు ఆఫ్ టెక్నికల్ ఎడ్యుకేషన్ అండ్ ట్రేనినింగ్ రిటైర్డు సెక్రెటరీ బి.వి. కష్టారావు మాట్లాడుతూ రాష్ట్రంలోని 36 ఇంజనీరింగ్ కాలేజీలు ఈ నెట్ వర్క్ కింద ఉన్నాయన్నారు. ఈ కాలేజీలో డిజిటల్ గ్రంథాలయాను నెకొల్పే దుకు కృషి జరుగుతోందని కృష్ణారావు తెలిపారు. పుల్లారెడ్డి ఫార్మసీ కాలేజీకి అమెరికన్ క్వాలిటీ అసెసర్స్ (ఎ.కె.ఎ) తరపున చంద్రశేఖర్ ఐ.ఎస్.ఓ. 9000.2000 సర్టిఫికేట్ను అందజేశారు. ఈ విద్యాసంవత్సరంలో ఎం.ఫార్మసీ, డి.ఫార్మసీ కోర్సులు ప్రవేశ పెడుతున్నట్లు కళాశాల ప్రిన్సిపాల్ మాధవరెడ్డి తెలిపారు. డ్రగ్ కంట్రోల్ ఆఫ్ అడ్మినిస్ట్రేషన్ మాజీ డైరెక్టర్ గోపాల కృష్ణ మూర్తి, జి.పుల్లారెడ్డి చారిటబుల్ ట్రస్టు చెర్మెన్ పుల్లారెడ్డి, కార్యదర్శి సుబ్బారెడ్డి ఈ కార్యక్రమంలో పాల్గొన్నారు.

'More co-ordination between AICTE and PCI is needed'

Dr B Madhav Reddy

In accordance with AICTE prescription, Osmania University introduced the revised syllabus for B Pharm, effective from the current academic year. While welcoming the up-gradation of the curriculum, education circles are expressing dissatisfaction over the AICTE not discussing the designing of the new syllabus with the universities

and educational institutions. It is high time that industry, universities and regulators work together, feels
Dr B Madhav Reddy, principal, G Pulla Reddy College of Pharmacy, in an interview with **Srinivasa Rao Dasari**.

How do you gauge the current situation in pharmacy education?

The demand for pharmacy education has been growing and job prospects for students are also quite promising. Moreover, we find an immense potential in the students. But what is lacking is the co-ordination between PCI and AICTE. Professional skills of the students are not equal. To overcome these anomalies, regulators should work hand in hand and when it comes to educational institutes, there is a tremendous need of regular interaction among industry, universities and education institutes. For example; the AICTE did not consult all the universities and educational institutions concerned on framing the new curriculum in B pharmacy education.

How do you rate your college in terms of quality standards?

Among private pharmacy colleges, ours is the best-rated college in terms of infrastructure and faculty and also the first private college in the state to introduce M Pharm course from the current academic year. The college has also got the ISO-9001/ 2000 certification.

Is there a demand for the new PG course?

The response to the course is very encouraging. In fact, we need more number of seats in M Pharm. The state has about 1,600 seats in B Pharm, but for M Pharm, the number is less than 100. We have also started with a diplo-

ma in pharmacy from this academic year. Our college has been offering B Pharm course since 1995.

What are the specialisations being offered in M Pharm course?

We have started the course with specialisation in; pharma chemistry. In the near future we plan to add four more specialisations. Specialisations like pharma cognosy, pharmaceuticals, pharmacology and pharma biotech etc are in greater demand.

What is your placement record?

We get good response from the corporate sector. Every year, we hold campus interviews for the final year students. All the students who participate in campus interviews get offers. Some students opt for higher studies and some go abroad. If we consider all this, every student gets an equally good opportunity. There are immense opportunities for the students in areas such as marketing, quality control, hospital pharmacy, community pharmacy etc. Initial pay packet is also attractive. For example, last season, for an entry-level job in marketing was Rs 8,000 per month.

To keep pace with the growing demands from the industry, what are the measures you have taken up?

We conduct seminars on various current topics relevant to the industry, pharmacy education and global trends etc. We also hold interactive sessions to clarify doubts of the students and educate them about the job market. Many experts from the industry participate in these interactive sessions.

Apart from this, we have designed a six-week industrial training course for the final year students. This training course gives the students online job training and an opportunity to know more about requirements that the profession demands.

Has any company outsourced R&D and other related work to your college?

Our institution has got a couple of offers from the industry and we will soon enter into memorandum of understanding (MoU) with some companies. At the moment, I cannot reveal the names. +

INTERVIEW

Mr.Suryadevara Pratap,Received

YOUNG PHARMACEUTICAL SCIENTIST AWARD

Mr. Suryadevara Pratap, Lecturer, G. Pulla Reddy College of Pharmacy, Hyderabad and alumnus, AHCP received Young Pharmaceutical Scientist Award for Professional innovation by International Pharmaceutical Federation, Netherlands. The award will be presented at World Congress of Pharmacy and Pharmaceutical Sciences which will be held in Sydney, Australia during 4th to 9th September 2003.

The award was given for implementing and developing a project "My Nutrition for My Health – A self assessment Technique for Global Health". He is the first Indian Pharmacist to receive this award. The award also includes To & Fro flight tickets, accommodation & free registration to the conference and 1,000 Euros (Rs. 50,000/-) for implementing the project. Mr. Pratap also has to his credit the book published NEXT STEP IN PHARMACY EDUCATION which gives detailed information regarding world wide higher education opportunities for pharmacy students.

G Pulla Reddy: Maintaining good academic record

P Ram Kumar

Hyderabad

ONE of the pharmacy colleges in the private sector in Andhra Pradesh, which has been maintaining a good academic record and producing bright pharma professionals is G Pulla Reddy College of Pharmacy at Hyderabad.

Promoted by philanthropist G Pulla Reddy, the college, which commenced its operations with the first batch of 40 students in July 1995, produced 100 per cent results with 12 distinctions. It is approved by the All India Council for Technical Education (AICTE) as well as the Pharmacy Council of India and has affiliation with Osmania University.

"Our students have also secured first and second ranks in B Pharm examination conducted by Osmania University," says Dr B. Madhava

Reddy, principal of the college. With a total strength of 240 students, all four years of the course, the institution is equipped with 11 laboratories which have been set up as per the AICTE norms and has an excellent library.

Some of the other facilities of the college include a medicinal garden, a drug museum and experienced teaching faculty.

Dr Reddy, who has done his PhD in phyto chemistry from Warangal, says, "A parliamentary committee on technical education visited our college recently and the members of the panel were very much impressed

about our performance records and the standards maintained by us."

Rs 7-lakh research grant: The AICTE of the Union Ministry of Human Resource Development has given a Rs 7-lakh research grant to G Pulla Reddy College of Pharmacy.

Dr Reddy says his college is the first in the private sector in Andhra Pradesh to get this assistance from the AICTE. The college has undertaken a research project on the development of an anti-diabetic drug from natural sources. The project, which is headed by Dr Reddy himself, has already commenced works.

Animal trials are in progress in the

G Pulla Reddy College of Pharmacy

college and the efficacy of the drug is encouraging, claims Dr Reddy. The college has been given two years time for the completion of this project. It is seeking another six months time for the completion of the research project in September this year.

On future plans of the college, the principal says that the management is keen on introducing Post-graduation courses in pharmacy education and promoting industry-academic interaction by taking up industry-sponsored research projects in novel drug development systems and herbal drugs.

PHARMACY COUNCIL OF INDIA WORKSHOP FOR PHARMACY TEACHERS & WORKING PHARMACISTS On 18th & 19th Spetember, 2000.

TWO DAY WORKSHOP FOR PHARMACY TEACHERS &
WORKING PHARMACISTS
G.PULLA REDDY COLLEGE OF PHARMACY, HYDERABAD
18th - 19th SEPTEMBER, 2000.

Mr. Pratap, welcoming the guests, Shri C. Gopalakrishnamurthy, Prof. C. K. Kokate, Dr. B. Madhava Reddy & Prof. K. Sambamurthy were present on the dias.

A two day workshop for teachers and working pharmacists was held at G.Pulla Reddy College of Pharmacy, Hyderabad on 18th & 19th September, 2000. The workshop was sponsored by Pharmacy Council of India, New Delhi as part of its Golden Jubilee Year Celebrations. About 30 teachers and 20 working pharmacists participated in the workshop.

The workshop was inaugurated by Prof. C.K.Kokate, President, Pharmacy Council of India & Indian Pharmaceutical Association. Prof. C.K.Kokate, in his key note address stressed the need of registration of pharmacy graduates and to uplift the status of registered pharmacist in the society. Prof. K. Sambamurthy and Sri. C. Gopalakrishna Murthy, Guests of honour emphasised importance of professional knowledge updation by conducting several workshop programmes. Dr. B. Madhava Reddy, Principal of the college in his welcome address appreciated the steps taken by the Pharmacy Council of India during recent times in upgrading standards of pharmacy profession.

During workshop several seminars were arranged. The workshop was concluded by summarising the two day proceedings by Dr. B. Madhava Reddy the Chief Coordinator of the workshop.
